BREAK A CHILD'S COLD BY GIVING SYRUP OF FIGS

LOOK, MOTHER! IS TONGUE COATED, BRATH FEVERISH AND STOMACH SOUR? CLEANSE THE LITTLE LIVER AND BOWELS AND THEY GET WELL QUICKLY.

When your child suffers from a cold don't wait; give the little stomach, liver and bowels a gentle thorough cleansing at once. When cross, peevish, listless, pale, doesn't sleep, eat or act naturally if breath is bad, stomach sour, give a teaspoonful of "California Syrup of Figs," and in a few hours all the clogged-up, constipated waste, sour bile and undigested food will gently move out of the bowels, and you have a well, playful child again.

If your child coughs, snuffles and has caught cold or is feverish or has a sore throat give a good dose of "California Syrup of Figs," to evacuate the bowels no difference what other treatment is given. Sick children needn't be coaxed to take this harmless "fruit laxative." Millions of mothers keep it handy because they know its action on the stomach, liver and bowels is prompt and sure. They also know a little given today saves a sick child tomorrow.

Ask your druggist for a 50-cent bottle of "California Syrup of Figs," which contains directions for babies, children of all ages and for grown-ups plainly on the bottle. Beware of counterfeits sold here. Get the genuine, made by "California Fig Syrup Company."

Buren will give an address for both men and women on "Your Town and its Improvements," illustrated with stereopticon slides. Thursday morning she will speak to the high school students and faculty on "The Teaching of Civics," at the high school. There will also be a lecture for grade schools on "A Boy I Knew and His Town," the date and place to be announced later. Miss Van Buren comes highly recommended from various parts of the country where she has been. The lectures are all free.
