RUB YOUR BACK!
STOPS LUMBAGO

DON'T DRUG KIDNEYS! RUB THE PAIN RIGHT OUT WITH OLD "ST. JACOBS OIL!"

Back hurt you? Can't straighten up without feeling sudden pains, sharp aches and twinges? Now listen! That's lumbago, sciatica, or maybe from a strain, and you'll get blessed relief the moment you rub your back with soothing "St. Jacobs Oil." Nothing else takes out soreness, lameness and stiffness so quickly. You simply rub it on and out comes the pain. It is perfectly harmless and doesn't burn or discolor the skin.

Limber up! Don't suffer! Get a small trial bottle from any drug store, and after using it just once, you'll forget that you ever had backache, lumbago or sciatica, because your back will never hurt or cause any more misery. It never disappoints and has been recommended for 60 years. Stop drugging your kidneys! They don't cause backache, because they have no nerves, therefore can not cause pain.
