LOOK AT CHILD'S TONGUE IF SICK CROSS, FEVERISH

HURRY, MOTHER! REMOVE POISONS FROM LITTLE STOMACH, LIVER, BOWELS.

GIVE "CALIFORNIA SYRUP OF FIGS" AT ONCE IF BILIOUS OR CONSTIPATED.

Look at the tongue, mother! If coated, it is a sure sign that your little one's stomach, liver and bowels need a gentle, thorough cleansing at once.

When peevish, cross, listless, pale, doesn't sleep, doesn't eat or act normally, or is feverish, stomach sour, breath bad; has stomach trouble, sore throat, diarrhoea, full of cold, give a teaspoonful of "California Syrup of Figs," and in a few hours all the foul, constipated waste, undigested food and sour bile gently moves out of its little bowels without griping, and you have a well, playful child again.

You needn't coax sick children to take this harmless "fruit laxative"; they love its delicious taste, and it always makes them feel splendid. Ask your druggist for a 50-cent bottle of "California Syrup of Figs," which has directions for babies, children of all ages and for grown-ups plainly on the bottle. Beware of counterfeits sold here. To be sure you get the genuine, ask to see that it is made by "California Fig Syrup Company." Refuse any other kind with contempt.

This Cushion Gives You Extra Wear

That's one of the things you'll like about Dr. A. Reed Cushion Shoe. It's not only the easiest shoe you ever put your foot into, but it wears much longer than ordinary shoes. Gives you months of extra wear—simply because the soft cushion insole spreads your weight over the whole sole—spreads the wear over the whole sole, and takes up the jarring and the grinding that wear through a common leather shoe so quickly.

Dr. A. Reed Cushion Shoe

Make it your business to come in tomorrow and see this shoe. There is nothing like it if you have to be on your feet much—for it does away entirely with tired, aching, burning feet—ends corns and bunions and keeps your feet normal and healthy. Makes walking easier—saves shoe-maker bills. Let us show you the many styles tomorrow.
