APPEALS LIQUOR CASE.

Matt Hanson, of Toledo, Asks High Court to Set Aside Injunction.

Des Moines, May 24.—The question of whether or not a permanent injunction should stand against one Matt Hanson, accused of soliciting orders for beer in Tama county, has been appealed from Tama county to the supreme court. Arguments were filed in the office of the clerk of the supreme court in the case yesterday.

The case is entitled the Civic Improvement League of Toledo against Matt Hanson, appellant. A permanent injunction was granted against Hanson by Judge B. F. Cummings, March 30, 1915, enjoining the defendant either by himself or agents in any manner selling intoxicating liquors in violation of law or from soliciting, taking or accepting orders for the purchase, sale, shipment or delivery of intoxicating liquors.

The defendant enters a general denial of the charges against him. This is the first case of its kind to come before the supreme court since the recent temperance legislation.

POSTOFFICE FIGHT INVOLVED.

Politics at Montezuma Revolves Around Congressional Contest.

Montezuma, May 24.—Politically little is doing here. A little contest for committeeman on the democratic ticket in Jackson township has developed which possibly reflects a little of the unsettled postoffice fight here. G. W. Hawkins, present committeeman, chairman of the county central committee and active candidate for the postoffice, filed his affidavit to get his name on the ticket for committeeman again.

J. H. Platt, lately candidate for state senator, prominent worker in the ranks and supposed to be a sympathizer of

For Pimply Faces Try Cuticura Soap and Ointment

Free by Post. A simple, easy, speedy treatment. Smear the pimples lightly with Cuticura Ointment on each of finger and allow it to remain about five minutes. Then wash off with Cuticura Soap and hot water and continue bathing for some minutes. This treatment is best upon rising and retiring, but is usually effective at any time. For pimples, redness, roughness, itching and irritation, dandruff, itching scalp and falling hair, red, rough hands and baby rashes, itchy eruptions and chafings these fragrant super-creamy emollients are wonderful. They are also splendid for surgery and toilet purposes.

Sample Each Free by Mail. With 25c. Skin Book on request. Address post-card "Cuticura, Dept. 17, Boston." Sold throughout the world.

BELLANS Absolutely Removes Indigestion. One package proves it. 25c at all druggists.

R. A. Mortland, the other postoffice aspirant, has also filed for committeeman. Hawkins and his friends are boosting Kemington, of Newton, for the congressional nomination. Mortland said his friends are for Stark Kirkpatrick. Somewhere the local postoffice seems to have been forgotten, or else things are so tangled up in the party councils that the powers that be are unable to reach a decision. In the meanwhile Postmaster White continues to render his usual good service.

A great difference is found in the postoffice situation here and at Deep River. There C. S. Marshall, one of the faithful, was rewarded soon after the change of administration. He soon tired of the job but was not relieved of the burden until recently, when a republican was appointed. There was no democrat wanting the place.

WEEKLY CROP BULLETIN.

Some Replanting of Corn Because of Cold and Poor Seed.

Des Moines, May 24.—The weekly crop bulletin says: The week was unseasonably cool, the average temperature being about seven degrees below the normal. Frost occurred from one to three nights and ice formed in many localities on the morning of the 18th. The rainfall was ample in all districts and considerable damage to trees and buildings. Rains have further delayed corn planting and plowing and cold, wet ground is causing slow growth of early planted and poor germination of late planted corn. Some replanting is being done on account of insect injury and poor seed. More winter wheat plowed or disked and ground planted to corn. Other small grain, grass and truck doing very well. Frost did some damage to tender vegetation and strawberries, but injury was generally slight and strawberries still give promise of big crop. Tree fruits generally good, but apples will be lighter than last year. Stock is thriving on pasture.

AISHTON HEADS C. & N. W.

Elected President of Company to Succeed Gardner.

New York, May 24.—Successors to the late William A. Gardner, who was president of the Chicago & Northwestern, Chicago, St. Paul, Minneapolis & Omaha railway, were appointed by the directors of the two roads in this city yesterday.

