

CARRIED MUCH WEALTH

MYSTERIOUS WOMAN LADEN WITH DIAMONDS VISITS MON. TEZUMA AND GRINNELL.

REFUSES TO PAWN STONES AT SEVERAL PLACES

Refuses to Divulge Reason For Her Visits and Efforts to Raise Money—Trunks Searched by Grinnell Officers—No Criminal Action Revealed and Woman Is Released.

Montezuma, May 18.—Tuesday morning a lady of no small dimension in circumference or height arrived on the M. & St. L. passenger and registered at the Ferguson Hotel as L. A. Penn, of Chicago. She was neatly dressed in blue serge, carried a black handbag and a black leather case usually carried by salesmen to inclose papers or flexible samples.

She struck the First National Bank first and sized up Cashier Heath as one who might be interested in diamonds. She had three in a black setting of some description and told Mr. Heath she desired to raise \$100 to meet an immediate demand and wanted to pawn the stones until June 1. Mr. Heath informed the stranger he wasn't a diamond expert, wouldn't know one from a piece of cut glass smeared with quicksilver and wasn't at all interested.

She visited Frank Licht, who also declined to make an investment. L. A. Shearer & Co. was visited and Earl took a peep at the sparklers thru a glass. He politely informed the woman he couldn't advance the money as she was a stranger and she might or might not own the stones. She then offered to put her ear rings and watch in pawn with the three diamonds. George Johnston was solicited to take a chance, also J. H. Platt, but all refused. Miss or Mrs. Penn, as the case may be, departed on the 3:30 train for Grinnell. On the way here from Grinnell she inquired of the conductor about connection on the Rock Island for Des Moines.

Insistent at Times. She seemed to be anxious to make a loan and at times was insistent. Her actions created some comment and officers were notified, but they were unable to do anything.

When the woman left Montezuma for Grinnell, officers were notified and upon arriving in that city her grip was searched. The millions of the law found a veritable mine of gold and diamonds. She had many sparklers, several gold watches, some very fine fountain pens and other valuable trinkets, in all several thousand dollars worth. Besides this she had several thousand dollars in money.

Asked by the officers where she got the valuables she refused to say, also declined to inform them where she lives or where she was going. She was not in the least excited about the matter, perfectly cool and said she had pawned a stone or two at Brooklyn, also a few at Grinnell. After consulting County Attorney Lyman she was released and left on the train for the west.

The whole affair is wrapped in considerable mystery. Those who examined the diamonds the woman displayed say they were genuine. Paste stones have been known to be made so perfect they defied the keenest eyes of many so-called experts. Where she accumulated these valuables, why she insists on pawning in

PIMPY? WELL, DON'T BE!

People Notice It. Drive Them Off With Dr. Edwards' Olive Tablets

A pimply face will not embarrass you much longer if you get a package of Dr. Edwards' Olive Tablets. The skin should begin to clear after you have taken the tablets a few nights. Cleanse the blood, the bowels and the liver with Olive Tablets. Dr. Edwards' Olive Tablets are the successful substitute for "calomel" because they never sicken or purger talking them.

Dr. Edwards' Olive Tablets do that which calomel does and just as effectively, but their action is gentle and safe instead of severe and drastic. Calomel is ever cursed with a "dark brown taste," a bad breath, a dull, listless, "no good" condition, constipation, torpid liver, bad disposition or pimply face.

Dr. Edwards' Olive Tablets are a purely vegetable compound mixed with olive oil; you will know them by their olive color. Dr. Edwards' Olive Tablets are the only medicine afflicted with liver and bowel complaints, and Olive Tablets are the immensely effective result.

Take one or two nightly for a week. See how much better you feel and look. 50c and \$1.00 per box. All druggists. The Olive Tablet Company, Columbus, O.

HURT BY FALLING BLEACHERS

Four Injured During May Festival at Fort Dodge.

Fort Dodge, May 18.—Four persons were injured and many more narrowly escaped serious injury when an end section of the bleachers collapsed and fell to the ground. The accident occurred shortly after the May festival given at the Duncombe Athletic park yesterday afternoon, which started at 3:30 o'clock.

Mrs. T. E. Devereaux was injured the most seriously. She had a leg broken and other minor injuries. Gertrude Russell, aged about seven years, had an ankle sprained; Pauline Beers was badly bruised but had no bones broken, and another little girl whose name could not be secured, had both feet crushed.

CHAMPIONS ARRESTED.

Willard and Getch Fined For Speeding at Boone.

Boone, May 18.—Motorcycle Cop Jimmy Flockhart proved that he is no respecter of persons when he arrested and haled into court Frank Gotch and Jesse Willard, two world's champions. Jimmy was of the opinion that the champs were speeding and as neither of the "culprits" denied it he must have been correct.

The arrest was made just after the afternoon performance of the Sells-Floto circus, with which Gotch and Willard are traveling. The champions left the show grounds by way of Greene street in Mr. Willard's car and proceeded to "let her roll" down that thoroughfare.

The champions protested one stating that they "weren't" doing more than one hundred miles an hour.

DREAMS SON IS DEAD; HURRIES HOME AND FINDS DREAM TRUE.

Special to Times-Republican. Iowa City, May 18.—A touching story concerning the drowning of Lavern Chapman, marking an extraordinary coincidence, comes to his Delta Chi fraternity brothers, who are still seeking vainly for the young man's body in the Iowa river, ninety-six hours after the tragedy.

The young man's mother, it is stated,

was visiting his aunt in another city, and she dreamed the night before the fatality that her son was drowned. So vivid and startling was the dream that she was impelled irresistibly to return home, and she arrived there just as the message reached her husband, by long distance phone, that the young student had really lost his life, as her vision portrayed.
