What Cures Eczema?

We have had so many inquiries lately regarding Eczema and other skin diseases, that we are glad to make our answer public. After careful investigation we have found that a simple wash of Oil of Wintergreen, as compounded in D. D. D. Prescription, can be relied upon. We would not make this statement to our patrons, friends and neighbors unless we were sure of it—and although there are many so-called Eczema remedies sold, we ourselves unhesitatingly recommend D. D. D. Prescription. All druggists have D. D. D. in stock. Drop into our store today, just to talk over the merits of this wonderful Prescription. Ask about D. D. D. Soap.

TODAY'S BEAUTY HELPS

Nothing excites more criticism than a woman with her face all daubed with face powder in her desire to hide a faulty or an aged skin. Instead of using powder, which clogs and enlarges the pores, it is far better to use a good face lotion that will improve and permanently benefit the skin. By dissolving four ounces of spumax in a half pint of hot water you can make an inexpensive lotion that will do wonders as a skin whitener and complexion beautifier. It removes all shininess, sallowness and roughness, and gives the skin a smooth, velvety tone, while it does not rub off easily like powder, nor does it show on the skin.

By washing the hair with a teaspoonful of canthrox dissolved in a cup of hot water, afterward rinsing thoroughly with clear water, one finds that it dries quickly and evenly, is unstreaked, bright, soft and very fluffy, so fluffy, in fact, that it looks more abundant than it is and so soft that arranging it becomes a pleasure. This simple, inexpensive shampoo cleanses the hair and scalp thoroughly of all dandruff and dirt, and leaves a clean, wholesome feeling. All scalp irritation will disappear, and the hair will be brighter and glossier than ever before.

Tom Coyne, with the Tango Queens, a Jodelite musical burlesque company, to the Odeon theater for two days, Tuesday and Wednesday. Matinee daily.

Moines for a visit with relatives. Rev. Henry Horton was in Marshalltown Thursday to visit his brother, Rev. Thomas Horton, of Oskaloosa.

AN EASY WAY TO END CATARRH FOREVER

Simple Home Treatment Destroys the Germs of This Dangerous Disease.

The reason why so many people who suffer from Catarrh never seem able to get cured is that they are continually seeking the momentary reliefs of sprays, douching, greasy creams, ointments, etc. Such things do open up the swollen nostrils and clear the head temporarily beside stopping for a while the disgusting blowing, hawking, spitting and choking, but they never cure. To drive out Catarrh for good you have got to get down to its real cause. Catarrh is a germ disease. The air is always full of catarrh germs thrown off by one person and absorbed by another and when the system does fall to throw off such germs they find permanent lodgement in the nose, throat and head and multiply rapidly.

The germs of catarrh can best be destroyed by inhaling the pure medicated air of Hyomel (pronounced High-ome). This splendid and powerful combination of oil of Eucalyptus with other healing agents has a wonderful germicidal action. You breathe its air into your nose, throat and lungs by means of a small hard rubber inhaler which A. T. Elder, Marshalltown, and other leading druggists in this vicinity supply with every complete treatment. This medicated air is certain death to the germs of catarrh and drives them completely out of your system and when the germs are destroyed the catarrh with all its disagreeable symptoms will stop. Even two or three minutes use will give refreshing relief while if you use it two or three times a day for a few weeks it will completely banish catarrh and every symptom of catarrh. As Hyomel is pleasant to breathe and is always sold by druggists everywhere with a positive guarantee of successful results or money back, such as Catarrhal sufferer should go long before trying this simple home remedy.
