PLUG CHEWING A WHOLESOME HABIT

In No Other Way Can You Get All the Richness and Flavor of the Leaf

"SPEAR HEAD" BEST CHEW

Many prominent physicians declare chewing to be the most wholesome way of enjoying tobacco.

"I began chewing some years ago," said one, "and I soon found that it is the only way to get the benefit of all the rich juices stored up by nature in the tobacco leaf."

"Chewing good tobacco like Spear Head makes the salivary glands more active, which in turn has a beneficial effect on the whole system."

RELIABLE HOME TREATMENT

Thousands of wives, mothers and sisters are enthusiastic in their praise of Orrine, because it has cured their loved ones of the "Drink Habit" and thereby brought happiness to their homes.

Orrine is prepared in two forms: No. 1, secret treatment; Orrine No. 2, the voluntary treatment.

If Too Fat Get More Fresh Air

BE MODERATE IN YOUR DIET AND REDUCE YOUR WEIGHT. TAKE OIL OF KOREIN.

Lack of fresh air it is said weakens the oxygen carrying power of the blood, the liver becomes sluggish, fat accumulates and the action of many of the vital organs are hindered thereby.

Fat put on by indoor life is unhealthy and if nature is not assisted in throwing it off a serious case of obesity may result.

When you feel that you are getting too stout, do the matter in hand at once. Don't wait until your figure has become a joke and your health ruined through carrying around a burden of unsightly and unhealthy fat.

Spend as much time as you possibly can in the open air; breathe deeply, and get from McBride & Will or any druggist a box of oil of korein capsules; take one after each meal and one before retiring at night.

Keep up the treatment until you are down to normal. Oil of korein is absolutely harmless, is pleasant to take, helps the digestion and even a few days' treatment has been reported to show a noticeable reduction in weight.

KEEP LOOKING YOUNG

It's Easy—If You Know Dr. Edwards' Olive Tablets

The secret of keeping young is to feel young—to do this you must watch your liver and bowels—there's no need of having a sallow complexion—dark rings under your eyes—puffy, a few days' treatment has been reported to show a noticeable reduction in weight.

Dr. Edwards, a well-known physician in Ohio, perfected a vegetable compound mixed with olive oil to act on the liver and bowels, which he gave to his patients for years.

Dr. Edwards' Olive Tablets, the substitute for calomel, are gentle in their action, yet always effective. They bring about that exuberance of spirit, that natural buoyancy which should be enjoyed by everyone, by cleansing the liver and clearing the system of impurities.

You will know Dr. Edwards' Olive Tablets by their olive color. 10c and 25c per box. All druggists.

SHENANDOAH ORIGINATES ORIGINAL STUNTS FOR CELEBRATION OF TURKEY DAY.

FREE SHAVES, SHINES AND POPCORN FOR GUESTS

Turkeys, Geese, Ducks and Chickens to Take Wing From Tops of Buildings and to Become Property of Captors—Theater, Coal and Grocery Tickets Likewise Distributed.

Shenandoah, Oct. 13.—Turkey day plans are rapidly developing and there is every indication that it will be a great day for amusement. A soliciting committee has been out part of one day soliciting and has not been turned down by a single firm in town.

The subscription thus far includes turkeys, geese, ducks and chickens, coal, flour, cigars, free shaves, free shaves, popcorn, moving picture tickets, groceries, etc.

As previously stated the poultry will be distributed from the tops of the buildings and allowed to use their wings. Probably each turkey, or other bird will wear a tag tied to its leg inscribed "Compliments of Smith & Jones," or whatever the name of the firm giving it may be.

Other articles will be given by coupons thrown from the rooms in specially prepared envelopes with the words "Compliments of Shenandoah" on the outside and the coupon inside will say "Good for one sack of flour or one sack of peanuts or one quart of oysters or one hair cut as the case may be."

