How It Impressed Her.
Recently a woman paid her first visit to the ocean, and as she stood on the beach gazing at the great expanse of water a friend happened along.
"They tell me," Mrs. Jones, said the friend, "that you never saw the ocean before. Is that true?"
"Yes," answered Mrs. Jones, "most of my life has been spent in the middle west, you know."
"Think of the wonderful treat you had!" eagerly exclaimed the other. "How did it impress you?"
"Well," thoughtfully answered Mrs. Jones, "when I looked at the amount of water they have down around here it struck me that fish might be a little bit cheaper."

We Hope Not.
"Women may learn to smoke and drink."
"Well?"
"But they will never adopt the habit of getting behind a newspaper at breakfast and contributing only grunts to the conversation."
Affable Folks.
"Boston people are mighty nice to book agents."
"Good customers, eh?"
"Not so much that. They've read all the books in the world. But they're always willing to discuss 'em with you."

Tomorrow, Saturday, the Twelfth Day of Our Rummage Sale

THE rummage sale is full of interest and it is greatly appreciated judging from the large patronage the rummage sale has enjoyed in its first and second week.

Good Silks In the Rummage

It wouldn't pay to invest in poor silks when you can buy desirable fresh silks at right prices. Silks that are old, that have been laying on the shelf a good many years will be high priced to you in the long run no matter how cheap you can buy them. Besides we can match the prices on newer silks, silks that are up-to-date and guaranteed by us to give entire satisfaction. We always make good anything that isn't good.

The Rummage Sale Carries Out Our Promise OF JULY 18TH

The day we announced that we were going to give you a sale and, therefore, we can't offer you merchandise too good nor prices too low in order to fulfill our promise. The best and the newest obtainable are placed in the rummage sale.

\$15,000 Worth of New Merchandise Is Placed In This Sale

The strength of our sale is not alone due to the low prices we are making and the better goods we are showing and selling. Our assortments have also had something to do with the success of the sale. Levn's are not selling out their stock. They are here to stay. There are more new goods coming in every day than are going out.

New Merchandise of Every Description In the Rummage

Outing flannels, Shaker flannels, silks, wool dress goods, muslins, sheetings, sheets and pillow cases, linens, tailor-made suits, dresses, skirts, and new millinery.

The Prices We Are Making On New Merchandise Will Be the Lowest You Will Buy Them This Season

All the new merchandise of which we are speaking is the kind we took advantage of in the low market in our advanced purchases. If the same merchandise were to be purchased by us right now we would have to pay an advance of at least 20 per cent and even then we could not procure as good selections now as we did earlier. But this makes no difference to you—we are rummaging now and you get the benefit of our best efforts and you can buy better merchandise at the same prices, or even lower, than what you would pay elsewhere for merchandise five to fifteen years old.

Tomorrow, Saturday, Will Be One of the Big Days at This Store

Come to the store tomorrow and get the best merchandise and the lowest prices and the best service. We have not laid-off any salespeople, on the contrary we have increased our selling force this week and you are sure to get better attention here.
