## Celebrate Your Anniversary

Naturally, we talk mostly to the "newly-weds," but with all due courtesy to them and an urgent invitation to allow us to figure on the furnishings of the new home, we are today writing for those who were "newly-weds" in the years past.

Why not make your anniversary an occasion of adding one fine piece of furniture to your home then by renewing the pleasure you had of "looking" the first time any also replacing some discarded piece?

If you weren't married in June come in earlier or later to look, plan or buy for your anniversary.

### SUPERVISORS WILL HELP.

Express Willingness to Aid City Repair Marion Street Road.  
The offer of Councilman George Herman to co-operate with the trustees of Marion township or the board of supervisors in permanently repairing the Marion street road to the Nicholson ford bridge, which was carried to the supervisors this morning, found the members of the board willing to co-operate. Altho the supervisors believe that it is "up" to Marion township to do this road work, they were willing to help if suitable terms with the city and for the material could be made with the city. Herman's plan is to have gravel taken from the river at the Nicholson ford bridge and haul it to the road with it to the depth of about six inches from the bridge as far west as the lane to the Country Club. Herman offered to repair that part of the road inside the city limits if the township or supervisors would repair the rest of it.  
The supervisors are rather loth to do this work, which they believe Marion township should do. At the request of the supervisors County Attorney A. C. Delv notified the road superintendent.

J. Bowman, who was in the box for the mills team, held the wholesale grocers to two hits, but his teammates got to Swingley for a bunch of four hits in the third inning that, with a pass, netted three runs.

### SUMMER SCHOOL OPENS THIS WEEK.

Mr. Ernest Wiley here to teach Violin at The Marshalltown School of Fine Arts.

### Everyone interested in the study of Violin under a real artist should call at the School of Fine Arts in the Masonic Temple tomorrow between 10:00 a. m. and 3:00 p. m. to arrange for class work.

Mr. Ernest Wiley brings to Marshalltown the experience of several years' active work as soloist, teacher and orchestral director. He is one of the teachers in the Wilhelmj Montelius School of Cedar Rapids, and as such has met with most excellent success. His pupils have made splendid progress and some of them hold excellent positions. His two years' work as violinist at the Hotel Montrose and Ma-jestic proved Mr. Wiley capable of handling the highest class of music. Because of the large guarantee which Mr. Wiley requires, the School can not bring him here unless a good sized class can be organized tomorrow. It is therefore hoped that everyone interested in the study of violin will avail himself of this exceptional opportunity.

## KOONTZ TO MAKE PLEA OF INSANITY

DEATH PENALTY LIKELY TO BE DEMANDED IN OMAHA MURDER CASE.

### WORK OF SELECTING JURY IS STARTED

Koontz in Court, Pale and Nervous—Victim's Widow Also Prominent Figure in Court Room—Able Attorneys Defending Prisoner, and Many Physicians Will Appear as Witnesses.

The murder case in which E. E. Koontz, formerly of this county, is to be tried for the murder of his friend, Frank W. Smith, in Omaha, last winter, opened in Omaha Monday, when the work of securing a jury was begun. Koontz, who was a Missouri Pacific engineer, shot and instantly killed Smith, who was a conductor on the same road. No motive for the crime has ever been made public from any statement made by Koontz.

A special to the Times-Republican from Omaha today tells of the opening scenes in court as follows:  
Omaha, June 18.—His face pale and his actions nervous, Ezra E. Koontz sat in court today while the work of securing a jury which is to hear the charge and testimony against him for killing Frank W. Smith in Omaha last January was continued. Mrs. Smith, the widow, her face expressing deep sorrow, is also in court. Insanity will be the defense, and the questions propounded prospective jurors by Prosecutor English, indicate that the death penalty will be demanded and that the defense's plea will be vigorously contested. Able attorneys are defending Koontz. Several physicians have been called as witnesses for the defense.

TO WHOM CONCERNED:
