LAMOILLE STORE ROBBED

Buck-Anderson Store Entered by Thieves During Friday Night and Merchandise Worth \$40 is Stolen—No Clue to Thieves.

Thieves, some time during Friday night, robbed the Buck Anderson Company general store at Lamolille of merchandise estimated by F. C. Nichols, of this city, owner of the store, to be worth \$40. While there is no clue Mr. Nichols suspects Marshalltown talent to be responsible for the theft.

Sheriff Edgar, while making a search of the railroad yards this morning, arrested at a hoboes' camp a tramp who was wearing a new mackinaw, similar to one stolen from the store. After describing the garment over the phone to Mr. Nichols, however, Nichols declared the mackinaw did not belong to him, and the man was released. The goods stolen from the store included three mackinaws, two sheep-

lined coats, seven pairs of shoes, four pairs of gauntlet mittens, and several pairs of overalls, the exact number of which is not known.

Entrance to the store was gained by breaking a front window. No one heard the shattering of the glass, and the crime was not discovered until the store was opened for business this morning.

ARRESTED AND ENJOINED.

C. Christensen Held on Bootlegging Charge—Injunction Issued.

C. Christensen, 103 West Railroad street, was arrested for bootlegging, and a temporary injunction was issued against him, the property, and its owners, for alleged nuisance Friday.

The owners are Olaf and Anna Wallen. Christensen was arrested for prosecution in the federal court, where he was taken this forenoon by Deputy United States Marshal Wayne Morse, Chief of Police Breckel and Deputy Sheriff R. G. Goodale accompanied him. On an application for an injunction

filed Friday by County Attorney R. P. Scott, Judge Cummings issued an order for a temporary writ of injunction against the premises and the Wallens. In the application it was alleged Christensen had been selling intoxicants on the premises. The affidavits of William Hogan and J. F. McGlade, which were attached to the application, said both Hogan and McGlade had bought whisky at Christensen's house. "Scotty" Collins, who was indicted Friday by the grand jury for bootlegging, was also taken to Des Moines this forenoon to be arraigned before Commissioner Fitzsimmons on a charge of selling liquor illegally.

Model 83 B

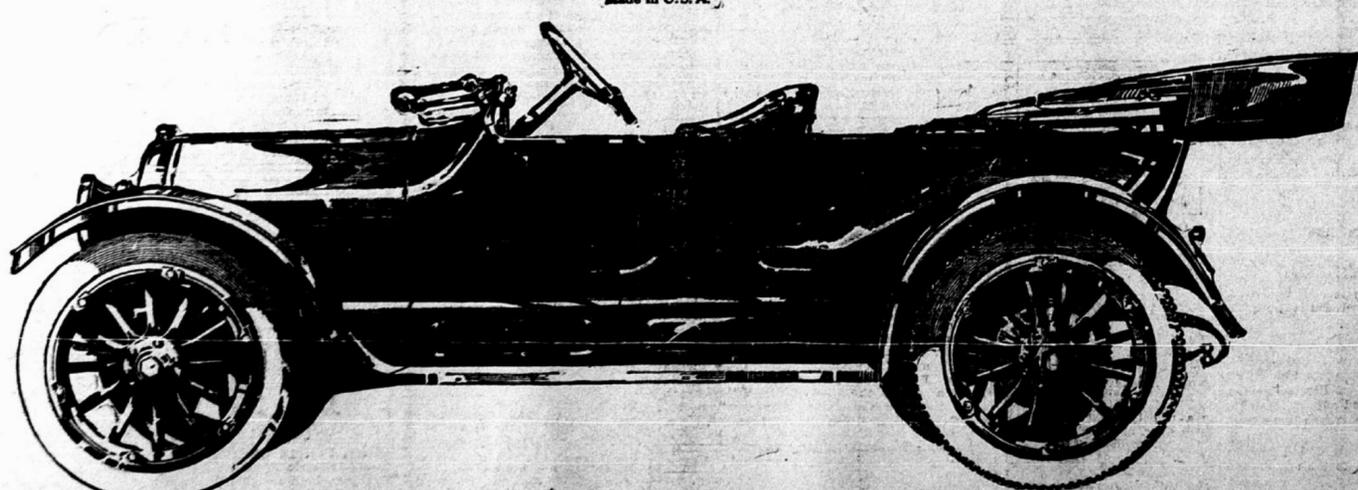

With unerring judgment of value—
 With a rush that swallowed up a record production in jig time—
 The public took more than 50,000 of the \$750 Overlands in six months.
 In six months we've absorbed all the overhead; absorbed all the development expense; realized on all the experimental cost that is usually spread over a year.
 We covered our material requirements at before-the-war prices—saved three and a half million dollars on aluminum and another million on steel.
 We have increased our production capacity of 300 cars per day last June to 1000 cars per day.

So again we have broken all records.
 Again we have planned and bought material for a bigger production program.
 And again we are setting a new and supreme standard of value—
 You can now buy the big, roomy, comfortable, thirty-five horsepower Overland for \$695.
 Here is the value which has clearly dominated the automobile market for the last six months—now made even more clearly dominant.
 Here is the car with a performance record never even approached by any car of its size ever built—fifty thousand in every day service.

And though the price is reduced the car is improved.
 It has an up-to-the-minute power plant, en bloc type, developing full thirty-five horsepower. It has abundant power and speed and an exceptionally quick get-away.
 The value is pre-eminent—unapproached.
 We guarantee that the price for this model will never be lower.
 But this price reduction is made in the face of a rising material market—we cannot guarantee that it will not be higher.
 See the Overland dealer now—anticipate your requirement if need be—but make sure of your delivery now.
