Chalmers Six-40 \$1350 Seven Passenger Drive This Car Yourself! Arrange for a Labor Day Demonstration and Take the Ladies of Your Family Along The Chalmers Six-40 seven-passenger touring car has the wonderful valve-in-head motor with overhead camshaft which is taking the public by storm just as the same type of motor swept everything before it at this year's speedway races. The Labor Day holiday offers you the opportunity to drive this car yourself. Arrange with us for demonstration on that day and take the ladies of your family along. After all, they are the real judges of style, beauty and comfort in a motor car and will be interested in its artistic "coach" finish, aristocratic fenders and smart wheels. You're the best judge of its mechanical features. Step on the Accelerator Notice the "trigger quick" response. Feel the thrill as it leaps away with the strength of its 20% more power. You will realize that you have a real power plant at your command. Listen to the Motor It has a healthy purr. When you get behind the wheel of this car you experience a sensation of having surplus power. You will gain a genuine affection for both the sound and feel of this motor. There is nothing like it in any other American stock car. Ask the Ladies About Comfort We believe that this is the easiest riding motor car ever built but we are willing to abide by the decision of the ladies after they sit in it, or better still, ride in it. We already have many demonstrations booked ahead. See us today or telephone for a demonstration appointment. Then you will understand why the Chalmers Company shipped more cars in July and August than in any two previous months in its history. New Service to Owners The only companies ever made with Chalmers cars are made with higher priced cars—either foreign or American. And this is especially true of the Chalmers Six-40 at \$1350—the lowest price at which Chalmers Quality has ever been sold. The Chalmers Club Every Chalmers owner is invited to join the Chalmers Club. Every member receives regularly published news, a membership card, and a certificate of membership, all by the courtesy of Chalmers representatives.
