THIS CITY IN EDGE OF BAD SLEET STORM

DES MOINES HIT HARD BY TERRIFIC FALL OF SLEET, WHICH PROSTRATES WIRES.

COMMUNICATION WITH THIS CITY IS STOPPED

Neither Telephone Nor Telegraph Wires Available Out of Des Moines, and Telegrams From Chicago to Des Moines Are Being Received Here and Forwarded to Des Moines by Mail.

Marshalltown today all but escaped being in the path of a terrific sleet storm, which prostrated wires in Des Moines to such an extent that the capital city of Iowa was practically cut off from communication with the outside world.

The southwestern part of this county showed effects of the sleet, both telephone wires and poles being down near State Center. At Vanderweire wires were reported to contain sufficient sleet so that they were one-half inch in diameter.

In this city there was no sleet, although a fall of very wet snow filled streets and walks with between two and three inches of slush. The snow came during the night following a rain that set in shortly before 10 o'clock.

Mail telegrams to Des Moines. The brand of the storm appeared to strike Des Moines, according to what messenger information was available for a short time during the forenoon, when Des Moines was reached via Iowa mails. Later it was impossible to ring thru on this line, leaving the capital city absolutely without power of communication to the outside world.

Because there was no telegraph line to Des Moines from Chicago, all of the commercial business that was fled at Chicago for Des Moines was received in this city by wire and mailed to Des Moines.

The Times-Republican, which ordinarily receives its Associated Press report by telephone from Des Moines, where it is received over a leased wire, was compelled today to get its report by telegraph from Chicago.

Groups of repair men from Chicago, Des Moines, Dubuque and Cedar Rapids were ordered at this morning to report at once at Des Moines to put the damaged wires in shape for service.

Locally wires were in service in all directions excepting to the southwest. Marshalltown had one wire to Waterloo, two to Cedar Rapids, and one to Oskaloosa and Albia.

River Up Again. The Iowa river, which was very high ten days ago, is again up, due to heavy rains north. The river was over the bottom land both above and below the dam. The water rose rapidly Monday afternoon and during the night, and was still rising today. The ice is about out of the river. Linn creek, although practically bank full, did not appear to be rising, and no damage was expected from that source.

Reports from the Country Club late Monday afternoon were to the effect that the low ground subject to back-water overflow was again submerged.

ENJOY PATRIOTIC PROGRAMS. W. R. C. of Soldiers' Home and Down Town Post and Corps Celebrate.

Washington's birthday was celebrated Monday afternoon at the soldiers' home and in the evening at the east court room. The General Sheridan W. R. C. had charge of the exercises at the home, and Frank M. Thomas post and corps at the east court room. Large audiences were in attendance at both observances.

The singing of "America" by the audience opened the program. Captain H. G. Pratt, offered prayer, and the choir sang a number. Miss Jessie Irene Beyers, of West Union, of the department of education of Iowa State Teachers' College, Cedar Falls, gave a dramatic interpretation of Sheridan's famous ride from Winchester. A song by the choir closed the address of the afternoon by Ex-Senator C. H. Van Law. Mr. Van Law spoke of both Washington and Lincoln, and his address was received with much applause.

The singing of "The Star Spangled Banner" and two more readings by Miss Beyers brought the program to a close.

The evening program down town was in the nature of a Washington and Lincoln celebration. Col. J. M. Parker talked of Washington and Lincoln, and Rev. B. F. Martin of Lincoln. Miss Beyers gave a patriotic reading. Refreshments were served to the 200 guests in attendance by a committee of the corps. Little hatchets and flags were given as favors.

Echtermacht. It honor of Washington's birthday the national colors made artistic and appropriate decorations for the house and tables. Red roses, carnations, and tiny flags were effectively used on the tables, which were lighted with red shaded candles. Large liberty bells added to the attractiveness of the room decorations. Covers for seventy were laid for an elaborate dinner, which was served at 6:30 by Misses Elizabeth Trine, Hazel Kellora, Frances Diehl, Miriam Singleton, Bernice and Mildred Arney, Mary Maxwell, and Misses Mary Hall and Tess Tinker.

During the evening the members were entertained by Mrs. May F. Montgomery, who gave a splendid talk on "The Evolution of the American Flag." Mrs. Montgomery explained and exhibited the different flags, telling the uses of the flags since the colonial days. Several musical numbers added to the program. After the program the members were treated to a splendid collation.

THIS IS A BAD MONTH. The indoor life, with lack of outdoor exercise, puts a heavy load on the kidneys. Nearly everybody suffers from rheumatism, backache, pain in sides and back, kidney and bladder ailments. A backache may not mean anything serious, but it certainly does not mean anything good. It's better to be on the safe side and take Foley Kidney Pills to strengthen and invigorate the kidneys and help them do their work. They help rid the blood of acids and poisons. COURT TERM RUNS ON UNTIL IN JUNE

JUDGE WILLETT RELIEVES JUDGE CUMMINGS ON DISTRICT COURT BENCH.

