GOOD FELLOWS' CLUB NOW READY FOR WORK ORGANIZATION TO PROMOTE CHRISTMAS CHEER FOR POOR NOW ACTIVE. GOOD WORK DONE FOR CHRISTMAS YEAR AGO Club Will Do Work For Good Fellows Who Are Unable to Look After Cases Personally—G. F. Thayer, Secretary of Club, and Will Receive Coupons of Those Who Will Aid.

The Good Fellows' Club is open for business. The coupon which appears in this issue and which appeared last year and was so nobly responded to by the Good Fellows of Marshalltown. If you were a Good Fellow last year you know all about it. If you were not then you missed something and should be one of the early birds this year. The plan is this: The Good Fellows organization, thru the teachers, mail carriers, and the charity workers, find out those who are in distress or who, without help, will have a dark Christmas. There is thorough investigation and complete knowledge of conditions. If you will sign one of the coupons or a card and hand or send the same to G. F. Thayer, secretary of the club, at the T. R. office, the committee will assign you a family or child or a single person whose Christmas cheer will be your duty. You will attend to it personally thru your own agent. Or you can choose for your self among the families listed, or name the family or person that you are to care for. The idea is to have every child and family who otherwise would suffer or lack for Christmas attended to. You can take a child or many families as you choose, one child or more, but you will be expected to fulfill your pledge. Don't take on too much. Sign a coupon for as much as you are certain you can do and do well. But sign the coupon and send it in.

Did Good Work Last Year. It is impossible to overestimate the value of the Good Fellows last Christmas. It was a most beautiful charity. It warmed and fed and brought Christmas to hundreds of little children who otherwise would have been lonely and neglected. It put shoes on a hundred feet, it covered a million of shivering bodies with warm clothing. And the need is greater this season than last. The derangement of business, consequent on the war, has made employment hard to find. There are more men out of work. And in this time of high living cost, short periods of enforced idleness mean the wolf at the door. Sign the coupon right away. Let the Good Fellows know that they can count on you. Be a Good Fellow. If you can't give your personal time and attention to this work give your money. The Good Fellows' Club desires to put your money to personal touch with distress. If you can't do it, however, the club will spend your money for you see that every penny buys all and more than it ought, and see that the right persons get the benefit of it. The managing committee of the Good Fellows consists of L. C. Abbott, president; E. D. Hamilton, treasurer; George F. Thayer, secretary; and F. A. Moscrip. See any one of them. Hand in your coupon. Get it in early.

FORMER RESIDENT DEAD. Charles E. Frost Dies at Wapello After Three Weeks' Illness. Word received at Rhodes tells of the death of Charles E. Frost, a former prominent resident of that place who, for the past ten years, has been in the drug business at Wapello. Mr. Frost was a well known citizen of Rhodes before his removal to Wapello, and his death was learned with regret by his many friends of Rhodes. Mr. Frost's death followed an illness of three weeks. Charles Edgar Frost was born in Washington county, Ohio, Nov. 15, 1846. He served through the civil war in the union army as a member of the Ninth Virginia Infantry. On Nov. 3, 1875, he was united in marriage to Miss Ada Doty, of Oxford, Iowa. His widow and three children, Charles E., of Oxford; Mrs. J. R. Perry, of Woodward; and Mrs. Raymond Davison, of Wapello, survive him. The funeral was held from Mr. Frost's residence in charge of Rev. E. C. Brooks of Columbus Junction. The Masonic fraternity had charge of the service, and the lodge members and the G. A. R. post attended the funeral in a body.

MARSHALLTOWN GOOD FELLOWS CLUB The Marshalltown Good Fellows' Club will undertake this year to bring the Good Fellows of Marshalltown in touch with those who need good fellowship most, to the children who must depend on good fellows for a Merry Christmas or go without. The plans are complete for securing names and addresses of those who need you and your Christmas kindness. If you simply can't do the work personally the Good Fellows Club will see that your help goes to the right places. But you and your wife and sister and mother will want to do it yourselves if you can. It's so entirely worth while. Cut out this coupon and mail or bring it to the Times-Republican office to be filed. It makes you a Good Fellow. The child or children or families will be assigned you. There will be no publicity. You will just get quietly busy and see that those to whom you have pledged a Merry Christmas get it. I live at No. _____ street. I will be Santa Clause to _____ children, or to _____ families. Fill out the number from one to as many as you choose, and sign your name.

To Work Hoboes on Stone Pile The stone pile in connection with the county jail that was abandoned a number of years ago is to be re-established by the city. Arrangements were made with the supervisors this forenoon by Councilman W. E. Nicholson for the city to open a stone pile at the jail. According to the arrangements the county will feed the prisoners and the city will furnish the stone and a guard to stand over the rock breakers. As a result of this arrangement it is probable that the city police department will be instructed to lock in jail all idle men and hoboes on charges of vagrancy. The arrest will be followed by a commitment of several days to labor on the stone pile. Councilman Nicholson has made arrangements to obtain stone at the quarry on his father's farm, northeast of the city, for \$1 a perch at the quarry. The city will haul it to the jail. Nicholson said this forenoon that the city expected to be able to obtain from the stone pile enough crushed rock to pave North Third avenue north of Marion street where the avenue is now being graded for the boulevard project. Judging by the very large number of idle men who have been seeking shelter in the South Third avenue police lock-up the city will probably be able to keep a good-sized force of men at work.

BUNNY MANAGER IS CHOSEN. J. A. Hamilton, of South Atlantic League, to Lead 1915 Team. J. A. Hamilton, former manager of the Charleston, S. C. team in the South Atlantic League, has signed a contract as playing manager of the Cedar Rapids Central Association club for the season of 1915, succeeding Belden Hill as the Bunny pilot. Hamilton is a comparatively young man in baseball, and is 27 years of age. He is a third baseman, and played that position last season for Charleston. In 1913 he was manager of the Peninsula team in the Cotton States League. That season his club ran away with the pennant, but a number of protested games were taken away from his club and awarded to Jackson, Miss., thereby officially giving the pennant to the latter team. Hamilton has a batting record of .257, and his fielding percentage is .854. Last season his club finished second in the South Atlantic, after a hard-fought contest thruout the season. Business Manager Hill has also signed a new manager, Fred Hoffman, of St. Louis. The lad, only 19 years old, is highly recommended.
