

# TOWN FEEDS 8,000

## VILLAGE OF WEST LIBERTY BREAKS RECORD AS HOST AT BARBECUE.

### EIGHT THOUSAND PARTAKE OF FOUR ROASTED BEEVES

#### United States Marine Band Gives Concert and Parade in Costume is Witnessed—Event Arranged to Celebrate Completion of New Paving and Installation of Electroliner System.

West Liberty, Nov. 3.—All records for municipal hospitality, as compared to the population of the entertaining city, went by the board yesterday when West Liberty entertained 10,000 out of town guests at her big celebration, barbecue and carnival in commemoration of the first step taken by the little city in her march of progress. From early morning until late afternoon they came, by train, automobile, old style conveyances, such as surreys, phaetons and buck boards, and many trudged in afoot to be present and to participate in the merry making.

At 11 o'clock the chef announced that the four big oxen that had been roasting on their spits, were done, and the serving of the barbecue was commenced immediately. Over 200 people were pressed into service to help in serving, fifty girls from the high school, fifteen West Liberty ladies and the remaining number made up of volunteer men and boys. The banquet was not finished until nearly 2 o'clock, and 8,000 people had been served.

#### U. S. Marine Band Plays.

In the afternoon the United States Marine Band gave a concert and the football teams of Iowa City and West Liberty high schools struggled for supremacy on the gridiron.

At 3 o'clock a mammoth parade of gaily and fancifully decorated floats, automobiles and pedestrians, circled about the streets. Four prizes, two firsts of \$10 each and two seconds of \$5 each were given to the best decorated floats and autos.

At night the town was turned over to the spirit of revelry, and confetti battles and merry making was the order of the evening. A big burlesque parade passed about town with all the participants in costume.

#### Town Beautifully Decorated.

West Liberty was in gala dress. Festoons of bunting, gaily striped and colored flags, flowers and everything that might possibly be used for effective decorations, greeted the visitor upon his arrival. The perspective was beautiful, and the strains of the band, along with the happy, carefree crowds, made an ideal setting for the greatest event in the history of the town.

The celebration was held in commemoration of the completion of the new paving, West Liberty's first, and of the installation of the beautiful boulevard lights. It was an event that will go down in the annals of the town as the date when all records for hospitality were broken. Everything was free. The motion picture houses, admission free, played to packed houses. The football game attracted a large crowd, and a constant audience of thousands listened to the band.

The entire affair cost a total of about \$15,000, subscribed by the merchants.

#### Grinnell and Vicinity.

Special to Times-Republican.  
Grinnell, Nov. 3.—Will Foster is still seriously ill from the blood poisoning in his hand that came from the striking of the hand on a hay fork as he and his father were handling a load of hay. It was not at first thought that serious injury had been done, but a few days infection became marked and grave fears have been felt that the arm might have to be amputated. It is now hoped that this may be avoided.

The season's work is over for the Grinnell Garden Club so far as results for this year are concerned. The meeting of Saturday summed up the points upon which prizes were awarded with the following results: In the fifth grade Lucile Hays came first with 524 points, Hesper McBlain second with 453 points, and Irlene Teasdale with 302. In the sixth grade Earl Vanderveer was credited with 393 points, Guy Harrington with 264, and Lawrence Simmon with 339½. Wynona Braley led in the seventh grade with 469 points, Francis Paul was second with 398 points, and Elizabeth Conrad showed 364 points. In the eighth grade Walter Pottle stood first with 342 points, Dorothy Ross came second with 327 points, and Warren Hoyt scored 307 points. Bulbs for fall planting were given out on Saturday, crocus, snowdrops, tulips and iris, so that spring blossoms will be on hand early to stimulate desire in all who made gardens this season to renew their efforts next year and improve upon present results. It is confidently expected by the promoters of this form of education that many new gardeners will be developed next year and that the range of cultivation and the number of species will be much enlarged.

# TOLEDO MILL BURNS

## FIRE COMPLETELY DESTROYS ONE OF PIONEER INSTITUTIONS OF CENTRAL IOWA.

### KENNER & SON, OWNERS, MEET WITH HEAVY LOSS

#### Building Valued at \$8,000—Considerable Grain, Flour and Feed Destroyed—Insurance Less Than Half—Mill Once Had Site on Creek Three Miles From Town.

