

# HOON AND HUMMEL TIED FOR HONORS

### JEWELL AND LA PORTE MARKS MEN BREAK ALL BUT 5 OUT OF 200 TARGETS.

### SCHMITZ, OF STORM LAKE, CLOSE SECOND WITH 194

### Tuesday's Shoot One of Most Successful Held in State This Season, Visitors Declared—Forty-eight Participants—Hinshaw Confers With Deputy Wardens.

What proved to be one of the most successful shoots held in the state this season was the invitation affair promoted by the Iowa Gun Club, of this city, on its grounds Monday. Eight thousand targets were thrown before forty-eight marksmen who faced the traps from the beginning of the shooting at 9:30 in the morning until the last bird was trapped at 7:30 at night.

So much larger was the attendance than anticipated by the club that for a time the management faced a problem for both shells and targets. The hardware stores of the city were scoured for every available trap load, and in order to shoot off the closing events 500 unbroken targets from the field had to be gathered up. Twelve cents, eight of fifteen birds and four of twenty, comprised the program. The shoot was managed by Fred Whitney, of Des Moines.

#### Hoon and Hummel Tied.

W. S. Hoon, of Jewell, and Charles Hummel, of LaPorte, were tied for high gun, each making the excellent record of 195 out of a possible 200. J. A. Schmitz, of Storm Lake, was a close second, with 194, and L. B. Maytag, of Newton, third, with 190.

Among the local shooters Otto Radloff was high gun, with 130, and A. R. Cooper second, with 127.

#### Gilbert High Professional.

Fred Gilbert, of Spirit Lake, a former member of the old Marshalltown Gun Club, and a former winner of the Grand American handicap, was high gun among the professionals, with 191. D. Flannigan, of Minneapolis, was second high, with 181, and F. R. Ruzick, of Des Moines, third, with 172. The two other professionals shooting were W. S. McGill, of Chicago, whose score was 166, and Fred Whitney, of Des Moines, with 154. The professionals shot for targets only.

#### Trophies Awarded.

The shoot Tuesday was registered under the Interstate association, with added money in each event. The Interstate association hung up three trophies for the shoot, the first two being gold watch fobs, and the third a silver fob. Hummel, of LaPorte, was awarded the first trophy, Radloff, high local gun, second; and Maytag, of Newton, third.

#### Hinshaw Meets Deputies.

E. C. Hinshaw, of Spirit Lake, state game warden and fish commissioner, was in attendance at the shoot, and shot thru the program with a score of 184. Because he expected to be here for the event Mr. Hinshaw called to his nearby deputies for a conference, which was held at the grounds during the afternoon. Ten deputies were here to meet the warden.

"Sam" Foster, of Mason City, a former hotel clerk of this city, was among the many visiting shooters. Mr. Foster shot thru the program, finishing with a score of 179.

#### PLAN FOOTBALL WORK.

#### Coach Maricle Plans Late Summer Camp For High School Team.

Coach C. A. Maricle, of the high school football team, who has been in the city for a few days, has made tentative plans for the coming football season, and it is quite probable that the candidates for the team will go into camp next month for preliminary practice and conditioning, as they did last year.

The venture of last year proved profitable, and with the prospects brighter this year than it was last fall it is the intention to round the team into shape as early as possible. Captain Herbert Newcomer has been in conference with Coach Maricle drafting plans for the season's work. A tentative schedule has been partially completed for the season and the mistake of playing so many high class teams, which proved a handicap last season, will not be repeated this season.

Coach Maricle went to Des Moines this morning to remain for a few days with friends.

#### GLADBROOK SCOUTS HERE.

#### Boys' and Girls' Organizations Spend Day at Riverview.

Members of the boy scouts and the camp fire girls of Gladbrook enjoyed a picnic at Riverview park today. Sixteen scouts, in charge of Scoutmaster W. C. Rowley, and sixteen girls, chaperoned by Herbert Stratton and Miss Gertrude Schrimmer, and under the direction of their leader, Miss Rosella Rees, made up the party. The scouts made a pretty showing in the regulation scout uniforms, and attracted attention as they marched to the business section of the city from the station. A majority of the girls wore the regulation costume of the organization, blue skirts and white middie.

