UNLOADING AT "FAIR"

The Great Unloading Sale Now On Creates Much Comment From Bargain Shoppers—Crowds Taking Advantage of This Sale.

"Wonderful, I have never seen such bargains in all my life." "I must telephone for some of my friends to come down." "I must go home for more money." others said "I wish I had more money to spend," such was the universal comment of the enthusiastic crowd of buyers who thronged and filled every foot of selling space yesterday, the opening day of the mammoth unloading sale at the Fair store, Marshalltown. Enthusiastic buying this morning indicates a still greater crowd today.

The actual facts as seen yesterday, the realization that this sale offers more, better and bigger bargains than any sale ever held in this city, is spreading like wildfire thru Marshalltown and vicinity and we expect Friday and Saturday selling will break all records.

Ready For Task. This store is ready for the task with more salespeople and better service and more heaping full bargain counters. Come Friday and Saturday. You can't go wrong. Unselfish Mother Love

Mother Love is one of the most sacred things in the world. It prompts the mother to give her strength—her life even—gladly—happily—that her child may be safer, happier, stronger or better in every way.

Just a food—specially prepared to aid in making red blood and strong healthy tissue—is what she needs. Then all the natural functions of the body will be easily carried on without the least sense of fatigue or drain. With plenty of red blood in her veins, mother will feel no ill effect from nursing baby.

HEMO will aid mother in supplying baby with a quantity of good quality milk and at the same time improve her general physical condition. When it is impossible to nurse the baby, secure the food most nearly like mother's milk by asking your druggist for Thompson's Food (Peptonized).

We suggest that you try a 50c package with our guarantee of satisfaction.
