Local Briefs.

The English Lutheran ladies aid society will meet tomorrow afternoon at the home of Mrs. C. L. Best.

The Christian ladies aid society will meet in the lecture room of the church, Wednesday at 1:30, to quilt.

The Royal Neighbors will meet tomorrow evening at 7:30 in Elmo hall.

Mr. and Mrs. Haller of Minnesota are moving into the Sam Sheldon house on Water street.

Crooked Creek selling Ogden coal, best Iowa coal. Also Illinois lump and egg. Phone No. 3. d-f-1f

Lost, rear auto lamp and number 12309. Finder return to this office. R. L. Doolittle. 1d2f1t1*

Miss Daisy Sweazey has accepted a position in the office of the Independent Telephone company.

B. L. Britton and family have removed from 856 Division street to their fine new residence on Water street.

For rent, the Kennedy 40 acre tract just across the bridge in the northeast part of town. See Sam Bateman. 30d2f1t1

The ladies aid society of the Baptist church will meet with Mrs. J. H. Shafer, 814 Walnut street, Wednesday, October 2, at 2:30 p. m.

The regular weekly drill of company C will be held on Wednesday instead of Tuesday evening this week.

Photographer Brown recently took a very fine picture of the organization of the past noble grands of the O. E. S. of this city.

A black heifer, weighing from 400 to 450 lbs., recently left my place. Anybody knowing whereabouts of animal kindly notify C. W. Wright, Martin phone 1216. 30d2f1t1

Word received from George Jewett in Des Moines states that he is getting along nicely but that Mrs. Jewett is now confined to her bed with a severe attack of rheumatism.

Frank Maag has accepted a position in the Chas. T. Smith & Son clothing store for Saturdays and after school. Glenn Greenwood is also assisting in the shoe department of the same firm.

Work on the laying of the asphalt on Water street was suspended yesterday because of some breakage in the asphalt mixer. It was found necessary to send away for new pieces of machinery which arrived today. The necessary repairs have been made and work resumed again.

A. A. McLaughlin of Des Moines was recently appointed attorney for the state of Nebraska, and not W. M. McLaughlin, as was stated in these columns. The boys are both old Hamilton county residents, sons of Angus McLaughlin, and in writing the item the Freeman-Tribune simply got their initials mixed.

Speaking of fishermen, Lou Mills, the plumber, is not to be sneezed at. He caught a fish of the pike variety a few days ago that in size is a surprise to his friends. "Lou" has the head of the big fish on display at his plumbing shop, where any who desire may see this evidence of his prowess as an Isaac Walton.

Miss Fern Frazier, sister of Will H. Frazier and a former well known and popular local girl, was united in marriage recently with Mr. Maynard Armstrong of Des Moines. Miss Frazier accepted a position in the capital city some two years ago and has resided there since then. Mr. Armstrong is affiliated with the Bankers Life Insurance company and is one of Des Moines' successful young business men.

F. L. GREELEY WILL BUILD NEW STORE

Proprietor of High Art Wall Paper Store to Build Next Spring.

Frank L. Greeley, proprietor of the Greeley High Art Wall Paper Store, first door west of The Willson is planning to erect a new brick building next spring for his business in order that he may have much needed room for the accommodation of his stock and trade. The building will be built as a strictly wall paper store, with many of the fixtures placed in the walls. As yet the plans are not complete, but the store will be 100 feet in length, two stories in height with a front of pressed brick.

For his show rooms Mr. Greeley will have selling booths patterned by himself. This will do away with most of the show racks that are generally used, as the stock will be contained in small cabinets, which will be provided in each of the booths. The idea of individual selling booths comes from the larger cities. At the rear of the front or show room the stock part of the house will be located. Mr. Greeley will also install some of his own fashion of racks, varnish and paint containers in this part of the building. In the rear of the building Mr. Greeley will have his work room and it will be large and roomy. It is probable that he may enter into the glass and picture framing business when sufficient room is possible for him to extend his lines. The new structure will be one of the best business buildings in the city and one that will be a credit to the town. Mr. Greeley has been in business for several years in this city and has established a good reputation.

REV. PERCY SUCCEEDS REV. J. W. PETERSON

United Brethren Conference Closes At Vinton—Ministers Receive Appointments.

The United Brethren Conference recently held at Vinton closed with the appointment of the ministers to their charges for the coming year. It will be learned with regret that Rev. J. W. Peterson will not return to Webster City. He has been a faithful and hard working pastor in this field and has accomplished much during his pastorate here. He has been removed at his own request, as the work here was too heavy for him. He will probably be located at Merville or Bristow for the coming year, though the matter is not yet definitely decided upon.

Rev. R. R. Percy of Granger has accepted the Webster City appointment and will be here some time during the latter part of the week.

