"Why Swear Dear? Use 'Gets-It' for Corns!"

It's the New Plan. Simple. Sure as Fate. Applied in a Few Seconds. "Why, John, I never knew you to use such language! I've told you several times it's no use to try those bandages, salves, tapes, plasters, and con-

"You Wouldn't Lose Your Temper, John, If You Used 'Gets-It' for Those Corns!"
trappings for corns. Here's some "Gets-It," it's just wonderful how easy, "clear and clean" it makes any corn come right off. Takes but a few seconds to apply. It dries at once. Put your sock on right over it—there's nothing to stick or roll up, form a bundle of your toe, or press on the corn. It's painless, simple as rolling off a log. Now put away those knives, razors and scissors, use "Gets-It" and you'll have a sweeter disposition and no more corns and calluses.
"Gets-It" is sold by druggists everywhere. See a bottle, or send direct by E. Lawrence & Co., Chicago, Ill. Sold in Marshalltown and recommended as the world's best corn remedy by the McBride & Will Drug Co., A. T. Elder, Peter Mayer & Son, Old Reliable Drug Co.

DES MOINES GETS 1917 CONFERENCE

REV. J. G. WALZ RE-ELECTED PRESIDENT ELDER FOR FOUR YEARS.

BOTH ELDERS STATIONED AS THEY WERE THIS YEAR

Walz Remains at Cedar Rapids, and Rev. J. Auracher at Des Moines — Committees Report, and Assignments For Local Pulpits on Sunday Are Made—Conference News.

Members of the twenty-third annual session of the Des Moines conference of the United Evangelical church got down to a working basis today, and the sessions promise to prove most profitable to ministers and laymen.

Des Moines was chosen as the meeting place for the 1917 conference, which will begin March 29. Rev. J. G. Walz, of the Cedar Rapids district, was re-elected elder for a four-year term, and the elders were both stationed as they have been this year. The other presiding elder is Rev. J. Auracher, of the Des Moines district. Both elders made their annual reports showing the work of each district to be in satisfactory condition.

Committees Report.
Bishop Fouke called the conference to order at 8:30 this morning, and following a half-hour devotional service asked for the reports of committees.

Mrs. Charles Pickford, of Belle Plaine, president of the conference woman's missionary society, addressed the conference. Dr. C. A. Mock, president of Western Union College, LeMars, spoke in reference to the educational interests of the conference, and

a discussion followed.
W. L. Bailey spoke in behalf of the publishing house at Harriburg, Pa. The publishing concern has a modern plant, valued at from \$20,000 to \$300,000, is operated day and night, and did \$232,000 worth of business last year. The plant occupies four floors and basements. Improvements last year totaled \$9,511.20.

The committee on statistics showed the membership of the conference to be 3,228, with fifty-three organized congregations. The Sunday school enrollment is 4,144, and these contributed for their own work and for missionary purposes last year \$3,702.31. Educational contributions in the conference amounted to \$2,474.79 last year, and these for missionary work \$4,745.54. For building and repairing there was expended during the year \$12,938.24. The church buildings in the conference have a value of \$192,850, and there are debts on conference property amounting to \$3,738.16.

Auracher Re-Elected Trustee.
Rev. J. Auracher, of Des Moines, was re-elected a trustee of Western Union College, and Rev. J. E. Stauffacher was elected conference trustee for five years, also to succeed himself.

Conference Picture Taken.
A conference photograph was taken just after the close of the morning session. This afternoon the conference members were guests of the Marshalltown Club on an automobile ride about town.

Banquet Pleasing Affair.
The banquet served at the State street church Thursday evening proved a pleasing affair. Covers were laid for sixty. Rev. J. G. Walz acted as toastmaster, and ten short talks were made.

Thursday night the pulpit was occupied by Rev. C. A. Mock, president of Western Union College, who preached a forceful sermon.

Thursday afternoon Rev. B. H. Niebel, of Penbrook, Pa., secretary of the board of missions, gave a missionary address.

