**FORTY-TWO SCHOOLS TO BE REPRESENTED AT STATE HIGH SCHOOL MEET.**

**MANY NEW SCHOOLS TO PARTICIPATE THIS YEAR**

**Eleventh Annual Athletic Tournament to Be Held at Drake Stadium Saturday—Twelve One-Man Teams Enter, and Six Two-Men Aggregations to Participate.**

Special to Times-Republican.  
Des Moines, May 25.—Forty-two Iowa high schools have entered teams in the eleventh annual high school track and field meet to be held at the Drake Stadium, Saturday. This includes all of the old time teams and a large number of new ones, the entry list as far as towns are concerned being the largest in the history of the classic. The teams entered are: Adair, Algona, Ames, Arlington, Bradgate, Cedar Rapids, Chariton, Corydon, East, North and West Des Moines, Davenport, Dexter, Eldora, Fond du Lac, Granger, Grinnell, Hampton, Hawarden, Humboldt, Ida Grove, Indianola, Iowa Industrial, Iowa City, LeMars, Manning, Marshalltown, Mason City, Mitchellville, Newton, Oelwein, Ottumwa, Perry Radcliffe, Sioux City, Spirit Lake, Stockport, Stuart, Unionville, Valley Junction, West Waterloo, Webster City.

An even dozen of the teams entered are one-man affairs, the most notable and the one from the largest town with that number of entries being Hampton of Ottumwa, winner of the half-mile year ago and winner of every event in which he has started this year. The other one man teams are: Crane, Algona; Henderson, Bradgate; Holliday, Corydon; Boyd, Chariton; Hill, Dexter; Greck, Manning; O'Neill, Oelwein; Conklin, Radcliffe; Harlan, Stockport; Getty, Stuart. Strange it is that a group of twelve men comprises a fairly well balanced track team, one that could hold the rest of the 205 athletes entered in the meet even.

**Notable Two Men Teams.**  
By some other strange coincidence of numbers just a half dozen two-men teams are entered in the meet. The two-men teams come from Fond du Lac, Grove, LeMars, Mitchellville, Unionville, and West Waterloo. This list is notable for the entry list of Ida Grove the first time that town has entered athletes in the state meet for some years, the presence of a pair of twin brothers as the Mitchellville team and the exceptional strength of the West Waterloo entry comprising as it does Rausch, the sprinter, and Bob Miller. The Ida Grove entry also has in its roster one of the exceptional athletes of the state in Orin Goodrich. He has placed in five events in some of the meets of the year but it is doubtful if he has good enough ability to land high in any one event in the state meet, although in one meet he registered 10 5-8 for the 100-yard dash, 15 1-5 for the high hurdles, 29 4-8 for the 220-yard hurdles, nineteen feet for the broad jump, and 24 for the 220-yard dash. He also helped Ida Grove to win the half mile relay in the meet in question.

**Many New Schools Enter.**  
The policy of the high school board of control to make it easy for the high school athletes is bearing fruit each year in a larger number of teams. Three years ago the entry by teams was twenty-five. This year the number is almost doubled with many teams entering for the first time or for the first time in years. Among these are: Adair, Algona, Arlington, Bradgate, Chariton, Manning, Mitchellville, Radcliffe, Stockport, Unionville, Stuart. The notable omissions from former entries are Pomeroy Storm Lake, Okaloosa, Correctionville and Anamosa.

