

How To Get Rid of a Bad Cough

A Home-Made Remedy that Will Do It Quickly, Cheap and Easily Made

If you have a bad cough or chest cold which refuses to yield to ordinary remedies, get from any druggist 2 1/2 ounces of Pinex (50 cents worth) pour into a pint bottle and fill the bottle with plain granulated sugar syrup. Start taking a teaspoonful every hour or two. In 24 hours your cough will be conquered or very nearly so. Even whooping cough is greatly relieved in this way.

Before the railroad commissioners of the state of Iowa. To the citizens of Marshalltown, Iowa. To the citizens of Story county, Iowa.

You and each of you are hereby notified that Iowa Railway Light & Power Company has filed a petition with the board of railroad commissioners of the state of Iowa for a franchise for the construction of a transmission line for the conducting and transmitting of electricity to be used for lighting power and heating purposes from the west corporate limits of the city of Marshalltown, Iowa, to the east corporate limits of the town of Colo, Iowa, and from the west corporate limits of the city of Nevada, Iowa, to the east corporate limits of the town of Colo, Iowa, and for the right to acquire such interest in the real estate hereinafter described as may be necessary for the construction, reconstruction and operation of said transmission line upon and over said real estate, said real estate being described as follows, to-wit:

A strip of land of the uniform width of twenty-five (25) feet parallel to and abutting upon the north boundary line of the Chicago & Northwestern railway right of way, beginning at the west corporate limits of the city of Marshalltown, Iowa, and extending easterly to a point approximately seven hundred (700) feet east of the west line of section two (2), township eighty-three (83) north, range nineteen (19) west of the 5th P. M., thence north approximately one hundred seventy (170) feet from the northern boundary line of said section two (2) to an intersection with a public highway running in a northeasterly direction; thence southwesterly along said public highway to an intersection with the north boundary line of the right of way of the Chicago & Northwestern railway; thence westerly along the said northerly boundary line of the Chicago & Northwestern railway to a point where said boundary line intersects a public highway running in an east and west direction approximately five hundred (500) feet west of the east boundary line of section four (4), township eighty-three (83) north, range nineteen (19) west of the 5th P. M., and located on the north line of said section four (4); thence over, along and upon said public highway approximately eighteen hundred forty (1,840) feet to its intersection with the northerly boundary line of the Chicago & Northwestern railway right of way; thence west along said northerly boundary line of the Chicago & Northwestern railway to an intersection with a public highway running east located on the south line of section ten (10), township eighty-three (83) north, range nineteen (19) west of the 5th P. M., thence south along the west corporate limits of the town of Colo, Iowa, to its intersection with the northerly boundary line of the Chicago & Northwestern railway right of way.

And also a strip of land of the uniform width of twenty-five (25) feet parallel to and abutting upon the northerly boundary of the Chicago & Northwestern railway, beginning at the west corporate limit of the city of Nevada, Iowa; thence to the east corporate limit of the city of Ames, Iowa.

You are further notified that the board of railroad commissioners will meet at its office in the Capitol building at Des Moines, on the 18th day of November, A. D. 1915, at the hour of 10 o'clock in the forenoon for the purpose of hearing all objections to the location of said transmission line and the right of way therefor along and upon the route hereinbefore described, and for the purpose of selecting another and suitable route for the location of said line and right of way therefor, if any portion of the aforesaid route is by the board found unsuitable, and to make the final order granting the application for the franchise for the construction of said transmission line and establishing and locating the route over which said line is to be constructed.

BOARD OF RAILROAD COMMISSIONERS OF THE STATE OF IOWA.

By George L. McCaughan, Secretary.

BOWLES CAN'T EXPLAIN

YOUNG MAN WHO DISAPPEARED LAST JUNE TELLS VAGUE STORY.

DOES NOT OFFER REASON FOR SUDDEN DEPARTURE

Was to Have Been Married and Bride and Parents Conduct Nation-Wide Search—Father Gave Up Business in Order to Seek Missing Son—Bowles Now at West Branch With Relatives.

Cedar Rapids, Nov. 4.—Andrew K. Bowles, farm worker, whose mysterious disappearance from the home of his employer near Whittier on June 24 started a country-wide search that has continued to some extent ever since, appeared early Tuesday at the former home of his parents near Galena, Kan. Immediately he came on to Iowa, reaching West Branch late Tuesday.