THE IOWA WEATHER AND CROP REPORT

Probably Twenty per Cent of Corn Crop is Damaged by the Heavy Frost.

Des Moines, Oct. 1.—The damp, cloudy and cold weather which prevailed during the third week of the month continued during the past seven days. Heavy to killing frosts were general, and freezing temperatures occurred in many localities on two or three mornings. Variable reports are received as to the damaging effect of the recent frosts on the late-planted corn, but the extent of injury will not be fully determined until after the crop has been harvested. Probably 20 per cent of the crop was somewhat damaged, but as a whole, the crop is remarkably large and sound in view of the fact that the spring was late, and at many times during the season the weather was not considered to be favorable. Probably 80 to 85 per cent of the total yield will be sound and merchantable, and the balance will possess much feeding value. That there was not more damage done by the frosts is due to the fact that over the larger part, if not all of the state, the weather became cloudy early in the morning after each frost and remained so during the day. The final reports for the season will show that Iowa has produced one of the largest, if

not the largest crops of corn and small grain in the history of the state. In fact, all crops have been good except apples. The frequent and well-distributed showers have put the ground in excellent condition for fall plowing, and considerable winter wheat was sown during the past week. Pastures are in fine condition and stock is generally healthy except hog cholera prevailing in the southwestern counties.

Bert, The Barber.

I haven't quit the business, but sickness compelled me to take a vacation. I have put a chair in Butler's pool hall, second door west of L. Frank's clothing store. Friends and customers, I want your patronage. I need the money. d1f1*

Rev. Georg to Mankato.

Rev. Georg and family left this morning for their home in Mankato, Minn. While their many friends here hate to see them go they one and all wish the reverend gentleman success in his new field of work and his family a pleasant home in their new location.

NEW MACHINERY FOR THE LAUNDRY

Webster City Star Laundry Will Install \$1,550 Worth of New Machines.

To handle their increasing business expeditiously and satisfactorily, Stevens Brothers, proprietors of the Webster City Star Laundry, have placed orders for new machinery to the amount of \$1,550. It is expected to arrive in the city some time this week and will be installed at the earliest possible moment.

The new equipment consists of a flat work machine, a product of the Triumph Laundry company of Chicago, costing \$800, and a water softener and steam trap made by the Wayne Manufacturing company of Fort Wayne, Indiana, at a price of \$750. With these improvements the local laundry will have its working capacity very largely increased. The flat work machine is designed for sheets, towels and other plain ironing. The water softener is one of the most modern of laundry improvements but lately put on the market. This machine softens the hardest water without the use of chemicals. The local laundry proprietors also own the laundry at Red Oak and this new machinery has proved successful in the establishment there, both as to speed and the fine quality of work turned out. The Stevens Brothers have been located here but a comparatively short time, but they have built up a successful business, the quality of work done by them being equal to that of the best laundries.

Brother Killed.

Mrs. J. S. Gingery received a telegram Sunday evening from Davenport, saying that her brother, whose residence is in Fort Dodge, was fatally injured and died in the Davenport hospital Sunday afternoon. The telegram also stated that another brother had been seriously injured at the same time, in what is understood to have been a street fight of some kind, but was expected to recover. Mr. and Mrs. Gingery left for Davenport Sunday evening.

Rhinehardt Farm Sold.

The eighty acre farm about one and one-half miles south of the city, belonging to Messrs. Henry and Frank Rhinehardt, was sold yesterday to D. E. Kline of Crete, Nebraska, by the land firm of Mikel & Bateman. Mr. Klein is planning to erect a fine new modern dwelling on this farm in the spring and will then move his family here. The farm is a fine piece of land, well worth the sale price of \$170 per acre.

Pringle Farm Sold.

The 184 acre farm belonging to S. D. Pringle was sold last week to D. S. Darnell of this city for the sum of \$150 per acre and Mr. Darnell has already moved his family to their new home. Mr. Pringle has purchased the G. W. Lee property on the east side and is at present making his residence there.

Dame rumor has it that a brother of the general editor of the Journal is to join the ranks of the benedictines this week.

The ladies aid society of Breese Hill will meet on Thursday afternoon, October 3rd, at 2 o'clock at the home of Mrs. W. T. Weir.

Kraut cabbage. Good solid heads at 50 cts. dozen or 75 cts. 100 lbs., for short time. Martin phone 141. J. W. Hawk. East side of river, north of I. C. tracks. 28d3f1t1*

CHILD SWALLOWS SILVER QUARTER

Coin Lodges in Throat of Little Daughter of Mr. and Mrs. Chas. Christenson.