**REPLIES TO ATTACK.**

**State Education Board Says Law Is Responsible for Dismissing**  
Iowa City, May 25.—The following statement was issued yesterday by authority of the state board of education, as a reply to the attack recently made upon the board by homeopathic physicians because children committed under the Perkins law are all taken to the university hospital:  
"To the public: The homeopathic physicians, at a meeting held recently in Iowa City under the auspices of the faculty of the homeopathic college of medicine of the State University of Iowa, have taken it upon themselves to criticize the state board of education for not sending to the hospital of the homeopathic college of medicine children committed under an act of the Thirty-sixth general assembly popularly known as the Perkins act."  
"These physicians who thus criticize the state board of education criticize it for obeying the plain mandates of the law and ask it not only to disobey this law but to send crippled and diseased children where they could not be adequately cared for."  
"The State University of Iowa includes as separate organizations the college of medicine and the college of homeopathic medicine. Each has a hospital. The hospital of the college of medicine is designated as the university hospital. The hospital of the homeopathic college is designated as the homeopathic hospital. In all the records of the state university and in the statutes of the state the two hospitals are so designated."  
"The Perkins act specifies that children committed under it shall be taken or sent to the hospital of the medical college of the State University of Iowa for free medical treatment and hospital care."  
"Subsequent sections frequently refer to the hospital to which the child is to be sent, and in every case the hospital of the college of medicine, or the university hospital, is the place designated. The homeopathic hospital is nowhere referred to. The statute is plain and explicit beyond question, and the order of the court, made out on blanks furnished by the state, designates the hospital to which the children committed are to be sent as the hospital of the medical college of the State University of Iowa."

**Give \$15,000 to Girls' Home.**  
Davenport, May 25.—The Cossett family yesterday gave \$15,000 to the new Lent-J-Hand Club home for working girls. The Cossetts made

their millions in the lumber industry. They have been noted many years for their philanthropy. The founder of the family wealth, the late E. S. Cossett, was penniless at the age of 50. In his later years he made all of his business associates wealthy. One of his acts of philanthropy was the gift of \$10,000 for the present Y. M. C. A. building.

**HOTEL KEEPER FINED.**

**Assessed \$25 and Costs For Serving Skimmed Milk to Patrons.**  
Special to Times-Republican.  
Des Moines, May 25.—Hotel and restaurant men and also boarding house keepers for that matter can't serve skim milk to their guests or boarders any more. If they do they are liable to be arrested and fined by the state food and dairy department. The milk has to at least test 4 per cent butter fat.  
The department just prosecuted a case at Thompson, against Thomas Egan, the hotel keeper there, on the charge of serving milk that was not up to the standard required by the state law. He was tried in the justice court at Thompson and fined \$25 and costs. This is the first time a ruling has been secured by the department on this point.

**OPPOSE FURRY'S PAROLE.**

**Brothers of Murdered Man to Enter Protest With Parole Board.**  
Special to Times-Republican.  
Des Moines, May 25.—F. C. and A. G. West, brothers of Floyd West, for whose murder, thirty-two years ago, Henry Furry, of Polk county, was sent to the penitentiary, have notified the state board of parole that they will appear before the board to protest against the parole of Furry, who is an old man now. Furry asks to be paroled to the soldiers' home at Marshalltown. He is an old soldier. He and Floyd West were brothers-in-law and it is reported that the killing was the outcome of some family quarrel.

**G. M. KELLEY DEAD**

**PROMINENT CANNER SUCCEUMS WHILE EN ROUTE TO CALIFORNIA.**

**WAS HEAD OF HAMPTON KELLEY CANNING COMPANY**

**Taken Ill at El Paso and Undergoes Operation For Appendicitis—Interested in Plants at Grinnell, Belle Plaine, Iowa City and Other Iowa Towns—Departed For West May 1.**

Special to Times-Republican.  
Hampton, May 25.—A telegram was received here Wednesday bringing the sad intelligence that C. M. Kelley had succumbed to an attack of appendicitis in a hospital at El Paso, Tex., where he was taken last week from a train while himself and wife were en route to the coast on a pleasure trip.

Mr. and Mrs. Kelley left here May 1 via the southern route for a trip to the coast, but when they were nearing El Paso Mr. Kelley was taken suddenly ill with acute appendicitis. He was removed to a hospital, and while his condition following the operation was critical, there were reports that he was doing fairly well.

Mr. Kelley came to this city several years ago and organized the Hampton-Kelley Canning Company, one of the many similar enterprises with which he is identified, and has made his home here since and gained for himself many friends who will learn of his untimely death with regret.

He is survived by his wife, three brothers, Horace, of Iowa City; George of Grinnell, and Milo, of Belle Plaine, and a sister, Mrs. W. H. Reed, of St. Paul. His age was about 48 years.

**AGED RESIDENT DEAD.**

Henry Busch, for many years a resident of this city, died at the home of his son, William, at the age of almost 78 years. He was born in Germany, and in 1881 came to America and settled at Parkersburg. Ten years later he came to this city. His wife died about thirty years ago. He is survived by his son William and a sister, Mrs. John Hincken, of Hampton, and a brother and sister in Germany.

