One has assets of over \$1,000,000 and the other of \$725,000 loaned out on first mortgages on homes in Cedar Rapids. Our savings and loan association is young and has only \$56,000 loaned out but we are growing at the rate of \$2,000 per month and will soon be gaining at the rate of \$5,000 per month. Our earnings should make our shares just as good an investment as the shares of a Cedar Rapids building association for we are doing the same kind of a co-operative loaning business under the same state law.
