ORIGINAL NOTICE. September Term, A. D. 1915. In the District Court of Iowa, in and for Marshall County.

Milo F. Anson, Alton A. Schaffer, and Charles G. Schaefer, her husband, Edwin F. Anson and — Anson, his wife, Elma J. Mulligan and — Mulligan, her husband, Thomas B. Abell, Florence Abell Byrnes, John Braddy, Abner Wickerson, L. W. Giddings, Charles G. Merrill, George H. Jerome, Woodbury & Abell, C. M. Woodbury, Thomas B. Abell, and the known and unknown heirs, spouses, minors or insane persons claiming by, thru or under said persons above named, or any or either of said persons above named and all persons interested or concerned in Lots One (1) and Two (2) of One (1), of the Sub Division of the Southwest Quarter of the Southeast Quarter, and Lot One (1) of Lot One (1) of the Sub Division of the Southwest Quarter of the Southeast Quarter, all in Section Twenty-seven (27), in Township No. Eighty-four (84) North, Range Eighteen (18) West of the 5th P. M., Marshall County, Iowa, and the unknown claimants of said property and all persons having therein, whether known or unknown, sane or insane or otherwise incapacitated and all unknown claimants of said described real estate.

To the above named defendants and the unknown claimants of the above described land: You are hereby notified, that there is now filed in the office of the Clerk of the District Court of Iowa, in and for Marshall County, the verified petition of A. A. Moore, claiming of you the quieting of the title to Lots No. One (1) and Two (2) of Lot One (1) of the Sub Division of the Southwest Quarter of the Southeast Quarter, and Lot One (1) of Lot One (1) of the Sub Division of the Southeast Quarter of the Southwest Quarter all in Section No. Twenty-seven (27), in Township No. Eighty-four (84) North, Range Eighteen (18) West of the 5th P. M., Marshall County, Iowa, in the present owners of the lots in Electric Addition to Marshall, Marshall County, Iowa, said Electric Addition being laid out on the above described property.

That he is informed that you have or make some claim to the said property, or a portion thereof, but he avers that said claim is junior and inferior to the plaintiff's title and to the title of all the lot owners in said Electric Addition.

That the names and residences of the unknown claimants referred to are unknown to the plaintiff, and that he has sought diligently to learn the same.

The plaintiff asks as a relief that the title to said land be quieted in the lot owners of Electric Addition and be confirmed in them by decree of this court; that the apparent defects in said title, if any such there be, be corrected by said decree; that you, said defendants and unknown claimants, and each of you be barred from at any time making any claim adverse to said owners in and to said real property, or any part thereof.

Reference is made to the original petition now on file. No personal judgment is asked against any defendant. Now unless you appear and make defense thereto at or before noon of the second day of the next September term of said court, to be begun and held at Marshalltown, Iowa, on the 6th day of September, 1915, your default will be entered, and a decree rendered thereon as prayed for in said petition.

Dated this 5th day of August, 1915. A. A. MOORE, Plaintiff. By W. H. HAMMOND, His Attorney.

GOAL ON STATE FARM VALUABLE VEIN ON LAND AT KNOXVILLE AND MINE MAY BE OPENED.

PLANS TO SUPPLY OTHER STATE INSTITUTIONS Clay Products on Same Farm Being Developed — State Board Calls For Bids For New Buildings at Glenwood — Great Western Planning to Abandon Two Stations on Southern Division.

Special to Times-Republican. Des Moines, Aug. 26.—Coal has been discovered on the state farm near Knoxville and the board of control is planning on sinking a shaft and developing a mine. The vein is thirty-eight inches thick and the coal is of excellent quality.

In view of the fact that the state is operating a brick and tile plant on the farm which requires considerable coal in its operation and the institution itself consumes considerable coal in the winter time the output of the mine can be utilized to great advantage right on the farm. If it is found profitable the board may supply other of its institutions from the Knoxville mine. The railroad has run a spur to the farm and several carloads of clay products are being shipped out every day. All of the brick, tile and building block excepting the face brick used in the erection of the new buildings at the state epileptic colony at Woodward are being manufactured at Knoxville. It is estimated that a million and a half bricks will be furnished for the Woodward work.

There are 245 acres in the farm at Knoxville and it was purchased for \$170 per acre. When the farm was developed the board had in mind to raise a million and a half bricks but it was not known that there was coal of any consequence underlying the farm although it was believed there was some coal there. Recently the board has been prospecting, however, and the thirty-eight inch vein of fine quality of coal has been discovered.

Senator McColl returned today from Knoxville where he has been looking after the work on the big farm. In addition to manufacturing clay products and developing a coal mine there the board has raised some good small grain and wheat on one field averaged forty bushel per acre and on another twenty-seven. The oats threshed out sixty-eight bushels per acre. Crops on the state farms in general are good.

