 Dr. Miles has been known as a leading specialist in these diseases for 25 years. His liberal offer of a \$3.75 treatment free to all sufferers, is certainly worthy of serious consideration. You may never have such an opportunity again.  
 The Grand Dropsy Treatment consists of four dropsy remedies in one, also Tonic Tablets and Pura-Laxa for removing the water. This treatment is specially prepared for each patient and is ten times as successful as that of most physicians. It usually relieves the first day, and removes swelling in six days in most cases. # The "I Will" Man Says "I Must"

## Still Greater Reductions That Must Produce Quick Clearance

"I guess", says the "I Will" Man "that I haven't made this town sit up and take notice this week. The first few days of this sale convinced those that were here that this town has never had such apparel offerings on really good and dependable merchandise as has characterized this sale. And each day the news spread farther and farther. Brothers told brothers, neighbors told neighbors and school children told their playmates. And how they have appreciated the savings is best told by the way goods have gone. That don't mean that there are not a lot of great bargains here yet to be had. In fact they are greater than ever. I'll tell you why. Many of our lines have become broken up with the onslaught of wise bargain seekers. In some lots where there were 20 to 30 suits or overcoats of a pattern or size there are now only 5 or 6. We cannot advertise complete lots of these and then when customers come in tell them we have not their size—that is bad business. So what have we done? We have placed these in with the next cheaper lot and give you the benefit. That shows our determination to clean this stock out and give you the strongest bargains that we can regardless of cost or profit. That is the "I Will" man. Only I say now "I Must" and I mean what I say. "I must" clean up this stock inside the next few days.

### Suit and Overcoat Savings Greater Than Ever

Here is how this plan is working out with the suit lots. Just notice how we have moved broken lots down to the next cheaper grade so that your savings are in many cases 10 to 15 per cent greater than they were when this sale opened and goodness knows the reductions were certainly liberal enough then. Get them now while they are here.