TWO WEEKS' EXTRA TERM BEGUN THIS FORENOON

Judge Willett Will Continue This Term Until March Term Opens, Early in That Month--Will Then Remain Until Judge Cummings Opens Term Term in April.

The district court is to continue in session without a break until well into June. The first section of this continuous operation of the local legal machinery ended Saturday and the second section was begun this forenoon. Judge Cummings Saturday brought to a close what would ordinarily have been the end of the January term.

This forenoon Judge Willett opened court for a two weeks' extra session, which is in reality a continuation of the January term. Judge Willett will continue court right up to the opening of the March term, which will be convened March 8. He will continue that term until April 26, when he has to go to Toledo for the May term there. By that time Judge Cummings will be back here to continue the local term on into the regular May term and thru it on into June when court will be adjourned for the court year.

Judge Cummings opened court today in Toledo. While the jury work that ended last week Judge Cummings set a record for continuous and voluminous jury work that has never been equaled in one term in the district court. Jury cases were tried for seven weeks with scarcely a break. During that time nineteen cases were tried or disposed of while on trial.

In preparation for the March term and to make sure that Judge Willett will have enough jurors, Judge Cummings has ordered an extra venire of twenty drawn. A great many of the regular panel have been excused.

News of Liscomb. Messrs. Oliver and Amos KJormoo have purchased the butcher shop from S. Dickerson.

Miss Peary Ralls, of Marshalltown, was here Friday.

The home talent entertainment given at the Christian church Friday evening was one of the enjoyable entertainments of the winter and compares very favorably with the best numbers of the season's lecture course. It consisted of readings by Mrs. Earl Gouart and Mrs. Henry Leise, music by a quartet composed of Miss Hazel Hulet, and Mrs. J. G. Scott, and Messrs. L. L. Bixby and E. L. Burkhardt, vocal solos by Miss Hulet and L. L. Bixby, piano duets by Mrs. George Biersborn and Miss Hulet, dialogues and shadow pantomimes. Although the evening was stormy over \$30 was added to the treasury.

One of the most pleasant social affairs ever held in the church was enjoyed Thursday evening when the members of the men's class of the Reformed Sunday school entertained their families and the other classes of the school in honor of the third anniversary of the class. The orchestra, under the leadership of E. E. Boyd, gave an excellent program which was thoroughly enjoyed by all present. An excellent supper was prepared and served by the men. One hundred thirty were present.

Mrs. Pardon Head, of North Star, was in Marshalltown Friday. Lyman Schryver spent Friday in Marshalltown.

C. B. Schryver left Friday morning for Thompson where he has a position in a butcher shop. Mrs. Schryver and little daughter Ruth will remain in Liscomb until next week.

A lecture course association of twenty-two members has been organized and will make arrangements for the next years course. Mrs. Sarah Buehly was in Marshalltown several days this week, a guest at the F. C. Nichols home.

Make Your Own Cough Medicine

The difference in buying one of the most efficient, latest and up-to-date cough and cold remedies (which can be made at home), and buying the old, ordinary, ready-made kinds, is that with the new one you get all pure medicine instead of buying a large proportion of sugar and water, besides paying for bottles, corks and labels; and it usually requires 2 to 3 ounces of the old-fashioned, ready-made remedies to break up a cough or cold, while 2 ounces (50c worth) of Schiffman's new Concentrated Expectant, which is altogether different from any other cough remedy, and is so strongly concentrated that 2 ounces, when mixed at home with simply one pint of granulated sugar and one-half pint of water, makes a full pint (16 ounces) of excellent cough remedy, and will be sufficient to probably last the whole family the entire winter. It positively contains no chloroform, opium, morphine or other narcotics, and is so pleasant that children like to take it. Arrangements have been made with McBride & Will Drug Company to refund the money to any person who finds it does not give perfect satisfaction, or if it is not found the very best remedy ever used for coughs, colds, bronchitis, croup, whooping cough and hoarseness. In fact, all druggists of this city will sell this new remedy under the same guarantee. You will be the sole judge, and under the positive guarantee by these druggists, absolutely no risk is run in buying this remedy. R. J. Schiffman, Proprietor, St. Paul, Minn.

Don't Waste Time "Hollering," "GETS-IT" World's Simplest Corn-Cure, Never Fails.

That's why corn-millions have gone wild over "GETS-IT"--nothing like it ever known. Some folks, to this day, putter around with bandages, sticky tape, thick plasters, corn "pulling" salves, gouge corns out with knives, snip them with scissors, make them bleed and then howl because they can't get rid of sore corns. Use "GETS-IT." There's nothing to do but apply 2 drops. The work is done. "GETS-IT" does the rest. No pain, no fussing, no chancing shoes, no limping. It never fails. Try it tonight for any corn, callus, wart or bunion. Be sure that you get "GETS-IT" and nothing else.

"GETS-IT" is sold by druggists everywhere, a bottle or sent direct by E. Lawrence & Co., Chicago. Sold in Marshalltown and recommended as the world's best corn cure by McBride & Will Drug Company.