Levi Bowles, father of the young man who gave up his business in Kansas to aid in the search for the young man, is now with his son. The elder Bowles following his decision to come to Iowa to aid in conducting the search for the last three months has been superintendent of the Friends' school near West Branch, and it is at that institution that the younger Bowles is today.

Bowles has not, it is said, given any connected account of his disappearance, the factors that were responsible for it, nor where he has been since June 24. He has shown a tenacious and decidedly reticent regarding the incident, and beyond fragmentary statements hinting at foul play, has had little to say.

Disappeared Mysteriously. It will be remembered that Bowles left the home of his employer, Lewis Stanley, at Whittier, at the time he was driving a colt which he was endeavoring to break to harness. When he failed to reappear at the home of his employer on the evening of his disappearance no particular alarm was given, but when his absence continued until Friday evening his friends became anxious concerning his safety and started a search for him.

The horse and vehicle which Bowles had when he left the home of Mr. Stanley were found within three miles of Marion. The horse was grazing by the side of the road and did not have the appearance of having been either in a runaway or in an accident. However, certain of Bowles' personal belongings were found in the road and these led his friends to believe that he either had been the victim of foul play or that an accident had befallen him.

Search Was Started. A country-wide search for Bowles was begun and the entire countryside in the vicinity of the accident was combed for some time. It was the hope of some that the man who had been seen in the vicinity of the accident was the same man who had been seen in the vicinity of the accident.

Bowles' parents in Galena, Kan., were notified and they came to Iowa. All Friends' communities in the United States were enlisted in the wider search and other means were resorted to in the attempt to locate the young man, but no definite clues were unearthed and he was not heard of until he appeared this week at his Kansas home.

Faith Is Rewarded. The parents of Bowles, and Miss Ada Coppock to whom he was to have been married this autumn, have been searching in their belief that the man would be found. They were firmly of the belief that his disappearance was not of his own volition and held to the theory that there had been foul play of some sort in connection with the incident. They never had given up hope of again finding him and his reappearance has rewarded their belief.

Various theories have been advanced from time to time since Bowles' disappearance and on at least one occasion the announcement made by a local newspaper that Bowles' body could be found in the Cedar river brought out a prolonged search in the vicinity indicated by the man of visions. This led, like others, failed to develop tangible results and the majority of people who had followed the search had given up hope of any trace of Bowles being discovered.

NEGROES TO ORGANIZE BAND.

Colored Organization of Mason City to Consist of Twenty Pieces.

Mason City, Nov. 4.—Plans for the organization of a colored band of twenty pieces are being outlined by F. Caldero Fields, and the first rehearsal of the band will be held as soon as the instruments arrive in the city. Mr. Fields who is a graduate of the Canadian Conservatory of Music, at Winnipeg, came to this city recently and is employed at the City National barber shop.

Mr. Fields, who is to direct the new band stated this morning that the instrumentation of the new band would be as follows: One piccolo, three clarinets; one bassoon; two saxophones; three B flat cornets; three French horns; one baritone; two trombones; two bass and drums.

News of Greene. Greene, Nov. 4.—F. W. Hesselrod has traded the Pioneer harness shop for a Dakota farm and will retire from the business. The new owner is T. N. Mathias, of Milwaukee, who travels for the Waterloo Saddlery Company, of Waterloo. He will employ Henry Wilkins who has worked in the shop for several years, to run the business for him.

The Will Fiddick family, who moved to Cedar Falls a few years ago have returned to Greene. On Wednesday afternoon was celebrated the marriage of Miss Elizabeth Crouse to Roy Demo, the ceremony taking place at Charles City. The bride party returned to the home of the bride's parents, J. B. Crouse, west of town, where the wedding supper was served. The bride has been a resident of this vicinity for many years, and has followed the profession of trained nurse. The groom is a prosperous farmer, having recently sold his farm near Rockford, Iowa. A very interesting illustrated lecture was given at the Presbyterian

church Wednesday evening, entitled, "A Birdseye View of the Bible." The lecture was given by the Rev. S. C. Wadding of Albion, and was enjoyed by a good audience.

