

EAGLES PLANNING TO ERECT MODERN FLAT

BUILDING CORPORATION WITHIN LODGE TO BE ORGANIZED TO PROMOTE PROJECT.

WOULD BUILD ON LODGE PROPERTY IN EAST MAIN

Plans For Flat, Which Lodge Will Build As an Investment Will Be Submitted to Lodge Thursday Night—Apartment House Planned—McCombs Bros. Remodel Livery Barn.

The Fraternal Order of Eagles is planning to join the landlord class. The lodge, or rather a building company to be incorporated within the lodge, may build a four family flat building on the property at the corner of Fourth avenue and Main street, owned by the lodge. This site is what is known as the old Timothy Brown home. The lodge bought it a little more than a year ago for \$5,500.

Floor plans and sketches of the flat have been prepared and are to be submitted to the lodge for approval at a meeting Thursday night.

A committee of the lodge is in charge of the plans to incorporate a building company to finance the project, and a sub-committee has been securing plans for the building, which it is estimated may cost \$12,000 to \$15,000. It is being planned as an investment for lodge funds, and not for a lodge home. It will be of brick, two stories, and will probably be erected in the south side of the lot, fronting Fourth avenue. This arrangement will not necessitate disturbing the house that stands in the center of the lot.

Apartment House Planned.
A two-story frame apartment house, modern and up-to-date in every detail, consisting of two seven-room apartments, and costing in the neighborhood of \$7,000, will be built this spring by Mr. and Mrs. John C. Rowland on the lot just east of their residence, at 207 West Grant street. The house which formerly stood on this lot has been purchased by W. W. Wheelock, and moved to the corner of Wholley street and Tenth avenue.

Work on the Garwood apartment house will be begun as soon as the ground is in condition to lay the foundation. The building will accommodate two families, and will consist of two separate seven-room houses, with kitchen, dining room, living room and parlor down stairs and two bedrooms and bathroom upstairs. The apartments will be rented.

Remodeling Livery Barn.
McCombs Bros. have under way extensive changes in their livery barn in West Church street. The second floor, which in this case, is the first floor above the ground, is being entirely remodeled. All the horse stalls have been removed and the entire floor has been made into a garage room. A cement floor and steel ceiling are to be put in. Horses that have been stabled on this floor are to be kept in the floor below. The improvement will cost \$1,500 or more.

BUILDING FOR MELBOURNE.

Odd Fellows' and Contractor to Build Brick Block.
A very substantial improvement for Melbourne is to be a store and lodge building that the Odd Fellows' and H. M. Wilsterman, a contractor of Melbourne, will build this spring. The building will have ground dimensions of 50x50 feet.

It will be of brick and two stories high, with a basement under all of it. The first floor is to be divided for two stores. The second floor has been arranged for two offices, and the rest will be adapted for the use of the lodge. The lodge rooms will consist of an anteroom, wardrobe, kitchen, and serving room in addition to the lodge room itself. It is estimated to cost about \$10,000, and the work of building is to begin at once.

Mrs. Samuel Whinery, Well Known Old Resident of County, Suffers Fracture.
As the result of falling in the cellar of her home at 5 o'clock Tuesday evening, Mrs. Samuel Whinery, 514 North First street suffered a dislocation and fracture of the right hip.
Mrs. Whinery had gone to the cellar to get some fruit, and was returning toward the stairway with her arms full when she fell.
Owing to Mrs. Whinery's advanced age, 75 years, the injury is, of course, very serious. Mrs. Whinery is an old resident of the county, having lived for years near Bangor before coming to this city.

DORIS MOORE HERE THURSDAY.

Tomorrow Evening at the Odeon, "Peg O' My Heart"—Morosco's Production.
Doris Moore, who will interpret "Peg" at the Odeon Thursday evening in Oliver Morosco's production of Hartley Manner's Anglo-Iberian comedy "Peg O' My Heart" is the youngest of the five "Pegs" that has been touring the United States.
When it became necessary for Laurette Taylor to go to London, Mr. Morosco began looking around for a young girl to succeed her. The play was to reopen at the Lyric theater, New York City in the early fall and this made the selection of Miss Tay-

lor's successor an exceedingly difficult job. After interviewing many aspiring young women Mr. Morosco selected Miss Moore. He entered her with the understanding that she must please the critical New York public. That she did this is evidenced by the fact that he put her under a three-year contract immediately after her opening performance at the Lyric theater.
The cast supporting Miss Moore was carefully selected by Mr. Morosco personally from the best material of the six companies that toured the country in this delightful comedy last season. Odeon.