#### MARRIED.

#### Cagwin-Newblom.

Miss Freida Newblom and Ray D. Cagwin were married this morning at 8:30 at the Methodist parsonage. Rev. R. F. Hurlburt officiating. The bride is a daughter of Mrs. Christine Newblom, 405 Union street, and for several years has clerked in the Fair store. The groom, who is a son of Mrs. Fred O'Neill, 406 West Boone street, is a clerk at the Anderson cigar store.

Mr. and Mrs. Cagwin left this morning for Mason City and Clear Lake, where they will remain for a two weeks' outing, and upon their return will make their home in the city.

#### LeGrand Chautauqua.

A large attendance, equaling the Sunday attendance, greeted the Tuesday afternoon and evening programs of the LeGrand chautauqua. The day

known as "farmers' day," attracted a large number of farmers from the near vicinity, who were anxious to hear Comfort A. Tyler, of Michigan, a farmer-ordinator, give his lecture on farming and farm life. Mr. Tyler gave splendid lectures which were interesting and instructive at both sessions. The Eastland Male Quartet, of Oberlin, furnished a pleasing program of musical numbers at both sessions.

Preceding the afternoon program an exciting game of baseball was played between LeGrand and Green Mountain, the latter winning 8 to 5.

#### NASH'S INJURIES FATAL.

#### Complication of Diseases Cause Death of Man Injured on Railroad.

Everett Nash, who was injured a week ago near St. Anthony, while working with an M. & St. L. bridge gang, died at St. Thomas hospital at 5:15 this morning, of inflammation of the kidneys, resulting from blood poisoning developing from his injuries. Mr. Nash had been unconscious since Friday, until Tuesday night, when he became rational.

Mr. Nash was born three miles south-east of the city, Aug. 10, 1878, and has resided in and near Marshalltown all his life. He was married to Miss Emma Robbins, of this city, Dec. 29, 1907. He is survived by his wife and two sons, Kester, aged 5, and Kenneth, aged 3. An uncle, Joseph Hoffmire, residing northeast of the city, also survives.

The family has been stricken with more than its share of misfortune in recent weeks, the eldest son, Kester, having been injured a few days ago, when he was struck over the eye by a pump handle, causing the rupture of a blood vessel, which, for a time threatened serious consequences. The injury was so serious in fact, that for a time it was feared that it might prove fatal. Shortly after the lad's accident, Mr. Nash received the injury which resulted in his death.

The funeral will be held from the home, 1211 South Second avenue, at 2 o'clock Thursday afternoon. Rev. A. C. Couser, of Des Moines, conducting the services. Interment will be in the Iowa River cemetery.

# DALY AND KIELS WILLS PROBATED

### LATE COUNTY ATTORNEY MAKES WIDOW SOLE BENEFICIARY OF PROPERTY.

### ESTATE HAS ESTIMATED VALUE OF ABOUT \$35,000

### Twenty Thousand of the Amount in Personal Property—Mrs. M. Kieley Divides Estate of About \$40,000 Between Five Children and Six Grandchildren—Detrick Will Probated.

Three wills were entered for probate in the adjourned session of the district court today. Two of the estates are quite large, but the other is small.

Anthony C. Daly, in his will of April 26, 1906, designated his wife, Mrs. Harriet C. Daly, as his sole beneficiary and named her as executrix without bond. In the event that Mrs. Daly preceded her husband in death Mr. Daly directed that his property be divided equally between his brother, Michael C., and sister, Margaret J. Daly, of Boston. The estate is estimated to have a value of \$35,000, \$20,000 of which is in personal property. The remainder comprises three pieces of real estate in this city, the Daly homestead, the property across the street, and the property at Main and Second.

Mrs. Marie Kieley, who died her property equally among her five living children and the six children of her dead daughter. Each of the five children, Mesdames Margaret C. Wagner, Josephine E. Lindsay, and Laura A. Weber, and Charles and Walter W. West, is given a one-sixth interest in the estate. The other sixth is willed to the six children of Mrs. Mary A. West Bendisale, in the persons of Gertrude London, and Charles, Edward, Theodore J., Marie, and George Bendisale. T. H. Bendisale is nominated executor. The Kieley estate is said to have a value of between \$30,000 and \$40,000, consisting of \$10,000 in personal property, three or four residence properties in this city, and two and one-half sections of land in Potter county, South Dakota. The will was dated April 5, 1914.

