

Careful... "Bob" has a magnificent library, but what's his idea in keeping all the books under lock and key? "Perhaps he's afraid his friends will get back some of the books he borrowed from them."

REPORT MANY CASES OF RHEUMATISM NOW

Says We Must Keep Feet Dry; Avoid Exposure and Eat Less Meat.

Stay off the damp ground, avoid exposure, keep feet dry, eat less meat, drink lots of water and above all take a spoonful of salts occasionally to keep down uric acid.

Rheumatism is caused by poisonous toxin, called uric acid, which is generated in the bowels and absorbed into the blood. It is the function of the kidneys to filter this acid from the blood and cast it out in the urine.

At the first twinges of rheumatism get from any pharmacy about four ounces of Jad Salts; put a tablespoonful in a glass of water and drink before breakfast each morning for a week.

Jad Salts is inexpensive, harmless and is made from the acid of grapes and lemon juice, combined with lithia and used with excellent results by thousands of folks who are subject to rheumatism.

An Aid to Digestion. When you feel dull and stupid after your meals, frequently have sour stomach and eructations you should take one of Chamberlain's Tablets immediately after dinner to aid digestion.

Better think three times before extracting a dollar from your pocket to invest in a get-rich-quick proposition.

The Drug, Caffeine In Coffee Is A Habit-Forming Agent

Bulletin 393, U. S. Department of Agriculture, entitled "Habit Forming Agents," referring to caffeine and other ingredients used in the manufacture of certain soft drinks, headache mixtures, etc., says:

"Until recently it was claimed by some that these agents were harmless and did not belong to the habit-forming group. Later investigations, however, clearly show that this position is unwarranted."

The average cup of coffee contains about 2 1/2 grains of caffeine. Mothers give it to their children and wives give it to their husbands—unconscious of the harm coffee does to health.

When the nerves cry out, or indigestion, biliousness, headache or heart flutter begin to trouble, it's time to look to the cause.

An easy, sure way out of coffee troubles is to quit the coffee, and use

POSTUM

the pure cereal food-drink.

There are two forms of Postum. The original Postum Cereal must be boiled; Instant Postum is quickly soluble in hot water, more convenient to prepare, and has the same rich flavour as the original Postum.

Some prefer one form, some the other; both are free from the habit-forming drug, caffeine, or any other harmful substance, and the cost per cup is about the same.

"There's a Reason" for POSTUM

COLLEGE BOY WRITES SONGS.

Ames, March 13.—J. D. Sicker, junior in Iowa State College, and son of Dr. C. Sicker, of Cedar Falls, has broken into the music publisher's print with compositions. A big publisher has put on the market his latest lyric, "You're the Only Girl For Me," and it has made a noticeable hit.

The latest in Iowa State College musical circles is the criticism of the new college "Loyalty" song, written by Newton Piagge, of Barrington, Ill. The director of the glee club has been scored on calling it "a dirge." Director Green, of the varsity singers, who made the criticism, went so far as to express a desire to "punch the face" of the author of a criticism of his calling the song a dirge.

RARE SPECIMENS FOR IOWA. University Receives Condor and Buffalo from San Francisco.

Iowa City, March 13.—Two rare specimens of the bird and animal kingdoms have been received by the university of Iowa museum. One is a condor, sent from San Francisco to Prof. Homer R. Dill, the S. U. I. taxidermist.

The other is a buffalo. The university museum has also received lately a buck deer from Maine; a pair of nearly extinct heath birds, a faun, mink, deer, and armadillo (the latter a South American species, found in Iowa) and other valued animal curios.

Iowa Falls Items. Iowa Falls, March 13.—Claude O. Garrison, who was called to Golden, Colo., a few weeks ago by the death of his father, O. W. Garrison, will remain there for several weeks and Mrs. Garrison will leave this week or next to join her husband.

Mrs. W. W. Wood, who was formerly Miss Jennie Bowman of this city, is arranging to move here from Armstrong. It will be recalled that Mr. Wood, who formerly lived here and at Union, was accidentally killed last fall on returning from a hunting trip.

It is stated that S. E. Huber, formerly of this city, but who has been engaged in the automobile business in Waterloo, will locate in California and has traded his Waterloo interests for a ten-acre ranch near Ontario.

Miss Millicent Cowan is visiting friends in Des Moines.

Mr. and Mrs. Sam Wright, who have been working for the Model Cafe, resigned Saturday night and have been engaged by H. H. Turner, who recently purchased the Dixon Cafe.

The high school basketball team retracted from Cedar Falls Sunday morning. The boys won from the training

DODGE BROTHERS MOTOR CAR

The enamel finish of the steel body can be restored to its original lustre until the car literally looks like new.

This is constantly being done by owners after months of use. The enamel is baked onto the steel at intense heat. Dust and mud and neglect may dull its appearance—but the glossy finish is still there, waiting to be brought back by a simple process of cleaning.

It will pay you to visit and examine this car.

The gasoline consumption is unusually low. The price of the Touring Car or Roadster complete is \$225 (f. o. b. Marshalltown.)