Richard H. Aishton was elected president of the Chicago & Northwestern, with Marvin Hughitt, Jr., vice president in charge of operation and maintenance, while A. C. Johnson was appointed general traffic manager.

James T. Clark, formerly a vice president, was elected president of the Chicago, St. Paul, Minneapolis & Omaha. A. W. Trenholm was appointed vice president and general manager; H. M. Pearce, general traffic manager, and Charles Jensch, controller.

CHARGED WITH DESERTION.

Negro Arrested at Ida Grove Returned to Omaha to Face Trial.

Ida Grove, May 24.—Dorsey Shufflet Flynn, of Omaha, came to Ida Grove Tuesday and took Sam Ewing, a colored man from that town, who has been working on the paving crew, back to Omaha on a charge of wife desertion. Ewing claims that his wife had recently deserted him, and that he would bring action for divorce.

LOSES NINETY-SIX SHEEP.

Wolves or Dogs Deplete Herd of Farmers in Osage.

Osage, May 24.—Garfield Moody, living a mile north of town, has lost ninety-six sheep in the last two weeks, either by wolves or dogs. Forty-two were killed in a single night. He has about 300 left.

Hubbard News Notes.

Hubbard, May 24.—Mrs. Gus Boeck died Monday morning of child birth. She leaves a husband and four small children.

Mr. and Mrs. Mannie Schultz, of Mitchell, S. D., visited Sunday with their old-time friends here, returning by the way of Boone to visit in the W. U. Wilson home.

Henry Winter is building a \$5,000 dwelling on his farm southeast of town.

Alden News Notes.

Alden, May 24.—The Ches Wood dirt machine is being used to put a three and one-half mile stretch of road to grade this season on the Hawkeye Auto Route southwest of Alden.

It is a lamentable fact that the portion of the Hawkeye Route which lies between Alden and Iowa Falls is practically no attention paid to it by road men, and it is in a most deplorable condition. A very heavy traffic is passing over it constantly and it is to be hoped that some of our public spirited citizens of Hardin county will get busy some day and make a satisfactory highway of it.

A severe wind and rain storm visited this community Sunday between 4 and 5 o'clock which uprooted and broke trees, unroofed a large portion of the main building at the crusher plant, also a large portion of the Northwestern engine house, and interfered with telephone communication on some lines.

Dubuque Man Fatally Hurt.

Dubuque, May 24.—Andrew H. Kaufmann was probably fatally injured when a high pile of door frames fell on him, crushing his skull late yesterday. Kaufmann was employed in the sash and door factory of the Farley & Loeschner Company and had assisted in piling the frames.

FLAGS ON LINCOLN WAY.

NATIONAL EMBLEM TO FLY FROM COAST TO COAST ON FLAG DAY, JUNE 14.

EXERCISES BEING PLANNED ALONG ENTIRE ROUTE.

Flags to Be Raised in Front of Every School House and Public Building on Highway Between New York and San Francisco—School Children Asked to Assemble and Sing.

Clinton, May 24.—A band of waving American flags, stretching across the continent from New York to San Francisco—a salute of rifles and cannon that will reverberate from coast to coast—the national hymn from thousands of voices and instruments—these are the plans that are being promoted for celebrating flag day, June 14, along the route of the Lincoln Highway.

In former years, the paying of respect to the flag on flag day has been more or less haphazard and, in many cases, has been completely neglected. Patriotism in school children, while not lacking, has not been inculcated in as thorough a manner as good Americans might wish.

The plan that is now being advocated will give a national flag day celebration that will aid in instilling the seed of patriotism into school children and teach them all a greater respect for the flag.

Flags on Every School House.

It is proposed that flags shall be raised on every school house and public building situated on the Lincoln Highway from the Atlantic to the Pacific, at exactly the same time on June 14. It is intended that, as the flags flutter upwards on thousands of poles along the 3,331 miles of the highway, salutes shall be fired with rifles and cannon and that bands shall burst forth with the stirring strains of the national hymn. It is intended that the school children be gathered in front of their school buildings at the appointed time to watch the raising of the flags and to join in singing "The Star Spangled Banner."