Margaret, the three and a half year old daughter of Mr. and Mrs. Chas. Christenson, while playing with a silver quarter last evening swallowed the coin and it lodged in her throat. Local physicians attempted to extract the coin but without success, and this morning Mr. Christenson, accompanied by Dr. O. C. Buxton, took the little girl to Des Moines where an X-ray examination will be made. Mr. Christenson is the auto liveryman at the Hanson & Tyler garage.

Last evening the child's father gave her a quarter to play with and she, childlike, placed it in her mouth, unnoticed by her parents. Shortly after that she was found to be choking and for some time it was not known as to what was wrong. However, the absence of the coin soon led to the discovery of the little girl's trouble, and a physician was sent for. An X-ray examination followed, but the coin was not located. Physicians worked on the case all night, and as the coin could not be extracted, Des Moines physicians will be consulted. It is expected that with the aid of their more powerful X-ray equipment the quarter will soon be located and removed.

Farm for Sale.

Eighty acres, well tilled and good improvements. One-half mile from school and four and a half miles from Blairsburg. 30d3f1t1 C. F. Wilke.

CAPTAIN F. J. LUND RUNNING FOR MAJOR

Captain Lund Seems to be Only Candidate—Returns Will be Made Known Oct. 10.

A vacancy having occurred in the office of major of the second battalion of the 56th regiment of the I. N. G., Captain F. J. Lund of company C has been urged to become a candidate for the office. So far as is now known there is no opposition to his candidacy and it looks as if the captain would succeed in obtaining the honor. Voting is being done by the various companies this week and the returns must all be in by October 10th, when the result of the election will be made public. Capt. Lund is an experienced I. N. G. man and would fill the position of major in a most creditable manner.

Teams wanted on paving. \$4.50 per day. Zitterell & Sullivan. d-f-t-f

THE CONFESSION OF THE PSALMIST

Evangelist Nelson Preached to Good Sized Audience at Baptist Church Last Night.

A good sized audience was in attendance at the meeting last night at the Baptist church. Evangelist Nelson preached from the confession of David in the 51st Psalm. He said that one thing he especially liked about that passage was that it was the record of an honest confession. An honest confession is a rare thing in any age. But here was a man who felt the wrench of sin so deeply that he humbled himself and made a clean breast of it. David did not recite to the Lord the sins of somebody else but his own. People are so willing to tell the Lord or some one else the sins of other people, but mighty reluctant to confess their own. David knew full well that he had lost the joy of his salvation, and that on account of his sin. A sin need not be what we commonly call great to rob us of our joy in the Christian life. Any sin continued in will accomplish the same result. Even the sin of neglecting God's work and the house of worship will rob the Christian of his once while joy. So David prayed earnestly for the Lord to restore the lost joy that he had had in his relation to God. Then when that joy was forthcoming he would teach sinners the way of salvation, but until the sense of restor-

ation came he would be powerless to guide others. The way to restore that lost joy is by the way of full confession of sins, and a willingness to do something for God.

It was a strong plea and stirred deeply the hearts of those who listened.

Prof. Wood is getting together a good chorus and others are coming to join. The singing is a great feature of the meeting. The leader has a faculty for getting music out of the songs and out of people.

Service begins tonight at seven-thirty sharp. Everybody receives a cordial welcome to the meetings, regardless of church affiliations.

Another Candidate for Congress.

The Fort Dodge newspapers say Congressman Woods is to have opposition in this district in the person of Major Philpot of that city, who has filed nomination papers. Mr. Philpot is reported to be a progressive republican, the kind who believes in the Roosevelt third ticket, and is regarded as a man of ability by his fellowtownsmen.

TRYING TO SMOKE OUT HON. F. P. WOODS

Word Comes From Des Moines That Major Philpot Will Make Vigorous Campaign.

Word comes from Des Moines that Hon. Frank P. Woods, member of congress from this district, will have to get off the fence or suffer defeat. Major Philpot is going after his scalp in vigorous fashion in an effort to knock him off the fence, astride of which he has been clinging ever since the nomination of Taft. The Des Moines report says:

"Shep" Philpot, as he is familiarly known, is planning a speaking tour which will take in every county in the district. He is denouncing Woods as a tool of the eastern standpatters, and in his speech at Fort Dodge recently he declared that Woods is afraid to come out for Roosevelt because if he does he will lose his share of the appropriation from the national congressional committee campaign fund. Woods is the Iowa member of this committee. This is the same committee against which S. F. Prouty rallied year after year. Prouty always claimed he could have beaten Hull sooner if it hadn't been for the help Hull got from this campaign committee. It was even charged locally that Hull has secured as much as \$30,000 in one of his campaigns, though of course there is no way of proving the figures. This same committee is still in working order. William McKinley of Illinois, who was Taft's campaign manager prior to the Chicago convention, is the chairman of the committee. As a standpatter he is not likely to sanction any distribution of funds to candidates who come out for Roosevelt.

