**Valuable Discovery in Complexion Beautifier**

Because of its peculiar power of absorption, also because it serves every emollient purpose, ordinary mercerized wax is perhaps the most valuable complexion beautifier discovered within recent years. If one uses this she needs no toilet cream. Some use powder afterward, but this is not necessary. This rule for applying mercerized wax has been found very satisfactory: Wash the face with warm water, drying lightly. Before thoroughly dry, anoint the face with the wax, but don't rub it in. The favorite way is to use before retiring, allowing it to remain on all night and washing it off in the morning with warm water. All druggists have this wax in original one-pound packages. For the removal of a wrinkled or flabby condition there's nothing better than to bathe the face in a solution made by dissolving 1 ounce powdered saxolite in 1/2 pint witch hazel. Beneficial results are quickly noticeable.

D. Dennis, and C. E. Luce, and Misses Gertrude Ralston, Mildred Luce, and Dorothy Houghton. Following the dinner a pleasant evening was spent with games and other amusements. Mesdames J. E. **FOUND DEAD IN BED.**

George Hughes, of This City, Dies Suddenly at Norwalk. George Hughes, single, and about 40 years of age, a cement worker of this city, was found dead in bed in his room at Norwalk, according to a telegram received this morning by Sheriff J. G. Edgar. The message asked that Frank Hughes, brother of the dead man, be notified. Frank Hughes lives at 519 South Fifth street. No particulars of the man's death were given in the telegram to the sheriff. Hughes had gone to Norwalk to work in a gang employed by John A. Matson, of this city, a cement contractor, who is doing some cement work on a new school building erected by C. F. Reimer of this city.

**GALLANT SECOND TO HOLD REUNION HERE**

**SURVIVORS OF SECOND IOWA CAVALRY TO MEET IN THIS CITY NEXT WEEK.**

**SIXTEEN OF REGIMENT ARE STILL LIVING HERE**

Commandant Horton, of Soldiers' Home, Formerly Commanded Regiment, and Quartermaster H. J. Bennett is President of Reunion Association—Oct. 20 and 21 Dates.

Marshalltown will have as guests two days next week the survivors of the gallant Second Iowa cavalry, whose record for accomplishment and bravery on the field of battle stands second to none among Iowa regiments. There are now living about 300 of the 2,400 men who saw service with the regiment. Of this 300 sixteen live in this city or are members of the soldiers' home. Wednesday and Thursday, Oct. 20 and 21, are the dates chosen for the reunion. H. J. Bennett, quartermaster of the soldiers' home, is president of the reunion organization, which is known as the Second Iowa Cavalry Veterans' Association. Since the last reunion at West Liberty, a year ago, the other two officers of the association have died. They were Albert M. Adams, of Humboldt, vice president; and William F. Eshbaugh, of Tama, secretary and treasurer.

Meet in East Court Room. The business meetings of the association will be held in the east court room, the atmosphere of which is in keeping with veterans' gatherings from the fact that it is the headquarters of the local G. A. R. post. There will be no fixed program for the gathering, as the main object is for the members to get together for a visit and to swap yarns and recollections of the misty past. A dinner will be enjoyed at noon on Thursday. This will probably be held at the Y. M. C. A.

In order to do its part in extending a welcome to the veterans the Marshalltown Club will attempt to stimulate a movement to decorate Main street and business houses with the nation's colors, and expects to secure enough automobiles to take the members of the association on a drive about the city. The soldiers' home will be the chief point of interest among the association members.

Served Thruout War. The Second Iowa saw full service, having been mustered into the service on the call of President Lincoln on Sept. 28, 1861, at Davenport, and being mustered out Sept. 19, 1865, at Selma, Ala. C. C. Horton, now commandant of the regiment during the latter part of its service, ranking as lieutenant colonel.

Sixteen Members Here. Including Colonel Horton and President Bennett, of the association, there are sixteen survivors of the regiment living in this city and the soldiers' home. Most of them are in the home, in the persons of C. H. Brock, of the headquarters building, who is assisting President Bennett in the arrangements for the gathering; C. C. Cutler, John Feld, L. F. Stoddard, John Craig, A. B. Beaver, Austin Park, John Stahl, John McClard, and A. Hayden. The other survivors, residents of the city, are A. M. Clark, L. McKinnon, J. B. Brush, and H. B. Hayden.

This famous ballad opera, which scored an instantaneous success, has a permanent hold on public affection, for its story is pretty, romantic and is attractively told, while the music is so tuneful that it has endeared itself to melody lovers everywhere. The all-star revival comes to the Odeon Theater Saturday, matinee and night, and is said to be the best cast production of this world's favorite heard in this country, Odeon.

