WOMEN NAMED AS ELECTION JUDGES

TWO WOMEN SELECTED FOR ELECTION BOARD IN EACH CITY WARD.

PLAN TO BE FOLLOWED IN COUNTY PRECINCTS

Names Selected From Lists of Available Electors Submitted—Not Definitely Known Whether All Appointees Will Serve—Three Democratic Members to Be Supplied.

Women clerks and judges of election in every precinct in the county is the plan of the county board of supervisors and if the plan fails it will fall because the women refuse to serve. The supervisors hope to have one woman clerk and one woman judge, one from each party, in each of the five wards of the city and have some instances it is not definitely known whether the appointees will serve.

The board is attempting to follow the same plan throughout the county but in some precincts it has been difficult to find women of both parties who are willing to serve.

Where Are the Democrats.
Four years ago it appeared that many voters had changed their affiliation to the democratic party but now have electors who will admit they are Cox voters and are willing to serve as such on an election board as plentiful as dollar-a-day laborers.

Patient search by members of the board has failed to reveal a second ward democrat who desires a position on the board. While the effort to locate democrats in the Third and Fourth wards was not as strenuous the result was the same and the democratic positions on the board are yet to be filled. The task of securing election board officials now probably will be left to the county chairman.

List of City Officers.

The city boards will be made up of two men and a woman judge and a man and a woman clerk. The boards for the five wards have been chosen as follows:

First—J. A. Lay, C. J. Scheeler and Mrs. E. T. Austin, republicans; E. D. Yount and Mrs. Elizabeth Gay, democrats.

Second—E. B. Ems, B. B. Shollenberger and Mrs. Minnie Allen Grimm, republicans; Mrs. Grace Swingley Bushnell, democrat; one democratic member to be secured.

Third—A. M. Treat, F. W. Isoman and Mrs. D. R. Jackson, republicans; Mrs. J. F. Hobbs, democrat; one democratic member to be secured.

Fourth—C. W. Caton, C. A. Landis and Mrs. J. L. Williams, republicans; Mrs. Harry E. Fessler, democrat; one democratic member to be secured.

Fifth—H. W. Ogan, Frank Bingham and Mrs. Frank Bingham, republicans; R. E. Pineo and Mrs. Dod Shannon, democrats.

Property, estimated to be worth not less than \$75,000, the estate of Henry Buschbom, who was a wealthy farmer of Marietta township, is to be divided as he provided in his will. DR. GELVIN LECTURES.

Cedar Rapids Pastor Holds Optimistic View of Nations Future.
Dr. Edward Hill Gelvin, minister, lecturer and traveler, and successor to Dr. Joseph Fort Newton in the Independent Church of Cedar Rapids, delivered an inspiring and interesting lecture at the Y. M. C. A. Wednesday night under the auspices of the Y. W. C. A. There was attendance of 175. The receipts will be added to the building fund.

Dr. Hill spoke on the subject "Preserving the American Tradition" from a purely educational standpoint. He took as a basis the celebration of the landing of the Pilgrim fathers and traced the movements of history thru the seeming dark periods, showing that they always led into something better and that tradition from our Pilgrim fathers has brought a government inherited in the individual common man.

The American problems of unrest, according to Rev. Mr. Hill, are signs of growth, not to be feared but met and worked out and that the democratic government is a confession of faith in people, that they are fit to hold the sovereignty of the country and must take the responsibility of it. The problems are simply a result of economic and industrial changes and that better times will never come thru a mere outward change but it must come thru a new spirit of society in general and in the hearts of the people.

SULPHUR IS BEST TO CLEAR UP UGLY SKIN

Irritation and Breaking Out Often Healed Over Night, Says Skin Specialist.

Any breaking out or skin irritation on face, neck or body is overcome quickest by applying Mentho-Sulphur, says a noted skin specialist. Because of its germ destroying properties, nothing has ever been found to take the place of this sulphur preparation that instantly brings ease from the itching, burning and irritation.

Mentho-Sulphur heals eczema right up, leaving the skin clear and smooth. It seldom fails to relieve the torment or disfigurement. A little jar of Mentho-Sulphur may be obtained at any drug store. It is used like cold cream.