So Congressman Woods finds himself between two fires—a strong progressive sentiment in his home district, and a stand-pat financial backing from the national congressional committee.

Real Estate Transfers.

Sam R. Sheldon and wf to Helen T. Heller—wd—west 8 ft lot 16, and east 50 ft lot 17, blk 106, D. & P. R. R. addition.—\$4,600.00.

M. O. Flugstad and wf to O. M. Flugstad—wd—s½ nw and n 49.37 acres of ½ sw 7-88-26.—\$10,000.

B. H. Gish to R. L. Doolittle—wd—s 24 ft lot 3 and n 2 ft lot 4, blk 4, Blairsburg.—\$1,200.00.

Petitions Filed.

Geo. O. Prescott has filed a petition in the office of the clerk of the district court asking judgment against D. L. Jones for \$100 alleged due on account. The petition states defendant is about to leave the state and asks that a writ of attachment be issued.

A. Abrahamson asks for judgment against Peter Mathre and Oscar Jenkins for damages. The petition states on Aug. —, 1912, plaintiff was operating his automobile in a lawful manner upon the highway; that defendant Mathre is in the automobile business at Stanhope and defendant Oscar Jenkins is employed by him as driver of automobiles; that Jenkins was driving an automobile belonging to the defendant Mathre as a livery to Boone and while on the public highway and going in the same direction as plaintiff the defendant Jenkins carelessly and negligently ran into plaintiff's automobile, hitting it with force in the center and damaging the same.

Electrical workers ball on Wednesday evening, Oct. 2, at Yeoman hall. All are cordially invited. Good music. Good order. 30d2f1t1*

THAT FATAL FIGHT IN DAVENPORT

More Particulars of Affray in Which Brother of Mrs. J. S. Gingery was Killed.

The particulars of a fight which occurred in Davenport Saturday night, in which a brother of Mrs. J. S. Gingery of this city was killed and another brother badly hurt, are sent out in a dispatch from Davenport. Lee Halligan is the brother who was fatally stabbed and George Halligan was seriously injured. The following particulars are taken from the dispatch in question:

The fight took place Saturday night at 9:30. The injury to Lee Halligan resulted in his death five minutes later, he being stabbed in the neck. His brother was immediately rushed to St. Luke's hospital where his injuries were given medical attention. He was stabbed in the abdomen but it is thought he will survive.

The prompt arrival of the police on the scene of the fight resulted in the arrest of Will Crafton, the man accused of killing Halligan and inflicting the injury to his brother. The police also arrested Harry Garey and his son Benjamin Garey, both of whom were participants in the brawl and who are held pending the complete investigation of the affray.

According to the story of the eyewitnesses to the fatality, Crafton entered upon the scene as a peace maker. He rushed into the midst of the fighting men, but was set upon by the Halligans and beaten and kicked.

It is then that he is supposed to have drawn a knife and inflicted the fatal injury to Lee Halligan and then stabbed his brother. Crafton did not resist arrest but at a late hour last night, had made no statement of the affair to the authorities.

The body of the dead man was removed to the Hartwig and Nielsen undertaking parlors where it will be held pending an inquest. The police have the names of about half a dozen witnesses to the fatality and an inquest will be held.

When the police arrested the men who were participants in the fight, only one appeared to be intoxicated. This was Garey. His son had not been arrested at press time. Both the elder and the younger Garey have been in police circles before, the father being arrested for intoxication and disturbing the peace and the son on a charge made by a six year old girl.

The Halligans were laborers employed at the Davenport locomotive works. They reside at Eighth and Brown streets.

Yesterday's Fort Dodge Chronicle gives the following particulars in regard to the Halligan family.

Both Lee and George Halligan were residents of this city and lived here until three months ago. They left at that time for Des Moines where they worked for two weeks. They then went to Davenport, where they have resided since Lee, the brother killed, was twenty-two years of age and was born in Duncombe. He with his parents came to this city twelve years ago and has resided here until recently. He is survived by his parents, Mr. and Mrs. Owen Halligan, George and Owen Halligan, Jr. The former was with him when the fight occurred and was himself seriously stabbed, and the latter is a resident of Fort Dodge.

The father of the dead man said this morning that he expected the body to arrive in Fort Dodge this morning, but as the coroner of Scott county will hold an inquest, it is likely that the corpse will not reach here until tomorrow. No funeral arrangements have been made as yet.

L. E. Stuart sells window glass and also sets it. When in need of glass call on him at his paint and paper store on Des Moines street. d-1f

J. V. Kearns has received his shipment of canned goods and they consist of as select a lot as can be found. Complete line of vegetables and fruit. 30d3

S. S. Parkhurst returned home from the hospital yesterday and is recovering nicely from his recent operation.
