

ATTORNEY AND BRIDE
KILLED UNDER AUTO

THOMAS J. FITZPATRICK AND
WIFE, OF DUBUQUE, CRUSHED
UNDER MACHINE.

CAR GOES IN DITCH
AFTER STRIKING CULVERT

Mr. and Mrs. Fitzpatrick Pinned Under
Seat and Almost Instantly Killed—
Mother and Friend From Chicago
Injured—Mr. Fitzpatrick Prominent
Attorney of State.

Dubuque, March 20.—Attorney
Thomas J. Fitzpatrick and his young
bride of two months were killed and
Mrs. Morrison, mother of the girl, and
Mrs. David Hack, daughter of James
E. Gorman, chief executive officer for
the receiver of the Rock Island rail-
road, were injured Sunday afternoon
about 3 o'clock when the big auto-
mobile in which they were riding left
the roadway and, running down a ten
foot embankment, turned turtle, pin-
ning the occupants beneath the
wreckage.

The party was returning to Dubu-
que after spending the afternoon
riding thru the country.

Caught by Seat Back.
Mr. and Mrs. Fitzpatrick were rid-
ing in the front seat of the machine
and when it overturned were caught
under the back of the seat.

The party was returning to this city,
when in crossing a culvert a slight
bump in the roadway caused Mr.
Fitzpatrick to lose control of the ma-
chine. It ran to one side of the road,
plunged over an embankment five feet
high, and turned over a hundred feet
from the culvert, landing on a wire
fence at the side of the roadway.

Farm Boy First on Scene.
Earl Biechler, a farmer boy, was
the first on the scene. He was met
by Mrs. Morrison, the girl's mother,
who screamed, "Oh, my God, come to
our help, my two children have been
killed."

The boy ran for help and with the
aid of two other men succeeded in
propping up the machine and permit-
ting the dragging out of the bodies.
Mrs. Fitzpatrick's body was half
out from under the wreckage, and
when the Biechler boy first arrived
on the scene she was still breathing,
albeit unconscious. She expired while
being removed from the wreckage.

Mrs. Morrison, mother of the girl,
sustained a broken arm and a badly
bruised face and back.

Attorney Fitzpatrick was one of the
best known attorneys in the state,
and had the reputation as being the
best attorney in the middle west. He
was a wealthy man and a leader of
the Dubuque Bar Association.

Was Native of Iowa.
Thomas Joseph Fitzpatrick was a na-
tive of Iowa, having been born on the
old Fitzpatrick homestead in Delaware
county near the town of Grouley. He
was 42 years old, and the third son
of Mrs. Mary H. and the late James
Fitzpatrick.

As a young man Mr. Fitzpatrick en-
tered the State University of Iowa, and
was graduated from the law department
in 1894. He went immediately to
Dubuque, and has been in continuous
practice there ever since. He has been
very successful, and was rated among
the very best lawyers in northeastern
Iowa. His first partnership in the law
business was with E. E. Bowen, and
this was dissolved about twelve years
ago, when Mr. Fitzpatrick formed a
co-partnership with John Frantzen, un-
der the firm name of Fitzpatrick &
Frantzen. For several years Mr. Fitz-
patrick was county attorney of Du-
buque county.

One of Founders of K. of C.
Mr. Fitzpatrick was prominent in the
Knights of Columbus of Iowa, and was
one of the founders of the organization
in this state. He helped organize many
of the councils of the order. He was
also a member of the Ancient Order of
Hibernians, and was a past exalted
ruler of the Elks lodge of Dubuque.

Wife Deid of Two Months.
Mr. Fitzpatrick had been married
twice, and his young wife who also
met death in Sunday's tragedy was a
bride of less than two months. Mr.
Fitzpatrick's first marriage was with
Agnes Wade, a sister of Ex-Congress-
man Martin J. Wade, of Iowa City, now
federal judge for the southern district
of Iowa. Mr. and Mrs. Fitzpatrick
were married about seventeen years
ago, and Mrs. Fitzpatrick died very
suddenly of heart disease four years
ago, while a passenger on a train in
Montana. Mr. Fitzpatrick took as his
bride on Jan. 28 last Miss Mary Davis
of Chicago.

Member of Large Family.
Mr. Fitzpatrick was a member of a
family of thirteen children, ten of
whom are living. The father of the
family died two years ago, and his
widow is now a resident of Cedar Rap-
ids. The brothers and sisters of Mr.
Fitzpatrick who survive him are Rev.
James J. Fitzpatrick, pastor of St.
Mary's Catholic church, Marshalltown;
Michael Fitzpatrick, a farmer living
near Strawberry Point; Dr. Dennis J.
Fitzpatrick, a well-known surgeon and
physician of Iowa City; Mrs. John
Schacher, of Edgewood, Delaware
county; Sister Mary Tresa, of the Vis-

itation Academy, of this city, who, be-
fore entering religion, was Katherine
Fitzpatrick; Bernard Fitzpatrick, who
lives on the old home place near Gree-
ley; Martin J. Fitzpatrick, of Greeley;
Mrs. P. J. Lavelle, of Maurice, Wood-
bury county; Mrs. W. J. Groves, of
Cedar Rapids; and John Fitzpatrick,
who is a student in the medical school
of St. Louis University, St. Louis,
Mo.