Will Fill Church Pulpits.
Members of the conference will fill local pulpits Sunday. The committee on worship has made the following assignment:

- Methodist Episcopal, evening—Rev. A. A. Couser, Des Moines.
- Baptist, morning—Rev. E. H. Heverly, Alburnett.
- Presbyterian, evening—Rev. C. H. Stauffacher, Cedar Rapids.
- Friends, evening—Rev. J. B. Meloy, Red Oak.
- United Brethren, morning—Rev. C. E. Allison, Lisbon.

The committee also assigned Rev. S. H. Streiffeler, of LeMars, to fill the pulpit of the Colo church both morning and evening.

FARMERS AND GROWERS

A Profitable Side Line Is Offered Farmers Near Marshalltown—Contract For Sweet Corn—Want 2000 Acre Crop.

Sweet corn at \$8 per ton is a profitable and satisfactory crop to grow. We want to arrange for the production of 2000 acres of this crop. A large percentage is already booked for the season. The possibilities of this crop for producing a money crop, and a crop of feed, on the same land in the same season, are very large.

The past few seasons it has been found practical to double disc this sweet corn stubble and sow winter wheat. This crop may be put in as late as October 20th, and yet yield a good return. The experience locally has resulted in yields of not less than 35 bushels of wheat per acre. The money from this crop will buy more oats than can be raised on the same acreage. Try a 20-acre field this season. Sow it to winter wheat this fall. Next spring there will be 20 acres which will not have to be seeded with oats. There is that much of the work already finished. Further announcement will be made on next Saturday, April 1st. Prices will be published again at that time. Phone No. 7, Western Grocer Mills.

Knocked Down by Auto.
As W. E. Crinklaw, 2 West State street, was crossing from the west to the east side of First avenue at Main street Wednesday evening about 7:30, he was struck and knocked down by an automobile driven by W. F. Block, 401 East Main street. He was considerably bruised but not badly hurt. Crinklaw says he did not know that Block, who was coming from the south, was going to turn east on Main. Block says Crinklaw saw him coming, and that he footed his horn, but that Crinklaw tried to get across the street in front of the car. Crinklaw's physician said this morning that he was bruised quite badly, and that there was a possibility of his collar bone being broken. An X-ray will be taken to determine this.

PAVING UP APRIL 24

Hearing on Objections to Paving Lincoln Highway to City Limits to Come Up Next Month.

City Clerk J. J. Wilson has fixed Friday, April 24, as the date on which the city council will hear objections to the proposed assessments against abutting property for the cost of paving the Lincoln highway to the city limits. The date fixed is the same as that set when objections to paving a long list of city streets will be heard by the city council.

The Lincoln highway paving projects are designated as Paving District No. 1 and 2. No. 1 is from the M. & St. L. tracks in South Ninth street to Doty street and west to Doty to the city limits. The city engineers have estimated the cost of the paving for this district at \$7,780.90. District No. 2 is from the Linn creek bridge in East Main street, east and south over Main street, South Twelfth avenue and Nevada street to the city limits. The estimated cost is \$14,108.34.

On another page of this issue will be found the formal notice of the city fixing the hearing. In each notice is included a complete list of the estimated assessments against each property abutting the streets to be paved. It is against these proposed assessments, and the project as a whole, that property owners will have the right to make formal objection. In this respect the special law that makes it possible to create these paving districts, instead of objecting to the proposed main road pavement projects to improve these streets to the city limits, property owners of Summit street are complaining because their street was not included. The council had prepared a list of six streets left out all but the Lincoln highway. Summit street property owners complain that the city council promised repeatedly to include their street, but did not do so.

IMPERIALS WIN PENNANT.

Take Three Straight From Boosters in Final Games of Season.

By taking three straight games from the Boosters Thursday night the Imperials won the pennant in the bowling league with a season's average of nineteen games won, eight lost, and a percentage of 704. Tallett, of the Hawk-eyes, had the high individual average for the season with 183, with Good, of the Woolworth team, second with an average of 182. Good also got the high individual score for one game of 243 and won the bowling belt. The Woolworth team rolled the highest series of the season with 2,717 and also the highest team single game of 890.

Dibbern had high score and high total Thursday night with 207 and 581.

The standing of the clubs at the close of the season follows:
