PENNER DEFEATS DROHAN'S PILOTS

MARSHALLTOWN TAKES LAST GAME OF CLINTON SERIES BY SCORE OF 5 TO 1.

LOCAL ATHLETES PLAY BRILLIANT, SNAPPY GAME

Hit Jones Opportunely, While Visitors Are Erratic at Critical Stages—Excellent Base Running Contributes to Local Success—Only Thirty Men Face Penner—Three Fast Doubles.

Following two days of ragged past-timing, the Ansons found themselves Thursday, and with Penner pitching splendidly easily defeated Clinton, in the closing game, 5 to 1, despite the fact that Drohan had saved his slab star, Jones, for the getaway contest.

Penner was master of the situation from bell to bell, only thirty men facing him during the course of the exhibition. Jones, on the other hand, was hit rather freely, and at most opportune times and his pals, also rearranged in their positions on the board, again wobbled at critical times and contributed to his undoing.

The Marshalltown infield, however, had entirely recovered from its tendency to err, and presented one of the snappiest and prettiest exhibitions that has been seen here for a long time. Eunick and Blank executed several brilliant plays on ground balls and threw out the base runners by perfect pegs to first. Ryan vied with his colleagues in making the game thrilling by aeroplaning for a liner from Nolt's bat, and bringing it down in his gloved hand. LeBeau pulled one of the prettiest plays of the day on the first ball hit, robbing Wilkes of a hit in the first inning with a smart, running catch.

Good Work On Bases. Another pleasing feature of the game was Marshalltown's good work on the bases. Four clean steals were recorded by the home organization, base runners twice pilfering third, causing Jones more uneasiness than the fear of the heavy hitters walloping the ball. Twice the home infield, by sharp fielding, completed two double plays, and the visitors were responsible for another.

Drohan shook up his outfit before sending them into the fray, Hawk replacing Menne at third, and Menne going to right field. Miller was shifted from right to center, Nolt from center to left, and Milligan was designated as bench warmer, to be inserted into the game as pinch hitter in the ninth act. The new combination did not prevent the Pilots from playing erratic ball at critical junctures.

Jones No Puzzler. Jones proved no puzzle for the home gang. Altho he kept the hits scattered the Boyle crew was hammering away, and every one was hitting the ball somewhere. Nolt and Miller had eight putouts to their credit, showing that the pill was being driven to the outfielders with frequency. Eunick hit out a two-bagger in the first inning, and LeBeau and Durham lifted long flies to Miller, both of which required more than ordinary leg work to gather in.

It was not until the third that the home bunch made its efforts count and then Harrison paved the way for the first tally by angling sharply thru the infield. Penner laid down his life for the cause, sending Harrison to second, and a passed ball put the catcher on third. Murphy wrapped out a long sacrifice fly to Nolt to register the first run.

Clean Hits and Errors. In the fourth a combination of clean hits and errors resulted in two more runs being shoved across. LeBeau doubled and scored on Durham's hot drive thru the box. Prough sacrificed, Durham to second, and the latter scored when Hawk let Blank's hot grounder croquet thru his arched pins. Nolt added to Drohan's misery by dropping Ryan's fly after he had apparently closed both mitts over the pellet.

Blank and Ryan then negotiated a double steal, but Harrison lifted a foul to Brown and Penner was thrown out at first.

In the fifth Murphy walked and was sacrificed to second by LeBeau. LeBeau was hit by a pitched ball, and with Murphy pulled the second double pilfer. Durham was passed, filling the bases, and Prough sent a long sacrifice fly to Miller to score Murphy.

In the sixth Harrison walked and Penner singled, but Murphy hit into a double. The last score was registered in the seventh. Wilkes allowing LeBeau's grounder to catapult thru him, and LeBeau scoring on an infield out and Prough's timely single.

Penner and Murphy singled in the last round, after two had been retired, but Eunick flied to Nolt for the last retirement.

Give Pilots One Run. Clinton had few chances. In the second Miller led off with a double and went to third on a sacrifice hit, but Menne fanned and Hawk flied to LeBeau. A double play, Penner to Prough, in the sixth, and another, Ryan to Blank to Prough, in the eighth, prevented Clinton from becoming contenders.