MEYERS SUPPLIES VACANCY.

Takes Place of Man Killed in C. M. & St. P. Yards—Smith Takes Meyers' Job Special to Times-Republican.

Mason City, Nov. 4.—E. A. Meyers, of this city, has been appointed temporary assistant superintendent of the Iowa & Dakota division of the C. M. & St. Paul, to succeed the late Charles M. Anderson, who was run down and killed in the yards here last Friday. Frank Smith takes the position of temporary assistant superintendent, and the temporary promotion of Mr. Meyers.

Iowa Patents and Pensions. Washington, Nov. 4.—Iowa patents granted: George E. Alton, Hawkeye, Nevada, fish net and tent frame and broom and towel holder; Benjamin E. Harrelld, Eldon, revolving clothes dryer; Alfred H. Kelch, Lakeview, tube or flue cutter; Ulysses S. Renne, Smithland, wheel.

Iowa pensions granted: Mary E. Acord, Deep River, \$12; Margaret Ingersoll, Toledo, \$12; Alice J. Robinson, Keokuk, \$12; Mary B. Ireland, Malvern, \$12; Elizabeth Schrader, Fondra, \$12; Favorette E. Weatherbee, Council Bluffs, \$12.

IOWA SUFFRAGISTS ACTIVE IN SPREADING THEIR PLEAS FOR VOTE

Special to Times-Republican. Des Moines, Nov. 4.—Society women, club women, college girls, school teachers, laundresses and women of all groups are forming themselves into clubs to work for equal suffrage. Mrs. A. J. McNeil, a newly elected member of the state board and president of the Political Equality Club of Des Moines, thru her club is pushing the work of organization among special groups. Talks were made recently at various large laundries and much enthusiasm aroused for the suffrage cause.

Statistics, compiled by Mrs. Ellen M. Rourke, state factory inspector, show that nearly 22,000 women are employed in Iowa in factories, stores, laundries, cafes and hotels. Almost to a person they stand for equal suffrage, their chief concern being for the equal wage and shorter hours.

"Of course these women stand for equal suffrage," says Mrs. Rourke. "They realize the power of the ballot in bringing about better laws and better conditions for the suffrage cause. Several clubs have been started among the college girls, who in turn are interesting the college men. This work will be pushed until every college and university in the state has its suffrage club."

Every convention meeting in Des Moines during the next seven months will have an opportunity to express its attitude on equal suffrage. The committee of the Des Moines federated clubs on laws relating to women will see that a suffrage resolution is presented at every convention. Committees at each convention. This same group of club women will see that each of the eighty Des Moines federated clubs is furnished with a suffrage speaker. Mrs. Frank Shankland is the chairman of this committee, which plans to bring a speaking of national importance, possibly Dr. Anna Howard Shaw, for open meetings.

Following the state convention the organizers left for northwest Iowa to carry on the work of county organization. Miss Mabel Lodge, organizer, included Glidden, Sac City, Cherokee, LeMars, Harlan and Storm Lake in her present trip.

Four suffrage trails will be blazed across the state of Iowa. This is the unique contribution to the cause made by Mrs. W. G. Harrison of Des Moines, and her daughter, Dr. Carrie Harvison Dickey, of Cambridge. Within a very short time these loyal suffragists plan to cross the state in their automobile four times, stopping every few miles to post a metal sign bearing the legend, "Vote Yes on the Suffrage Amendment, June 5."

Mrs. Harvison and Dr. Dickey will go first over the River-to-River road to Council Bluffs, returning by the way of the White Pole road, then back and forth over the Lincoln Highway. Just a few short months ago Dr. Dickey took a honeymoon trip over the Lincoln Highway to the coast and now she purposes to devote about three weeks to another trip in the interest of suffrage.

It has the convenience of being readily converted into an open car. Yet the price is only \$1035—less than you pay for a more touring car that equals it in power, size and quality.

FEEL FINE! TAKE "CASCARETS" FOR LIVER, BOWELS

SPEND 10 CENTS! DON'T STAY BILIOUS, SICK, HEADACHY, CONSTIPATED.

CAN'T HARM YOU! BEST CATHARTIC FOR MEN, WOMEN AND CHILDREN.

