Paint can't be Told by Looks

Paint of the sham variety was never known to produce permanently satisfactory work. It may pass muster for a while, but looks alone cannot stand up against persistent, ravaging attacks of rain and shine. Looks must be backed up by weather-resistance as it is in paint made from

Dutch Boy Red Seal White Lead

and pure linseed oil. Protects against decay and gives good looks at minimum cost. Just the thing, too, for inside walls and woodwork.

We are headquarters for high-class painting necessities. Write, phone or call about paint for your property.

PUNNIES DEFEATED IN OVERTIME GAME

MARSHALLTOWN WINS SENSATIONAL FOURTEEN-INNING GAME, 5 TO 4.

HICKMAN AND UICH IN GRAND PITCHING DUEL

Durham Drives in Winning Run in Fourteenth With Hit to Left Field Fence—Sargeant Hits in Tying Run in Ninth, and Saves Game With Brilliant Unassisted Double Play.

Fourteen innings of sensational baseball, with the result always in the balance until "Bill" Durham spanked the ball against the left field fence to drive in the winning run in the fourteenth, was offered the fans Sunday in lieu of the scheduled double header. When peace was declared Marshalltown led Cedar Rapids by a score of 3 to 4.

Barring the fourth inning, when Cedar Rapids bunched hits for a brace of runs, and the fourteenth, when Cedar Rapids hurled weakened, Hickman and Uich engaged in a brilliant pitching duel. Both men pitched remarkable ball, but had Uich retained control thru the closing inning, he should have won. Hickman, however, was just as effective, and showed superior judgment and much better control.

Heroes of the Fray.

Outstanding figures of the afternoon's performance, other than the two pitchers, were Sargeant, the Marshalltown recruit; Berger, of Herbert's pitching staff, and "Bill" Durham. It was Sargeant who, in the ninth inning, delivered the timely hit that sent Hickman running across the field, and it was he who halted a Cedar Rapids rally in the twelfth by pulling a sensational play unassisted. It was Berger who, in the fourteenth, hitting for Widener, delivered the hit that put the Bunnies in the lead, and it was Durham who, in the closing half of the same inning, rapped the ball to the left field fence to send Eunik across the pan with the deciding tally.

To Durham also belongs the credit of the most spectacular play of the day. In the seventh he raced far across the field and grabbed a long fly from Anderson's bat with his gloved hand.

Playing Conditions Bad.

The game was cleanly played considering the condition of the field. Sunday morning the outfield was virtually a lake. Turbulent weather prevented many from attending the game, but the crowd, nevertheless, was large, over 1,000 fans witnessing the contest.

Marshalltown Takes Lead.

Marshalltown was first to score, being presented with run in the third inning as a result of Widener's sacrifice hit. The first two men facing Uich in that frame were easy outs, and Murphy fanned, but Widener dropped the ball, and then made a poor throw to first. Murphy going to second. Eunik rapped the ball to left field for two bases. Murphy scoring on a double.

Cedar Rapids Come Right Back in the fourth and rung up two by bunting hits. Collins singled and scored when Anderson rode the ball for two bases. The latter also scored on Schoonover's left.

Marshalltown seemed about due to break the tie in the fifth, but a hit and run play failed and the opportunity was lost. Ryan and Hickman singled in turn, and then, with Murphy to bat, Ryan led away from second prepared to take third on the hit. Murphy missed the ball, striking out, and Ryan was thrown out at second.

Battle Becomes Intense.

Then the battle became intense. Opportunities were offered for both sides, but the pitchers tightened, or the fielding was of such a sensational nature as to spoil the chances of the offenders.

In the eighth Widener got as far as third, but the Bunny batters lacked the punch to put him across.

In the ninth, after the fans had almost given up hope, Sargeant broke into the hero column by driving in the tying run. In that chapter Harrison tied to right, but Anderson dropped the ball. Lee sent Harrison down on a sacrifice hit, and then Sargeant, who had been sent into the game in the seventh to pinch hit for Blank, smashed the ball to right center for two bases. Harrison scoring. Ryan singled to Uich, and Hickman was thrown out at first.

Bunny Rallies Nipped.

The Bunnies played desperately, but twice budding rallies were nipped by the home fielders. In the twelfth Anderson, first up, hit for two corners, but was held at second as Hickman threw out Schoonover at first. Kuhn then drove a vicious liner over short, and Sargeant, by a sensational leaping play speared the ball and raced to second to complete a double, beating Anderson, who had taken a big lead on the supposedly safe hit to the barn.

In the thirteenth the visitors made a bid, but fast infield work, in which Eunik figured prominently, saved the day for the home crowd. Widener led off with a single down the first base line, and Uich was saved when Harrison felled his base and overthrew the first base. Widener went to third on the misplay, but was held there as Eunik threw Jack out at first. French hit to Eunik, who made a nice stop and a good throw to the plate to retire Widener. Uich sent to third, but Giffen ended the inning by hitting a high fly to Ryan.

Sensational Ending of Game.

The fourteenth and closing season was sensational in the extreme. Cedar Rapids scoring two runs, and the home hopefuls coming back with three. In

the Bunny half, Anderson hit to Sargeant, who fumbled the ball, the base runner reaching first. Schoonover singled, but the slow going caused Anderson to draw up second. Murphy dropped Kuhn's fly, but made a quick return and Anderson did not pass third. Berger, hitting for Widener, smacked a smart single to right, scoring Anderson and Schoonover. Uich fanned and Jack ended the round by fouling out to left.

With the game apparently gone the Marshalltown batters changed their tactics. They went to bat with the intent of waiting out the faltering Uich, and their plan of campaign proved successful. Sargeant and Ryan drew passes and Hickman hit to Uich, who made a poor throw to first, hitting the bases. Murphy hit to French, forcing Hickman at second, but Sargeant scored on the play. Another force hit, by Eunik, which retired Murphy, Jack to French, gave Ryan an opportunity to bring in the tying score.

Eunik stole second and Le Beau was walking. Durham, who had not been hitting in luck, was due to hit in this critical stage. With two strikes called he shot a liner to left which hit the fence less than two feet from the top, driving in Eunik with the winning run. The score:

Marshalltown and Waterloo were able to stage one game each Sunday. Manager Boyle and the Marshalltown team left Sunday evening for Waterloo, where today they open a three-game series.

FISHING SEASON OPENS.

Muddy Waters Prevent Successful Angling For Game Varieties.

Today marked the beginning of the open season for game fish. The rains of the last few days have caused the river to rise and the water is quite roily. These conditions made the beginning of the season inauspicious.