In the ninth Clinton scored its lone tally, and that was a gift run. With two out, Harrel singled to right and Durham overran the ball. In throwing in Durham missed his target, the ball rolling into the infield, permitting Harrel to romp around the bases for the lone tally. The score:

HOWARD AND COLLINS GO. Young Pitcher and Utility Man Released by Manager Boyle.

Manager Boyle Thursday released two members of the Marshalltown squad, Pitcher Howard and Joe Collins, utility man, being passed the walking alphas. Howard was secured from the Denver Western League club, and in his first appearance with the local club made a good impression. He was selected for the opening game but his showing was most disappointing, and as the staff must soon be reduced, Manager Boyle determined to drop the lad from the roster at this time.

Collins, who hails from Chicago, has been with the team since the beginning of the practice season, and has played well in several positions. As it is impossible for the club to carry a utility man and keep within the player limit, and as Collins can not hope to displace any of the regular infielders or outfielders, he also was placed on the retired list.

Mellinger to Join Bunnie.

Roy Mellinger, former star twirler of the Cedar Rapids club, who was given a trial with the Philadelphia Americans this spring, will be returned to Cedar Rapids, according to word received in Cedar Rapids yesterday. Mellinger will return to Manager Herbert at once. Mellinger made a great record in the Central Association and was one of the most popular players of the Cedar Rapids club with the home fans. He will greatly strengthen Herbert's pitching staff.

Junior Club Boys Plant Shrubs For Beautifying City

Boys of the Junior Marshalltown Club got their first chance at actual work Thursday when they began planting 2,000 of the 4,000 shrubs which S. W. Rubee ordered some time ago for beautifying Riverview park and the land near the Lennox Furnace Company. Ten faithful youths appeared at the latter place Thursday afternoon and labored diligently, setting out the fifteen varieties. The shrubs arrived Thursday.

As soon as the weather permits the boys will finish up at the Lennox Furnace plant and transfer their labor and attention to Riverview park, where the other 2,000 shrubs will be planted. These will be placed back of the caretaker's house.

Chairman B. C. Taylor, of the parks and playgrounds committee of the Junior Marshalltown Club has been working with the boys ever since the first of the shrubs were ordered, and is greatly interested in the project. Besides the work of planting shrubs, which is not exactly enjoyable, even tho the results are supposed to be pleasing, the boys are going to engage in a task which is more to their liking. This is the planting of tennis and volleyball courts in the fair grounds where they may get some enjoyment out of them this summer. The fair association has granted the privilege of using the open space where automobiles are parked for tennis, volleyball and indoor basketball courts, and Junior club members living in that end of town will enjoy them this summer.

MOVE TO MARSHALLTOWN.

Mr. and Mrs. A. C. Burgess Come Here From Omaha to Live. Mr. and Mrs. A. C. Burgess, of Omaha, have moved to this city and will make their home here. Mrs. Burgess and her son, Fred Laughlin, arrived in the city Thursday evening from Okaloosa. The family will live at 411 North Third avenue. Mr. Burgess is a plumber in the employ of Buchanan-Boughton Company.

State Center Girl to Wed.

Mr. and Mrs. J. W. Sparks, of State Center, have announced the engagement of their daughter, Mary Evelyn, to E. S. Jordan, of Colo, for four years principal of the school at that place. For two years Miss Sparks has been teaching music in the Colo school. The wedding will take place in June. Miss Sparks is a niece of C. W. Sparks, of this city.

To Open Recruiting Office.

In order that an opportunity may be given young men to enlist for regular army service the government will open a recruiting office in the postoffice building May 15.

A Sure Paint Tip
Here is a safe lead to follow in buying paint. Order lead and oil, to be hand-mixed to suit each condition—the paint that skilled painters choose for their own property. Most painters hereabouts prefer lead and oil paint composed of

Dutch Boy Red Seal White Lead

and pure linseed oil. They know it looks well, lasts long and costs least. All things needed for painting and this well-known brand of strictly pure lead always on hand. Courteous service. Delivered promptly.