The state board of control is advertising for bids for the erection of a two story and basement brick addition to the main building at Glenwood at the institution for the feeble minded. Bids will be received up to Sept. 14. George Mogridge is the superintendent in charge of the institution.

Ed Chassel, former state binder and for many years a resident of Le Mars, is now located at Winnipeg, Man. Mr. Chassel is now visiting friends in Des Moines. He attended the state convention of the Governor Clarke and others yesterday. Mr. Chassel says that no war tax has been levied on land in Canada and he does not think there will be. He says that is a matter for the provinces to require and not the dominion government. If such a tax should be required it would be very small, he said.

The Chicago Great Western railroad is proposing to abandon two stations in Warren county, Churchillville and Conger, and make the stop at Marshall. A new town which has been developed at the junction of the Rock Island and Burlington, its only stopping place in that vicinity. In fact the majority of the trains do not now stop either at Churchillville or Conger. The matter will be heard before the railroad commission on Sept. 7.

The commercial association of Shenandoah is asking that the Wabash railroad provide a passenger coach on its freight trains thru their city. Earl R. Ferguson is representing the association. This matter will be heard by the commission on Sept. 14. There is also a request from Leon that the Burlington road provide a passenger coach for its freight trains.

BIG MELON FOR GAS USERS.

Des Moines Company to Refund \$115,000 to Consumers. Des Moines, Aug. 26.—By an order made late yesterday by Federal Judge Martin J. Wade, the Des Moines Gas Company will begin paying approximately \$115,000 refund money to Des Moines gas consumers on Dec. 1, 1915. The checks will bear the date of Nov. 15, 1915, under the provisions of the ruling which was made after attorneys for the city and gas company had conferred with the court in the latter's private office at the federal building. Consumers will receive their rebates in alphabetical order.

The signing of Judge Wade's order ends the famous fight on the part of the city for 90 cent gas. The case has occupied the attention of the federal court for the past five years. It was carried to the supreme court and a decision rendered by that tribunal a few months ago affirming the decision of the lower courts giving Des Moines gas at 90 cents per 1,000 cubic feet.

The order permits the company to make the refund directly to each consumer entitled to it instead of forcing both the company and consumer into court although the entire matter will be transacted under the supervision of the federal court.

BUSINESS COLLEGE TANGLE.

New Owner Finds Many Outstanding Scholarships Paid For. Webster City, Aug. 26.—A business meeting was held at the rooms of the Webster City Business College at which Messrs. Gates, Plummer and Tier, of Waterloo, were present. W. L. R. Perry, president of the commercial league, and Acting Secretary W. B. Root were present. This was a called meeting of these gentlemen and W. B. Barger, of Des Moines, who failed to appear to meet with patrons of the school who hold unexpired scholarships for the college, bought and paid for last spring and winter, some calling for nine, others for six and others

I believe these sheep herders killed him in the belief he had money. When they found he did not have much money in his pockets they did not molest his clothing or the small change in his pockets for fear of exciting suspicion. These Mexicans are a sharp lot and they would be smart enough not to take a watch or any small amount of money if they thought by doing so they could avert suspicion."

WRITES FOR FULL DETAILS.

Mr. Jones wrote yesterday to County Clerk Ballow asking him to furnish all the details he could in connection with the finding of the skeleton. Mrs. Entwistle will communicate with her brother in Texas, who will likely go to New Mexico and claim the remains. Besides a copy of the newspaper, six collars, size 15, were found near by. They were marked "Haigh." A black felt hat was found. This was of good quality and had two rows stitched around the brim. It was said to be with a 7 in size. A half dozen linen handkerchiefs marked with letter H were among the baggage. The clothes were black or dark brown with a white silk stripe about an inch and a half apart. The clothes were of fine texture. There was on the dead man a light shirt with pleated bosom and a grey wool sweater. Other articles were clothes brush, shaving brush, razor and Dutch silver match box.

GRINNELL AND VICINITY.

Special to Times-Republican. Grinnell, Aug. 26.—L. D. Forehand of this city, started this morning for a visit of indefinite length at the home of his daughter in Rapid City, S. D. Returning he plans to come to Omaha and from there to go into Nebraska to visit a brother, who is in poor health and whom he has not returned to visit for twenty years. Rev. and Mrs. H. L. Wissler bade goodbye yesterday to their many friends made in an eight years' pastorate in Chester and started for their new home in Jewell.

Mr. and Mrs. Henry T. Chapin are again in their pleasant home on Park street after an absence of several weeks spent pleasantly in Colorado Springs and in a visit at the home of Mr. Chapin's brother in Wisner, Colo. Both Mr. and Mrs. Chapin have improved in health from the change of climate.

Henry M. Bray is planning to start this week for a short visit to his old home in New Hampshire. He will stop first in Vermont. His extensive farm and stock interests here prevent his making a long stay. Miles Hodgdon contemplates accompanying him. Both are old war comrades and both came from about the same New Hampshire