The two sisters who are dead were
both in religion. Julia became Sister
Mary Evangelista, of the Visitation or-
der of Dubuque, and died fifteen years
ago; Ellen became Sister Mary Bertille,
of the order of the Holy Ghost Sisters
of Dubuque, and died ten years ago.

Funeral Tuesday.
The funeral of Mr. and Mrs. Fitz-
patrick will be held here Tuesday. The
requiem high mass will be conducted
by Rev. J. J. Fitzpatrick, of Marshall-
town, who, two short months ago, offi-
ciated at the funeral of his brother
and his bride in Chicago.

TWO KILLED NEAR BLOOMFIELD.
Wapello County Men's Skulls Crushed
by Overturned Auto.

Bloomfield, March 20.—Edward S.
Lowenberg, about 48 years old, recent
overseer of Wapello county poor farm
and prominent candidate for nomina-
tion for sheriff, was instantly killed
when his roadster accidentally struck
a steel bridge over Chequest creek on
the Bloomfield Ottumwa road, three
and a half miles north of Bloomfield,
about 1 o'clock Sunday morning. His
skull was crushed.

Lowenberg was accompanied by W.
C. Arnold of the same age, who also
was instantly killed. With Roy Ran-
dol and James Long in another car, the
men were en route to Bloomfield for
the night on political business. Low-
enberg's car hit the bridge, straddling
the banister, turning turtle and pin-
ning the men under the car.

Long and Randol had preceded Low-
enberg, and the latter had evidently
speeded up coming down hill approach-
ing the bridge from the north side.

Long missed Lowenberg and re-
turned. He found the men dead under
the car.

County Coroner Heady and Sheriff
Dunlavy were called and they brought
the bodies to Bloomfield. Long and
Randol proceeded to Ottumwa, return-
ing with a company of friends. An in-
quest was held Sunday morning, after
which the bodies were prepared for
burial and taken to Ottumwa about
noon.

The accident was the driver's fault,
according to the evidence given at the
inquest.

TWO WOMEN INJURED.
Broken Bones Result From Collision of
Auto and Street Car.

Cedar Rapids, March 20.—Mrs. J. E.
Bates, of 17th Street, and her daugh-
ter, Mrs. J. S. Robinson, were the
victims of a distressing accident at
4:16 Saturday afternoon when Mrs.
Bates' automobile collided with a
Ridgewood car at Washington avenue
and eighteenth street. Mrs. Bates' leg
was broken. Mrs. Robinson suffered a
fractured kneecap and her face was
badly cut by the glass from the
broken windshield.

The ladies were driving east on
Washington avenue which is paved
with asphaltic concrete. In front of
the Johnson school many boys were
roller skating in the street and a num-
ber of them caught hold of the auto-
mobile. Mrs. Bates stopped and asked
them to let go as she was worried lest
they might be injured. They did so
but when she started one boy caught
hold and this increased Mrs. Bates'
nervousness. She was watching the
boy as she turned the corner at
Eighteenth street. The Ridgewood car
was approaching from the south and
Mrs. Bates' automobile struck it.

Alden News Notes.
Special to Times-Republican.

Alden, March 20.—A late report
of W. M. Cousin's condition, who is
at Rochester, Minn., for treatment at
present, states that the surgeons ap-
plied the knife but that it was im-
practicable to complete an operation
to remove the same after March 20,
because of inflammation. It is ex-
pected to be able to do so, however,
in about ten days.

Messrs. Thomas Hurst and A. D.
Pettinger have leased the local movie
business from Bert Shafer, and will
commence the same after March 20.

effort for a social "breakfast" Friday.
The local painter, W. R. Nelson, is
busy putting up a new home on the

The Hale Roberts Stone Company is
preparing to install a large steam
shovel in their pit this season, as it is
a large excavation now and there will
be ample room for its operation. The
present depth of the open pipe is
about thirty-five feet.

Mr. and Mrs. A. F. Bushman, own-
ers of the furniture store here and un-
dertaker, expects to take a vacation
soon and go to Washington, D. C., for
a visit with their son, Robert, who
has a government position. It is ex-
pected L. Snider will have charge of
the store in their absence.

Ackley, March 20.—An extraordinary
case of a person lapsing into uncon-
sciousness and resisting the efforts of
physicians to restore her to anima-
tion is now puzzling the doctors of
this city and several from near-by
cities who have been called into con-
sultation.