**CAPTAIN WALKER DEAD.**

**Tama Resident Distinguished Naval Officer During Civil War.**  
Special to Times-Republican.  
Tama, May 25.—The death of Capt. George W. Walker, which occurred at his home in Tama Tuesday night, removes one of the best known veterans of this section of the state. Captain Walker was born in Pittsburg July 31, 1827. At the age of 12 he began work as cabin boy on an Ohio river steamer. He continued in the service of steamship companies operating on the Ohio and other rivers until the outbreak of the civil war, when he enlisted in the navy. During the Mexican war of 1842 he aided in transporting soldiers to the south and as master engineer he drew the highest salary paid in those days, \$150 a month.

As captain in the navy he drew the attention of Admiral Porter and was made chief engineer on Admiral Porter's flagship, Black Hawk. In Admiral Porter's history of the war Captain Walker is mentioned most favorably and he has prized much of a copy of this history, which the admiral sent to him with his personal compliments. The captain remembered well the frequent visits of General Grant to the flagship for conferences with Admiral Porter.

At the close of the war Captain Walker located in business in Omaha for a few years and then came to Tama county, locating on the 240 acre farm which he still owned at the time of his death. His second wife and one daughter, Mrs. John Hogardt, of Tama, and two sons, George Walker, of Denver, and Porter Walker, of South Pekin, Ill., share his loss with a large circle of friends.

**PASSING OF REAL PIONEER.**

**Edwin Benedict, of Ida Grove, Succumbs to Dropsy.**  
Special to Times-Republican.  
Ida Grove, May 25.—Edwin Benedict, one of the real pioneers of the northwest, died at his home in this city, his death being due to dropsy and heart trouble. Mr. Benedict drove from Poweshiek county, Iowa, to this county in a covered wagon, landing here with one horse and a mule and what few farm implements of crude manufacture that were in use in those days and what he could conveniently tie under his covered wagon.

His real estate holdings in Ida county are very close to 1,500 acres, and in Canada was a partner with four sons in the ownership of over 5,000 acres of land and several hundred head of horses and cattle. His land in Ida county alone would bring his wealth close to a quarter of a million dollars.

Mr. Benedict was the father of thirteen sons and one daughter, and there are seven sons surviving, four in Alberta, Canada, one in California, and one in Ida Grove. Mr. Benedict had married twice and is survived by his second wife, who makes her home with the sons in the British dominions. He also has twenty-one grandchildren and five great grandchildren.  
Mr. Benedict was born in Ohio, but came west and located in Winneshiek county, being only 14 years old when he came west. He was 75 years old at the time of his death. No funeral arrangements will be made until the arrival of his wife and sons.

**Greene News Notes.**  
Special to Times-Republican.  
Greene, May 25.—Mr. and Mrs. A. B. Richards arrived in Greene Tuesday from Corpus Christi, Tex., with the body of their infant son Max, 3 1/2 old, who died there, having suffered an attack of bowel trouble.  
Jim Moorehouse has returned to Greene from Kansas, after an absence of several months.  
Memorial Day will be observed here Tuesday.  
The ladies of the McKinley Circle are planning a sunset service for Tuesday evening at 7 o'clock. The decorating of the water will take place at the bridge, with appropriate music and exercises, providing the weather is fair.

**Sioux Rapids Items.**  
Special to Times-Republican.  
Sioux Rapids, May 25.—After a lingering illness covering more than two years, Mrs. Henry Phillips died early Saturday morning at the home of her son Walter. Funeral services were held from the home Sunday afternoon, conducted by Rev. Mr. Pillsbury, of the M. E. church, and the body was laid to rest beside the husband, who died several years ago. Two sons, Walter and William, both of this place, and several grandchildren survive her.

**St. Louis News Notes.**  
Special to Times-Republican.  
St. Louis, May 25.—Toledo high school shut out the Traer nine on the Leander Clark College diamond by a score of 4 to 0. The Toledo players were in no danger of losing at any period of the game. Rocknefeld, of Toledo, struck out fifteen men.