#### Card of Thanks.

We wish to thank the neighbors and friends for the kindness and sympathy shown us during the sickness and death of our beloved mother and also for the beautiful floral offerings. Mr. and Mrs. W. H. Collins and family.

#### News of Laurel.

L. B. Starr, wife and daughters, Harriet and Delphia, of Perth, N. D., are visiting relatives in Laurel and its vicinity. Gus Rogers, also of Perth, is here for a visit among relatives. Alonzo Ingraham and wife, of Sac

City, spent the past week with relatives here and at Montezuma. Ed V. McBroom, of Grandy Center, spent a few hours Friday with his father and the family of his brother at Laurel.

Farmers are now busily engaged in harvesting the oats crop, which is damaged some by rust, but the yield will be fairly good.

#### VAN LAW NAMED RECEIVER.

#### Court Appoints Attorney Receiver of Pottery Plant.

Upon the application of H. L. Eick a stockholder in the Marshalltown Sewer Pipe and Tile Company, Judge Cummings today appointed C. H. Van Law receiver of the company's property. The bond was fixed at \$2,000.

Judge Cummings directed a judgment of \$181.25 against O. Grady, one of the defendants in the case of the Waltham Piano Company, of Milwaukee, vs. the Grady Drug Company, of State Center. As against the other defendants in the action the case was dismissed.

Judge Cummings adjourned court until Thursday in order that he might go to Des Moines to attend the republican state convention.

#### Umpire Kennedy Makes Complaint.

Umpire Kennedy, who is working in the Waterloo-Marshalltown series this week, caused the arrest of two boys Tuesday afternoon, alleging that the boys had attacked him as he was coming away from the grounds. The boys were taken into custody by Officer Charles Sandvig, but were released when Kennedy told the officer that he would not appear against them. While the umpires have not given satisfaction here this season, with the exception of Umpire Fleming, there has been entirely too much umpire bating, a continuance of which will eventually prove detrimental to the game.

# NO POISON IN STOMACH

### Toxicologist of San Francisco Fails to Find Traces of Poison in Mrs. Hoyt's Stomach — Spokane Friends Defray Burial Expense.

### Special to Times-Republican.

San Francisco, July 15.—Prof. Frank T. Green, toxicologist for the coroner, has not as yet detected any trace of poison in the stomach of Mrs. Myra Y. Hoyt, who died last Thursday under mysterious circumstances. The tests so far administered have given negative results. The examination will be concluded late today.

Mrs. Hoyt was found at her hotel last Thursday in a state of coma. She was removed to the Central Emergency hospital, where she died. It is now thought her condition was caused by pressure on the brain, the result of an operation on the head, performed about a year ago.

Friends in Spokane sent \$150 to the proprietor of the Continental Hotel, who turned the money over to the coroner to defray Mrs. Hoyt's funeral expenses. There is no trace of any other money here.

#### INGLEDUE STORE SOLD.

### J. Levin Buys Dry Goods Business of Nettie Ingledue & Co.

A business deal that was closed Tuesday night results in the elimination of one dry goods store of the city, and the departure from mercantile circles of the firm of Nettie Ingledue & Co. J. Levin, who has leased the building which the Ingledue store occupies, has purchased the Ingledue business.

The firm of Nettie Ingledue & Co. was organized twelve years ago by Miss Ingledue and her brother, O. L. Ingledue, and has been managed by Miss Ingledue very successfully. Miss Ingledue

has since married, and will now retire from business. The sale was hastened, however, by the leasing of the building to Mr. Levin, who also secures the next store room to the east, occupied by Ingledue & Young. Mr. Levin acquired the business in order that he might get earlier possession of the two storerooms. The sale will result in the big improvements in the three storerooms of the block being made several months earlier than expected.

In retiring from business Mrs. Nettie Ingledue Smith will sever business relations with many customers who have become warm personal friends. The Ingledue store has always borne a reputation of carrying a fine stock, although not as large as some of the other stores of the city.

By obtaining possession of the stock Mr. Levin will put it on the market with the idea of having the building vacated as soon as possible. The extensive improvements to the two new Levin storerooms will be begun, and Mr. Levin expects to be in his new store by the spring, as originally planned. Ingledue & Young will also start their extensive improvement in the present Princess Theater building, and will occupy it this fall instead of in the spring.

The contest is declared to have been the hardest in the history of the grand lodge.

Licensed to Wed.