Enjoy life! Your system is filled with an accumulation of bile and bowel poison which keeps you bilious, headachy, dizzy, tongue coated, breath bad and stomach sour—Why don't you get a 10-cent box of Cascarets at the drug store and feel better. Take Cascarets tonight and enjoy the nicest, gentlest liver and bowel cleansing you ever experienced. You'll wake up with a clear head, clear tongue, lively step, rosy skin and looking and feeling fit. Mothers can give a whole Cascarets to a child, even a baby. It's safe and any time they are harmless—never gripe or sicken.

BARES FAMILY DEFECT

ATTORNEY FOR BUTLER, ON TRIAL FOR MURDER, REVEALS HEREDITARY DEFICIENCIES.

INSANITY IN THREE GENERATIONS OF FAMILY

Attorney Tells Jury Mother, Sister and Nephew of Defendant Were Mentally Deranged—Many Witnesses Called to Prove Butler Eccentric For Many Years.

Fort Dodge, Nov. 4.—Robert Healy made a short opening statement for the state lasting but thirty minutes. As he led up to the shooting of George Sullivan, the wife of the murdered man burst into hysterical weeping and was taken from the room leaning on the arms of her mother and brother. Mr. Healy declared that Butler would be proven a cruel and brutal father and a habitual drinker. "Neighbors who have known him for the last twenty-five years," said the attorney, "will troop to the bar to testify that John Butler is sane." He stigmatized Butler as the implacable enemy of the Sullivans and said that the trouble between the two families dated back twenty-five years.

D. M. Kelleher, attorney for Butler outlined to the jury the facts the defense would offer to prove that John Butler was insane at the present time and that his insanity was of a progressive character, and showed most markedly since three and a half years ago when his daughter died from burns received in a fire. Mr. Kelleher stated that his wife and sons would be important witnesses in the effort to establish this claim.

Insanity in Family. The attorney stated that Mr. Butler was now a man little past 50 years of age. He was born on a farm in the vicinity of Iowa City. His mother, during the later years of her life, became insane. There were two children—a girl and boy. The boy was John Butler and the girl later became Mrs. Carroll. This sister, according to the attorney, was treated at the insane hospital at Independence. She had one son, Richard Carroll, who is at this time an inmate of the state hospital at Cherokee. About eleven years ago John Butler is claimed to have displayed certain marked peculiarities of conduct. These peculiarities were noticed following his recovery from injuries received when a team he was driving ran away. He was thrown from the wagon and suffered a severe head injury from which he was unconscious for many hours. During the last three or four years it is claimed Butler has been the victim of delusions. On going to bed he would complain of a pain in his head which prevented him from sleeping. Often times after a restless night, he would arise at 3 o'clock in the morning and play on the organ, though he had no musical ability. He suffered from many other delusions. One was a fear that the Sullivans (George and his father, Dan) were encroaching on his land

when they walked or drove stock along a road partially on land owned by Butler which ran along the side of a drainage ditch on the north boundary of the farm. Butler, it was said, read the war news in the papers with avidity, and often spoke of himself as "General" Butler, announcing that he would transport his troops over to Europe. This martial delusion is thought to have caused his habit of patrolling his farm, gun in hand, from end to end. On one occasion he met three Fort Dodge men on his farm and ordered them at the point of a gun to throw up their hands.

News of Allison. Special to Times-Republican. Allison, Nov. 4.—The many friends of the G. M. Craig family in Allison and Butler county were saddened last week when news came announcing the death of Mrs. Craig at her home at Redondo, Cal. The family moved from here to California two years ago, after a long residence in this community.

A young man named Bruns, a farm laborer and a stranger in this vicinity, died at the Swygman home just south of town. Death came unexpectedly during the night, while the young man was in bed, and probably resulted from heart disease. Deceased had no relatives in this country except an aunt at Parkersburg. The body was taken to that place for burial.

Dr. and Mrs. Ralph McWhirter are rejoicing over the birth of a son. Rev. George Stuntz, pastor of the Methodist Episcopal church at Colorado City, Col., visited here a few days the past week with his brother, A. L. Stuntz.