**ELEVEN CHILDREN HEIRS.**

Unusual Family to Participate in Father's Property. Henry C. Niedert, of State Center, who died about a month ago, was the father of eleven children who had grown up. Niedert's will was admitted to probate in the district court Tuesday afternoon. In it he made his eleven children the final beneficiaries of his entire estate. They will share in it equally under his bequest. The widow, Mrs. Mary Niedert, who was nominated executrix without bond, was bequeathed a life interest and use of the property with the right to sell it. At her death it is bequeathed to the eleven children, share and share alike. **ADDING TO GAS SERVICE.**

Iowa Railway and Light Company Extending Main to Third Ward. Three-quarters of a mile of six-inch gas main to serve the Third ward and relieve the heavy demand that the large main north of Main street is called on to supply, is being laid into the Third ward by the Iowa Railway and Light Company. A six-inch main that ended at Center street is being extended west in Nevada street to Fifth street, and from there north to near Fifth and State streets. There it

will connect with the large main that serves the territory north of Main and some of the territory south of that street. The extension will greatly relieve the main in the Second ward and is expected to give better pressure in certain districts of that ward. The work will be finished in about ten days.

**STOCK SALE HELD.**

Small Crowd at Shorthorn and Poland China Sale Tuesday.

Only a small crowd of bidders attended the sale of twenty-three Shorthorns and fifty Poland China hogs held Tuesday afternoon at Plumb Bros. sale pavilion. George H. Lewis, E. C. Wetherbee, Jr., and Charles E. Ward were contributors to the sale. Bad weather was thought to have kept many away from the sale.

The cattle sold best, the top price for one of eighteen cows being \$150. The cows averaged a little over \$100, while the five bulls sold for an average of a trifle under \$100. The cattle totaled approximately \$2,200. Of the fifty hogs offered for sale, only twenty were disposed of. Bidding was rather light. Two hogs sold for \$31 each, the highest price, while a sow and pig brought \$40. The average price secured for the hogs was somewhat over \$20. Four hundred dollars was the total amount secured for the twenty hogs sold. Several buyers were at the sale from Iowa Falls, Grinnell, Gladbrook, and other nearby towns.

**CAMPAIGN PROGRESSING.**

Y. W. C. A. Workers Busy Securing New Members.

Because all of the canvassers had not reported up to noon today, it was impossible to obtain definite figures on the result of the first days work in securing new members for the association.

The Y. W. C. A. believes that if the young men's association is able to show a membership of from 700 to 800 adults at from \$12 to \$16 per year, it should be able to secure a greater number at \$1 each.

**GETS PRISON SENTENCE**

John F. Kennedy, Who Was Shot by Detectives and Later Claimed to Have Taken Poison, Goes to Leavenworth For Eighteen Months.

John F. Kennedy, who would rather die than go to prison, and who, according to his own statement and his physician's belief made an attempt to die by the poison route, will go to prison instead.

In the federal court at Cedar Rapids Judge Reed sentenced Kennedy to eighteen months at the federal prison at Leavenworth, Kan.

Kennedy was charged with breaking the seal of a merchandise car engaged in interstate traffic, which is a federal offense. He was arrested by Chicago & Northwestern detectives after he had jumped from the car and attempted to get away. One of the detectives shot Kennedy thru the leg and he jumped into Linn creek in an attempt to escape. Later, while in jail, he took poison, which he claimed was bichloride of mercury, and was very sick for a few days.

**LOOK AT CHILD'S TONGUE IF SICK CROSS, FEVERISH**

HURRY MOTHER! REMOVE POISONS FROM LITTLE STOMACH, LIVER, BOWELS.

GIVE "CALIFORNIA SYRUP OF FIGS" AT ONCE IF BILIOUS OR CONSTIPATED.

Look at the tongue, mother! If coated, it is a sure sign that your little one's stomach, liver and bowels need a gentle, thorough cleansing at once.

When peevish, cross, listless, pale, doesn't sleep, doesn't eat or act naturally, or is feverish, stomach sour, breath bad; has stomach-trouble, sore throat, diarrhoea, full of cold, give a teaspoonful of "California Syrup of Figs," and in a few hours all the foul, constipated waste, undigested food and sour bile gently moves out of its little bowels without griping, and you have a well, playful child again.

You needn't coax sick children to take this harmless "fruit laxative"; they love its delicious taste, and it always makes them feel splendid. Ask your druggist for a 50-cent bottle of "California Syrup of Figs," which has directions for babies, children of all ages and for grown-ups plainly on the bottle. Beware of counterfeits sold here.