Special to Times-Republican.  
Toledo, Nov. 3.—Fire last night completely destroyed the Toledo flour mill, with its contents. This mill was one of the early institutions of this part of Iowa. The origin of the fire is not known. The interior was ablaze when the fire was first observed at 8:30 o'clock, and at 9:30 the flames had completed their work of destruction.

The mill was owned by G. W. Kenner & Son, and was valued at \$8,000. There was considerable flour, feed and grain stored in the building, and this also was a total loss. The owners carried insurance of less than half, and are undecided as to whether or not they will rebuild.

The burned structure was formerly the Monticello mill, built by Giger & Hill in an early day, and occupied a site on a creek three miles from town. In 1891 the mill was destroyed by fire but was rebuilt, and ten years later was moved to town and operated by steam power. Kenner & Son have owned it for four years.

The fire for some time threatened the saw cannery, but this building was saved thru the efforts of the firemen.

#### SCHOOLING FOR CRIPPLES.

#### Children Under Free Treatment at Iowa City 15.

Special to Times-Republican.  
Iowa City, Nov. 3.—Crippled Iowa children, taking the university hospital treatment here, under the Perkins law, were initiated into something not written in that law today, and will be favored thereby hereafter. The department of education at Iowa university, will conduct classes for the benefit of the thirty youngsters here, whose ages are from 5 to 16. They will be taught regularly, while in Iowa City, in order that their minds as well as their bodies may be cared for while they are away from home. Dr. Van Horn and Instructor Leo Bruckner of the department of education, will be in charge of this work of mercy.

#### URNS HOUSE INTO FORT.

#### Jealous Man Murders Robert Brewster at Pleasant Grove and Defies Officers.

Preston, Nov. 3.—Sheriff Blewrod is gathering a posse to go with him to an abandoned farm house near Pleasant Grove in the northwest part of the county, to take Bennett Smith, aged 21, who has fortified himself there. Smith had killed Robert Brewster, who had just come back from Idaho to his mother's funeral, and was talking to his father and to Mary King, a neighbor girl and Brewster's fiancée, when Smith walked in and shot young Brewster in a fit of jealous rage. Smith immediately armed himself heavily and fled. Young Brewster will be buried with his mother.

#### Bronchitis.

When a severe cold settles on the lungs it is called bronchitis. There is danger of its leading to bronchial pneumonia, and for this reason it is always best to go to bed and take Chamberlain's Cough Remedy as directed until well along towards recovery. Mrs. Charles E. Woodard, Sandy Creek, N. Y., writes: "Chamberlain's Cough Remedy cured me of bronchitis last fall. When I began using it I was so hoarse at times that it was difficult for me to speak above a whisper. I resorted to the use of this valuable medicine and found it very soothing and healing. In a week's time I was well." Obtainable everywhere.

#### BRIAND, SOCIALIST, IS NEW PRIME MINISTER OF FRENCH REPUBLIC

#### REDDING GIRL BURNS TO DEATH.

Leona Reidlinger, 13, Pours Oil From Can on Fire.  
Redding, Nov. 3.—Leona Reidlinger, the 13-year-old daughter of Mr. and Mrs. John Reidlinger, proprietor of a meat market here, died as a result of injuries received Saturday when a coal oil lamp exploded. Miss Reidlinger believed the kitchen fire had gone out and was pouring the oil into the stove when there was an explosion. C. Geiger, a garage man, extinguished the flames by wrapping a blanket about the girl, but she already had received fatal burns.

#### IOWA GIRL DROWNED.

Miss Gladys Anderson, of Albia, Loses Life in California.  
Albia, Nov. 3.—A message received here says that Miss Gladys Anderson, formerly of this place, was drowned in the river near Sacramento. Miss Anderson was very prominent here, and was expected to arrive soon on a visit. She is the daughter of A. L. Anderson, who is the editor of the Albia Union.

#### Fatally Kicked by Horse.

New Market, Nov. 3.—A young son of Mr. and Mrs. John Shaver of this place was kicked in the face by a horse Sunday and is not expected to survive his injuries.

The lad's face was horribly mutilated by the horse's hoofs and it is believed that his skull was also crushed. The boy chanced to be standing just where he received the full force of the blow. He has been unconscious since the injury.

