TODAY'S BEAUTY HELP

You can keep your hair at its very best by washing it with this simple, inexpensive shampoo, which cleanses the hair and scalp thoroughly of all the dandruff and dirt and leaves a clean, wholesome feeling. Just use a teaspoonful of canthrox dissolved in a cup of hot water, afterwards rinsing thoroughly with clean water. One finds that the hair dries quickly and evenly, is unstreaked, bright, soft and fluffy, so fluffy, in fact, that it looks more abundant than it is, and so soft that arranging it becomes a pleasure. All scalp irritation will disappear and the hair will be brighter than ever before.
