MAY HEAD M. & ST. L. C. W. Huntington Slated For Presidency of Road According to Report. C. W. Huntington, of Minneapolis, vice president and general manager of the Minneapolis & St. Louis railroad, will be named president on May 16 to succeed Newman Erb, according to a report current in New York Friday, and published in the Minneapolis papers this morning. This would be the first time in over twenty-five years that full control of the road would be centralized in the west. For a number of years past Edwin Hawley and Newman Erb, both New York financiers, have been president. It is understood that Erb will sever any official connection with the road but will continue as a director. Mr. Huntington would not deny the report in Minneapolis.