#### Dam Election to Proceed.

Special to Times-Republican.  
Fort Dodge, Nov. 3.—Judge R. M. Wright in ruling on the petition for an injunction to restrain the city from holding the municipal dam election next Monday, rules against the petitioners and the election will proceed.

#### Infantile Paralysis Kills Boy.

West Side, Nov. 3.—The 4-year-old son of Mayor Cassel is dead of infantile paralysis and two other cases are reported from near town. The schools and churches have been closed.

# KATHERINE MACY TO WED.

## Daughter of Grinnell Educator to Become Bride of Illinois Professor.

### Special to Times-Republican.

#### AGED CONRAD WOMAN DEAD.

Special to Times-Republican.  
Toledo, Nov. 3.—Mrs. Samuel Coulter, aged 84, survived by husband and ten children. Special to Times-Republican.  
Conrad, Nov. 3.—Mrs. Samuel Coulter, one of the early pioneers of this vicinity, died at midnight Tuesday.

Mrs. Coulter was 84 years of age and is survived by her husband, who is 92 years of age, and by ten children, five and Mrs. Coulter resided on a farm near here many years, but of late have been living in town. Mrs. Coulter had been an invalid several years.

The surviving children are F. M. Coulter, of Conway Springs, Kan.; Moses, Aaron and Leo Coulter, of Conrad; Mrs. Emily Dickerson, of South Dakota; Mrs. Ralph Sanders, of Rhode; Mrs. L. H. Suter, of Salem, Ore.; Mrs. Joseph Stegert, of Marshalltown; Mrs. Florence Fetters, and Mrs. Will Stackhouse, of Conrad.

#### Going Down Only \$36,050.

The secretary of the interior, Franklin K. Lane, has announced that radium production in Colorado has passed the experimental stage. It is further explained that a gram of radium metal, produced during March, April and May of this year, cost \$36,050. Radium has sold for as much as \$116,000 a gram.

#### The Other Way Round.

While out for a walk, Pat and Mike saw an animal in a tree.

"Sure now," said Pat, "I never saw a rabbit up a tree before!"

"That's no rabbit," replied Mike.

**LEWIS SINGLE 5c CIGAR**

The minute you light your first one you'll start cutting your smoke bill just in half. Expect a lot—you'll see it costs you fewer cents than any other 5c cigar he has ever had his customers stick to.

The high quality is always uniform—the tin-foil package preserves the flavor.

# Business is booming!

**Dayton, Ohio.**

Merchants everywhere tell our 800 salesmen that business is booming.

Farmers have had two record crops, at big prices, with big demand at home and abroad.

Stocks of manufactured material are short, and labor is in great demand.

Exports largely exceed imports.

Factories are busy, many working overtime.

More freight cars are needed, and steamers are taxed to capacity.

People are living better, and spending their money more freely.

This country has the best money in the world, and more of it than ever before.

Such a combination of favorable circumstances never has occurred before, and probably will never occur again.

Billions of dollars are passing over the merchants' counters.

The people who spend this money want the best service.

They demand it in all kinds of stores, from the smallest to the largest.

They get it in stores which use our up-to-date Cash Registers, which quicken service, stop mistakes, satisfy customers, and increase profits.

Over a million merchants have proved our Cash Registers to be a business necessity.

# COMB SAGE TEA IN HAIR TO DARKEN IT

## IT'S GRANDMOTHER'S RECIPE TO KEEP HER LOCKS DARK, GLOSSY, THICK.

The old-time mixture of Sage Tea and Sulphur for darkening gray, streaked and faded hair is grandmother's treatment, and folks are again using it to keep their hair a good, even color, which is quite sensible, and we are living in an age when a youthful appearance is of the greatest advantage.

Nowadays, though, we don't have the troublesome task of gathering the sage and the musky mixing at home. All drug stores sell the ready-to-use product called "Wyeth's Sage and Sulphur Compound" for about 50 cents a bottle. It is very popular because nobody can discover it has been applied. Simply moisten your comb or a soft brush with it and draw this thru your hair, taking one small strand at a time; by morning the gray hair disappears, but what delights the ladies with Wyeth's Sage and Sulphur is that, besides beautifully darkening the gray hair after a few applications, it also produces that soft lustre and appearance of abundance which is so attractive; besides, prevents dandruff, itching scalp and falling hair.