News of Allison.

Allison, May 24.—The body of Walter Burroughs, whose death occurred at Grand Forks, N. D., was brought to Allison. Funeral services were held at

the home of his parents, Mr. and Mrs. S. W. Burroughs, conducted by Rev. E. A. Doadman. He was 28 years of age and had lived in Allison nearly all of his life.

Mrs. Esther Schuler leaves this week for a month's visit with her sister, Mrs. Floyd Reed, of Lily Lake, Ill. Edmund K. Green, of Reinbeck, gave an address on woman suffrage at the court house Monday evening.

James Cadam and son John have arrived home after spending a couple of weeks at Excelsior Springs, Mo. Mrs. W. A. Smith, of Checotah, Okla., has been visiting her son Robert and family.

Hampton News Notes.

Special to Times-Republican. Hampton, May 24.—The work of wrecking the old Christian church began Monday with a force of men under the direction of D. R. Roemer. The building is to be taken down as carefully as possible and the material sold at private sale. In this way the church hopes to make a considerable sum to apply on the new church. Specifications of the new building are now in the hands of contractors and it is hoped to let the contract about June 1.

The work of the Lutheran hospital now requires the services of twelve nurses in total and after commencement here it is expected that three of the graduates will join the school for nurses.

L. H. Cobble, for many years a resident of this county, died at his farm home south of Geneva Sunday afternoon, aged about 80 years. He lived in this city for a few years and conducted a furniture store near where the postoffice now is. He is survived by his wife and one daughter, Mrs. Harry Grace, who resides near the home of her parents. Funeral services will be held at the Congregational church in this city this afternoon and the burial will be in the Hampton cemetery.

Mrs. George Molencamp has bought the Fourth street restaurant, first door east of G. E. Sargent's office and has taken possession.

Montour Items.

Special to Times-Republican. Montour, May 24.—J. P. Howard returned Monday from a few days' visit with his son, O. E. Howard, and family at Minburn. His little grandchild has been quite sick with bronchial trouble.

Frank Howard and Levi Howard, living between Marshalltown and Lamolite, were in town Tuesday visiting their father, J. P. Howard, and Levi's son John.

M. E. Hoyt, of Maxwell, has been in town for a few days on business. He is going into the monument business. J. E. Franks went to Iowa City Tuesday evening and will bring his wife home. She is recovering nicely from her operation for appendicitis about two weeks ago.

Miss Hazel Amidon, of Toledo, visited her friend Mrs. Carl Irish, Monday and Tuesday. Mrs. Laura Montgomery is having a large barn built on her place south of town on the fort acres east of the road.

Northern Iowa Items

Dubuque.

Frank Neuwehner, a former teller at the German Trust and Savings Bank of this city, Saturday entered a plea of not guilty to the charge of embezzlement on which charge he was recently indicted by the grand jury.

Fort Dodge.

Bids for the forty-six blocks of new and resurfaced paving ordered by the city council will be opened June 5 at 9 a. m. The successful bidder must begin the work not later than June 15 and have it completed by October 15.

Monticello.

The publicity committee of the Monticello Improvement Club, which have charge of the Fourth of July celebration have contracted for \$650 worth of fireworks. The contract was let to the Thearle-Duffield Fireworks Company, of Chicago. A speaker of national repute will be secured if possible.

Monticello.

Attorneys have been retained as the counsel for Thomas McArthur, of Cascade, in a damage suit brought by him against the town of Cascade, for the sum of \$2,000. McArthur, on the sidewalk some time ago and claims that the fall and resulting injury was due to the bad condition of the street. The suit soon comes off in the Dubuque district court.

Fort Dodge.

George Patterson, a painter, was fined \$100 for driving an auto while drunk. After paying his fine and being released, he had the unpleasant job of removing his car from a vacant basement at Fifteenth street and First avenue south, where he drove it Saturday night. A house had been moving when the car was in and in haste in turning a corner, Patterson mistook the basement for the right of way. He was not hurt.