Saturday, just before noon, Miss
Mary Brandt, a daughter of Dick
Brandt, living seven and one-half
miles north of Ackley, called at a
local dentist's office complaining of a
toothache. The dentist found a small
abscess and was making preparations
to lance it when he observed that the
young lady had fainted. He called in
a physician after a few vain efforts to
restore her to consciousness, and after
an hour's efforts on his part had
failed she was taken to the Miller
hospital. Since that time every effort
to arouse her has failed. At the time
of this dispatch she has been uncon-
scious for over thirty-two hours, with
no indications of a speedy return to a
normal condition. Physicians are un-
able to discover a cause for her con-
dition, as she seems to be otherwise
normal.

BOOZE LISTED AS VINEGAR.
Chop Suey Cafe Reveals New Method
of Law Violation.

Sloux City, March 20.—The police
raid squad, commanded by Special
Investigator Jens Nielsen, discovered
a new method by which liquor is "hid-
den in plain view" in cafes.

Several policemen and detectives
formed the squad which raided a chop
suey cafe at 506 Pearl street. Jimmie
Walsh is said to be the proprietor.
Walsh was not present when the police
visited the place. His wife, who was
in charge, was taken to the police sta-
tion and charged with bootlegging. In
police court she obtained a change of
venue to Justice D. C. Browning's
court.

The police seized a large quantity of
liquor in their raid on the cafe. Sev-
eral persons were seated in booths
when the officers arrived. There were
no signs that liquor was being served.
However, one of the policemen picked
up a vinegar decanter and smelled the
contents. It was whiskey, the officers
said. An investigation of other "vinegar
decanter" divulged each con-
tained whiskey. Investigators, Nielsen
said.

Mrs. Walsh, before she was married
to Jimmie Walsh, was known as Zeida
Griffin. She was a witness for George
Pelree, former chief of police, when he
was tried on a charge of conspiracy.
Mrs. Walsh was arrested followed her
testimony in the trial and was charged
with perjury. Nothing developed from
the charge, however, and she was re-
leased.

Grinnell, March 20.—The H. W.
Spaulding oratorical prize contest will
be held in early May. The names of
all contestants must be in tomorrow
and the first try-out will take place on
April 7. This is one of the big spring
events and always draws a crowded
house. The prizes are in cash, are of
ample size, and there are few restric-
tions to the contest. The object is to
stimulate effective public speaking with
the emphasis on the effective.

The seven Camp Fire Girl camps
took part at 4:30 on Saturday after-
noon in the high school auditorium in
an interesting program which was well
attended and, being for the benefit of
the war-bereft babies across the big
water, was well paid for, the collection
amounting to over \$14. With this sum
the Camp Fire girls are to purchase
materials for the making of baby kits
for the little unfortunates. Each camp
is to make and send one or more of
these individual kits. The program in-
cluded a musical pantomime, Irish folk
songs by Miss Korva, German folk
songs by Professor Hartson, wooden
shoe dance, Indian folk song, and Zuni
rain ceremony.

of the Grinnell Aeroplane Company as

have been reported.

Mrs. Priscilla Burroughs, well ad-
vanced in years, mother of Alfred Bur-
roughs and Mrs. Aldace Child, is re-
ported as seriously ill from grip.

Mrs. John Hink, who has been seri-
ously ill at her home on Seventh ave-
nue, is now reported as on the road to
recovery.

R. N. Anderson, who moved from
this vicinity to Buena Vista county
some forty years ago, is visiting at
the William Zirbe home and with other
old friends. He is accompanied by his
daughter, Miss Ada Anderson, of New-
ell, Iowa.

Judge Hutchinson Out of Race.
Sloux City, March 20.—Considerable
surprise was occasioned thru north-
west Iowa today when Judge William
Hutchinson, of Alton, announced his
retirement from the race for nomina-
tion as congressman from the Eleventh
district.

Judge Hutchinson gave two reasons
for his decision. He said attorneys in
all parts of his judicial district are
urging him not to quit the bench and
he is disinclined to make the extended
campaign necessary to win both in the
primaries and the final contest.

A Great National
Public Utility

That concerns all merchants
and all people

THE original Cash Register rang a bell, indicated and
recorded the amount of the purchase. It benefited the
merchant only.

In a third of a century this old model has developed into
a Cash Register that directly benefits every man, woman
and child who spends money in a store.

This new Cash Register equally concerns every mer-
chant and clerk, every banker and wholesaler in this land.

It furnishes every customer with a receipt or sales slip.
It prints on this the amount paid or charged.

On this is also printed the date of the sale and who
made it.

It forces a duplicate, printed record for the merchant.
It prevents disputes over charges and bills paid.

It saves shoppers' time.
It gives the merchant all his profits. It gives him more
money for his family.

It promotes more and quicker sales.
It protects each clerk against making errors and
against the mistakes of others.

It rewards the diligent clerk by telling his employer
which one makes the largest number of sales and which
one gets the greatest amount of business.

It assures the banker additional security for the money
he loans the merchant.

It gives the wholesaler additional assurance that the
merchant will have money to pay his bills.

It furnishes the banker and the wholesaler mechanical
evidence that the merchant's statement of his business is
correct.

It is a business necessity.