Coal From House-tops. One firm agrees to give 100 articles from the store but has not yet divulged what they will be. That will take 100 coupons. One man is to give twenty-five sacks of popcorn. He may decide to throw the sacks off the building.

One man says he will distribute a half ton of coal from the top of the tallest building one chunk at a time, but that is a joke. He will use a coupon and it will be mighty fine for some poor family who gets it. It is not compulsory but it is suggested that if any rich person gets something of the

kind that he give it to one of his poorer friends.

A big lot of stunts are being worked out in the busy brains of the business men and before Nov. 25 a lot of drawing cards will be announced. It is a dead sure thing that a lot of people for once in their lives will get something for nothing.

It is expected that the merchants will be planning to help draw people to town by trade offers. We want the people to come to town to see the fun, to get some of the free gifts, and then we want them to take advantage of the trade bargains offered on that day.

Chinese Debater at Ames. Pau Sien Chung Member of College Team to Meet Kansas Aggies.

Ames, Oct. 13.—A Chinese student knows so much about American economic problems, and is so good at talking on his feet, that he had made the Ames varsity debating team which is to meet the Kansas Aggies in dual debate. He is an exceptional student.

His name is Pau Sien Chung, a senior in animal husbandry, hailing from Canton, in the yellow empire. The other men of this team are A. E. Adams, Edgar F. Craft, H. J. Harper, F. E. Wilcox and Chris Christensen.

Tryouts for the Ames-Minnesota-Wisconsin triangular debating team are to be held Oct. 24.

Sac City News Notes. Special to Times-Republican. Sac City, Oct. 13.—The first case of infantile paralysis in Sac county was reported this week. It was announced that the little son of Mr. and Mrs. Herman Wolfe, of Cedar township, was seriously ill. A trained nurse is caring for him and he is reported as being a little better today.

The students of the Sac City Junior high school will observe "Towa day" with an appropriate program Friday afternoon, Oct. 20. One of the features will be a musical number by a chorus of 125 voices.

The clerk of the district court of Sac county announces that eleven petitions for divorce will be heard in the October term of court—an unusually large number for a county the size of Sac.

J. H. McCord, of Spencer, has purchased the sixty-five acre farm of F. M. Lore on the southern edge of the city, and it is planned, if there is a sufficient demand for lots, to lay out a new addition.

The funeral services of B. L. Hovey, one of the old settlers in this locality, were held in Sac City yesterday. He was born in 1844 in New York state and came to Iowa at the age of 14 years. He enlisted in the Twenty-

seventh Iowa infantry in 1862 and served through the civil war. He was married in 1868 in Waverly, Iowa, to Miss Fanny Bromley, whose death occurred in 1898. Forty years ago last March they came to Sac county and resided for many years on a farm south of Sac City.

Bliss M. Bedell, of Early, and Miss Belva Elizabeth Larimer, of Sac City, were married in Sac City at the residence of the officiating clergyman, Rev. J. Irving Brown, pastor of the First Christian church. They will make their home in Early, where Mr. Bedell has employment.

A new literary society has been organized in the high school comprising members of the sophomore class exclusively. The name "Literati" was adopted and the following officers elected: President, Everett Kane; vice president, Velta Rench; secretary, Charles Long. The first literary program of the new society will be given next Friday and will be in the form of a play.

WEHRMAN GRINNELL ALUMNUS. New President of Tabor College is Self-Made Man.

Grinnell, Oct. 13.—The new president of Tabor College at Tabor, Nelson Wehrman, is a graduate of Grinnell of the class of 1904.

He was a married man before he decided to enter college, and had been working in a local shoe store for a number of years. He worked his way through Grinnell, and then studied at Hartwood and Chicago theological seminaries.

He was ordained as a minister and his first charge was the Congregational church at Fort Dodge, which position he held for a number of years. He left his work at Fort Dodge to become dean of Tabor College about five years ago.

President Wehrman has a great many friends in and around Grinnell. Prof. Charles Noble went to Tabor as Grinnell's special representative at the installation of President Wehrman.