Fort Dodge.

Mr. and Mrs. John Parel, of Cooper township left Monday evening for Baltimore, Maryland, where they will be present at the ordination to the priesthood of their son Thomas Parel. Mr. Parel will be ordained for the Sioux City diocese and will say his first mass at Sacred Heart Chapel, June 4. On their return from the east, Mr. and Mrs. Parel will stop at Ames to attend the graduation exercises. A second son will graduate June 8, from the engineering department.

Dubuque.

The will of the late Mrs. Elizabeth Herr, deceased wife of the late Major Herr, which left the extremely valuable Herr estate to the two daughters, Mrs. Bessie Herr and Saturday, nullified when the jury in the case, a suit brought by Miss Bessie Herr contesting the will, upheld the young lady's contentions. The late Mrs. Herr provided that the estate be divided equally between the two daughters, but that Bessie's share be kept in trust for her. Bessie contested the will and showed that her mother was of unsound mind when she made the will.

Fort Dodge.

Fire discovered in the kitchen of the Midland Cafe, 518 Central avenue, about 2 o'clock Sunday morning saw the firemen a stiff fight. The kitchen of the cafe was practically destroyed. Because of the flimsy construction of the surrounding buildings the fire spread rapidly and took much hard work to finally extinguish. The flames got thru into the "stove" pool, hal-

threatened Kehoe's drug store and the Columbia Cafe on Sixth street, and for some time promised to make merry with the old Gates store building. Several lines of hose were laid and much water thrown.

Mason City.

The front end of Ross Avery's Overland looks very much as if it had struck something that was a little too heavy for it. He was in the city Saturday evening, driving it from the farm. His machine was standing on East Fourth street, facing west, with curtains up, protecting it from the rain and weather. When he started he failed to make the necessary safety first observations, and he had only advanced about three rods when he came in contact with the street car, the auto striking the car amidship. The two front wheels of the auto were smashed and the front of the machine was pretty well ground down. The accident occurred about 11 o'clock.

Mason City.

An interesting operation was performed at the Park hospital late Saturday afternoon when a good sized safety pin was removed from the tummy of little Alvin Smith, the 13-month-old baby of Mr. and Mrs. Earl Smith, of Meltonville. While being dressed the little fellow picked up the pin and mistaking its use, had put it in his mouth and tried to swallow it. He was immediately brought to the hospital, where an X-ray examination showed the pin lodged in the esophagus. The pin was opened with the point upward. Food was given the victim forcing the pin into the stomach, where it was removed by a surgical operation. Both pin and baby are doing nicely.

Fort Dodge.

Nearly 15,000 people have used the physical privileges of the Y. M. C. A., during the past year according to the annual report by C. S. Daubert, director of the association. These figures touch high water mark for Fort Dodge. For the first time in the city's history all athletics the women of the city have had swimming privileges. Mr. Daubert has taught 116 women to swim. Of this number several have qualified as life savers. Sixty-seven men and boys have learned to take care of themselves in the water. In his gym classes alone there has been an attendance of 10,000 people. From this number Mr. Daubert has formed eighty-three basketball, volley ball, tennis and baseball teams. The junior boys took fourth place in an amateur athletic meet.

Mason City.

For about four hours Archie Peterson, of the firm of Cheney & Peterson, was as sick as he cares to be. Another fifteen minutes would have seen his finish. Carbon monoxide poisoning was the cause. Saturday night Mr. Peterson was working in the repair shop. He had an engine running and he thinks that he had run for about an hour and a half. The doors were all closed and there was no chance for fresh air to get in. All at once he felt peculiar but he didn't seem to sense the situation. He was staggering about and had fallen just as his partner, Chester Cheney, and Mike Lyons stepped in. Coming from the fresh air they realized the trouble and immediately getting hold of Mr. Peterson got him into the open air. He revived but it was some time before he was himself. He is working today and is feeling quite like himself.
