DEATH NEAR LEGRAND.  
Miss Agnes Straka Dies After Week's Illness of Pneumonia.  
Death, at 6:30 this morning, claimed Agnes, the 18-year-old daughter of Mr. and Mrs. Frank Straka, four miles southeast of LeGrand. Death was due to pneumonia, and followed an illness of a week. The young woman was a granddaughter of Mrs. Barbara Straka, living near LeGrand, and of Frank Sechra, of Chelsea.

Miss Straka was born on the farm where she died, April 16, 1898. Aside from her parents she is survived by four brothers, Wesley, Adolph, John and Frank.

The funeral will be held at 10 o'clock Thursday morning from the Carlton Church of the Brethren. Burial will be in Pleasant Hill cemetery, LeGrand.

Dr. Bullard, osteopath, 15 West Main.

**To Absorb Freckles And Other Blemishes**

Every spring numerous inquiries are made by girls seeking some reliable remedy for removing freckles. Last year very favorable reports were received from many who had used mercolized wax during the freckling season. The wax seems to possess unusual properties which completely absorb the freckles, with no harmful effect. The complexion improves wonderfully, becoming as soft as a rose petal, and as delicately tinted. Get an ounce of mercolized wax at any druggist's, spread a thin layer of it over the entire face every night for a while, washing this off in the morning. For rough, spotted skin, sallowness, discolorations, pimples, and all cutaneous blemishes, this treatment is superior to any other.

Springs also brings wrinkles to many sensitive skins that are much exposed to winds and changing temperatures. To a half pint with hand add an ounce of powdered azoelite, which quickly dissolves. Bathe the face in this; the effect on a wrinkled skin is remarkable.
