DRIVES MORE PILES TO PROTECT MAIN

COUNCIL ORDERS WATER DEPARTMENT TO TAKE ADDITIONAL PRECAUTION.

PILING TO BLOCK ICE FROM BIG PIPE

Fear That Floating Ice or Logs Brought Down by High Water Might Damage Water Main, Causes Council to Act—Piling to Be Driven at Mouth of Channel.

Fear that ice, logs, trees or other rubbish brought down by high water might threaten the big main that carries water from the city wells to the pumping station caused the city council to authorize an additional precaution to protect it at the meeting this forenoon. It instructed Councilman M. S. McFarland, superintendent of the department, to drive a row of piling at the upper mouth of the channel over which the water main is hung.

The resolution authorizing the work says the piling is to be driven about six feet apart. They will be sunk across the channel at the point where the water from Asher creek pours out of the old creek bed into the channel under the pipe line.

The council met this forenoon but the ordinance was not passed. Dr. Boyd returned to Iowa City Saturday.

AMUSEMENTS.

First Triangle Picture With Dustin Farnum Shown at Casino.

Two large audiences witnessed the first Triangle picture, "The Lion Strain" shown at the Casino Sunday night with Dustin Farnum in the role of "Chuck" Hemingway. A wealthy eastern man takes a trip to Alaska and becomes impressed with the quality of the men there, who to his notion display a more manly character than men back east. He dislikes the idea of his granddaughter Octavia, marrying one of the effeminate eastern men, as he judges them, and when she is taken ill he takes her to Alaska for her health. Here she meets Hemingway, who gives her the cure man method, and abducts her, forcing her to marry him against her will. Gradually she grows to love him, however, and in the end discovers that her husband is a Boston man himself, who has come to Alaska to live a real life.

At the Lyric. "The Rack," featuring Alice Brady, pleased two large audiences at the Lyric Sunday evening. Indiscretions with another man which were discovered by her husband tore Blanche Gordon's soul on the rack of modern society as much as did the ancient instrument of torture. Returning to her husband she finds that a true life is best. A strong moral lesson is brought out, and Miss Brady's acting is well done.

At the Colonial. There are plenty of thrills in "The Forbidden Adventure" shown at the Colonial to dark eyed audiences Sunday night. Fair sized and languorous Arabian princesses in captive dungeons and adventures of Americans mingle throughout the story. Cecil Weatherly and Ameera, the princess, are left to die in the "City of the Dead" from which no prisoners ever escape. By indomitable energy they escape after a hair raising struggle with a priest who attempts to hinder them. The details of the picture are well worked out, and the acting is good.

At the Odeon. Sigbee's dogs are the feature act at the Odeon for the first half of the evening. Several unusual acrobatic acts, consisting of walking up and down steps, various dancing and fancy trapeze performances. At the close of the act one small dog runs up a pole and unfurls a banner. Pierce and Knoll spar back and forth in comedy talking and sing a few songs, and Mamie Gilmore sings several songs impersonating different nationalities. Fair sized audiences saw Sunday's shows.

"AD" MEETING WEDNESDAY. Organization Meeting to Be Held at the Marshalltown Club.

At a meeting of the "ad" club committee of the Marshalltown Club held at the club rooms Saturday afternoon steps were taken to organize an Advertising Club here, and Wednesday evening was set as the date for a meeting when a definite program will be worked out. Several officers of the Associated Advertising Clubs of Iowa will be present. At the meeting Saturday C. E. Forkner, chairman of the local committee and vice president of the Iowa Ad Clubs, told of a program sent out by the Associated Ad Clubs of the World for the guidance and use of local clubs.

This will probably be adopted in case a club is organized here. The problem of mail order competition and how to meet it successfully will be one of the things taken up when the club is ready for work.

VERDICT FOR PLAINTIFFS.

Jury Returns Finding For Gladbrook Men in Land Lawsuit. After being out from 4 o'clock Friday afternoon until 9:30 Saturday night the jury in the case of M. E. Rehder et al, vs. Wickersham, et al, returned a verdict for the plaintiffs in the sum of \$3,343.20. The amount of the verdict had been fixed for the jury by Judge Cummings in his instructions. It was the amount the plaintiffs M. H. Rehder, Fred Engle and George Ballhorn, paid on the contract for the purchase of the B. F. Wickersham farm. The defendants in the case are T. G. and S. J. Wickersham, W. T. Bennett and A. J. Hinecker. The defendants were allowed ten days in which to file a motion for a new trial.

POLAND CHINAS SELL WELL.

Forty-six Head Disposed of at F. G. Paul's Sale Saturday. Forty-six head of Poland China hogs were sold at the F. G. Paul sale held Saturday afternoon at Flumb brothers' sale pavilion. A fair sized crowd of farmers was present, the bad condition of the roads keeping many away. The hogs sold averaged \$40.50 a head and the highest price paid was \$72.50, given by J. C. Bailey, of this city. From there down to \$25 was the range of prices. Other prices paid were \$41 and \$35.

YOUR SICK CHILD IS CONSTIPATED! LOOK AT TONGUE

HURRY, MOTHER! REMOVE POISONS FROM LITTLE STOMACH, LIVER AND BOWELS.

GIVE "CALIFORNIA SYRUP OF FIGS" IF CROSS, BILIOUS OR FEVERISH.

No matter what ails your child, a gentle, thorough laxative should always be the first treatment given. If your little one is out-of-sorts, half-sick, isn't resting, eating and acting naturally—look, Mother! see if tongue is coated. This is a sure sign that it's little stomach, liver and bowels are clogged with waste. When cross, irritable, feverish, stomach sour, breath bad or has stomach-ache, diarrhoea, sore throat, full of cold, give a teaspoonful of "California Syrup of Figs," and in a few hours all the constipated poison, undigested food and sour bile gently moves out of its little bowels without griping, and you have a well, playful child again.

Mother can rest easy after giving this harmless "fruit laxative," because it never fails to cleanse the little one's liver and bowels and sweeten the stomach, and they dearly love its pleasant taste. Full directions for babies, children of all ages and for grown-ups printed on each bottle.
