Does your money

WALK RIGHT IN, AND TURN AROUND,
AND WALK RIGHT OUT AGAIN?

You have missed the big idea of the Savings Habit if you
make it an "in" and "out" affair. We understand of course
that occasions arise when it is necessary to withdraw.
But let necessity make the occasion, Don't drift into the
withdrawing habit.

CHRISTMAS ...TREES...

At the low prices for Christmas Trees every
family should have one. They are the least ex-
pensive item in Christmas shopping, and yet they
are the most appreciated by the children. We
have a choice lot of Northern grown trees, much
more symmetrical and sturdier than the small
trees cut from the forest. Call and choose the
one you want and we will deliver it when wanted.

Metal Tree Holders to last a lifetime at low cost.

We have also a complete line of Holly, Mistle-
toe, Wreaths and Christmas Decorations of every
kind; Candles and Ornaments for the trees.