TRIBUTE TO JULIUS PAPPE.

Sioux City Journal Comments Editorially on Life of Former Business Man.
In addition to its reference in a news way to the death of Julius Pappe at the Odeon City Journal editorially has paid the following tribute to the life of Mr. Pappe:
"Julius Pappe, who died in Buffalo, N. Y., Sunday at the age of 62, during his nearly a quarter of a century residence in Sioux City, from 1888 to 1910, was typical of his town in alertness, enterprise and progressiveness. He believed in printer's ink and he did his full share toward keeping Sioux City in the public eye. He did business on the best corner of the young metropolis, and few mercantile establishments were better known to visitors. He believed in his town, and he made it his business to spread its gospel.
"The public schools of Sioux City are under obligation to Julius Pappe, who, at considerable personal sacrifice, served year after year upon the board of education and in its deliberations without stint gave of his time and his talent as a business man. He was a man of fair mind, of conservative judgment, and that his fellow members recognized him as such was proved by the regularity with which they elected and re-elected him to the presidency of the board. He was faithful and intelligent in the execution of all the duties of his office, and few names will be written higher or deeper on the scrolls of the independent district of Sioux City than that of Julius Pappe.
"Mr. Pappe was typical of the Sioux City of his day—the Sioux City for which no project was too imposing—the Sioux City whose grit was proof against all kinds of disappointments and discouragements. He came here just before the boom, shared in the prosperity of those halcyon days of corn palaces and other historic enterprises, stuck by the old town in its days of travail and, like other courageous men of the times, lived to see it come gloriously out of the slough of despond—thanks to the constancy and faith of such men as himself."

Muffins

By Mrs. Janet McKenzie Hill, Editor of the Boston Cooking School Magazine.
When muffins are on the breakfast table, nobody cares for meat or eggs and they would be served more often if this meal were not prepared so hurriedly that there is no time to make them. If K. C. the double-raise baking powder is used, the batter may be stirred up the night before, put in the pan ready for baking and nothing to do in the morning but bake them.

One-Egg Muffins

2 cups flour; 2 slightly rounded teaspoonsful K. C. Baking Powder; 1 teaspoonful salt; 1 cup sugar; 1 cup melted butter or lard; 1 egg; 1 cup water or milk.
Sift dry ingredients together three times. Add to this the unbeaten egg, melted shortening and water or milk. Then beat all together until perfectly smooth. Oil muffin or gem pans and have oven slow until the muffins come to the top of the pan, then increase the heat to bake and brown the muffins. This recipe makes 12 large muffins. Raisins or currants may be added if desired.

Graham Muffins

1 cup graham flour; 1 cup pastry flour; 2 level teaspoonsful K. C. Baking Powder; 1 to 2 level tablespoonsful sugar; 1/2 teaspoonful salt; 1 egg; 1/2 cup milk or water; 2 to 3 tablespoonsful melted butter; mix and bake as One-Egg Muffins.
Graham batter should always be quite soft to insure light and moist muffins.
To get 25 other recipes as good as these, send us the certificate packed in every 25-cent can of K. C. Baking Powder, and we will send you "The Cook's Book" by Mrs. Janet McKenzie Hill. Handsomely illustrated. Jaques Mfg. Co., Chicago.

Drunk, Loaded With "Booze" and Wealth

Had thieves come upon Charles Melberg, a former Swedish farmer of near this city, who is living here now, before the police found him drunk in West State street about 7:30 Tuesday night. Melberg would probably have been robbed of a large sum. After Officers Starn and McNamara had taken him to jail they searched him and found him fairly reeking with wealth.
The officers took from Melberg's pockets \$58.22 in cash and \$10,600 worth of certificates of deposit and promissory notes, a total of \$11,188.22. Melberg had \$2,500 in two promissory notes and \$7,100 in certificates of deposit. One of the certificates was for \$5,000.
It was said Melberg sold his farm last fall. It is supposed that he only