Rev. F. H. Anderson enjoyed a visit from his mother, Mrs. Nettie W. Anderson, of Coeur d'Alene, Idaho.

Sioux Rapids Brevities. Special to Times-Republican. Sioux Rapids, Nov. 4.—Mrs. Carl Rosell left for Dyersville for a ten days' visit with her son Carl.

Mr. and Mrs. E. E. George and family departed for Des Moines, where they will visit relatives a couple of weeks. Monday night while Fred Lowe was down town his tent caught fire and was burned with all of Fred's worldly possessions, even his faithful dog. Fred's loss is about \$400.

Mrs. Sarah Haward, of Chicago, has been a visitor with her uncle and aunt, Mr. and Mrs. George Ross, this week.

Mrs. N. C. Svre entertained Tuesday afternoon in honor of Mrs. C. Rubey, who left today for her new home in St. Paul.

Gifford News Items. Special to Times-Republican. Gifford, Nov. 4.—Thomas Lawler and daughter Clara, departed Tuesday for Oregon to visit relatives, and the San Francisco exposition.

Mrs. Sam Walker, of Eldora, accompanied Mrs. E. E. Carder Wednesday to visit the latter's sister, Mrs. G. L. Hurlbut, in Minneapolis.

H. B. and Mrs. Wright are visiting Mrs. Wright's parents in Quarry. Dennis Lawler is erecting a residence costing several thousand dollars. Tom Lawler, Jr. is building an addition to his residence.

County Y. M. C. A. Banquet. Special to Times-Republican. Sheldon, Nov. 4.—About 100 men attended the banquet and convention of the county Y. M. C. A. held in this city on Monday evening. This was the second annual convention of the authoritative body of the county work and the men who are backing the work in this county. After the banquet addresses

were made with reports. State Secretary Parsons was present, as was also Mr. Kennedy, head of the student work in Iowa. Both gave addresses. The directors whose terms expired were re-elected.

News of Jewell. Special to Times-Republican. Jewell, Nov. 4.—Hog cholera has struck the southwest part of the coun-

ty and the farmers are vaccinating. Oscar Christensen, who has been working at the depot lunch room for the past year, has quit his position. John Jewell moved into his lately purchased house Monday. There seems to be quite a demand here for corn pickers and the price is good considering the condition of the corn.

MAKES YOUR STOMACH FEEL FINE—ENDS INDIGESTION

ALL STOMACH DISTRESS QUICKLY DISAPPEARS BEFORE FAMOUS PRESCRIPTION—HEALTH, STRENGTH AND VIGOR RESULT FROM PERFECT DIGESTION.

People who suffer from weak stomach, distress after eating, belching of gas, sourness, bad taste in mouth, foul breath, biliousness, dizziness, nervousness or dyspepsia in any form, should not be satisfied with a makeshift remedy.

The stomach was made to digest food and when thru abuse or accident it becomes weak and run down, immediate steps should be taken to build it up, to put strength and elasticity into the flabby muscular walls, so that it will be able to extract nutritious matter from the food and send it to enrich the blood.

Mi-o-na stomach tablets are made from a prescription containing ingredients that purify, renovate and assist the stomach to become strong enough to do what nature intended it should.

Mi-o-na stomach tablets will, if taken regularly, almost invariably turn an old overworked stomach into a new, strong, sweet one in a few weeks. There is no other prescription on earth that can do so much for the great majority of stomach sufferers as Mi-o-na stomach tablets.

A stomach constantly treated with strong, artificial digesters, given simply to do the work your stomach ought to do, will soon become lazy and flabby from want of exercising. And will gradually demand the strongest digesters and more of them until the limit is reached; the stomach is dead before the man, but the man will quickly follow.

Mi-o-na tablets will relieve your distressed stomach and will make it feel good in a few minutes. But, Mi-o-na is made to do more; it is prepared to allay the cause of stomach distress and it is guaranteed to do so or your money cheerfully refunded. Ask A. T. Elder about it.

Try a box on that liberal basis, you unfortunate, who suffer from a rebellious stomach, and make an effort to forever rid yourself of stomach misery. It's an inexpensive treatment and money back if you are not satisfied.

Booth's Pills always give joyful satisfaction in constipation, 25c. Gentle in action.
