

WHITE SOX GET HARD BEATING

Newton Sluggers Defeat Webster City by Score of 2 to 9—
Game Played at Riverside Park.

HOME BOYS GO TO PIECES

The Third Contest This Season by These Two Teams—Visitors Win Rubber.

The White Sox went down in defeat to the Newton team yesterday afternoon at Riverside park, the score being 9 to 2. Vyskocil was in the box for the locals and it was plainly evident that yesterday was not his day. This and the weak support behind him lost the game. Vyskocil pulled himself out of a very bad situation in the third inning—three men on bases and only one out—but in the fourth the home boys went to pieces and Newton ran in four scores. Newton continued to pound the ball in the next two rounds, adding five more counts to their side of the score board. Vyskocil was succeeded by Corbin in the eighth inning. This was the third Webster City-Newton contest this season, yesterday's game being the rubber.

Mr. Rorem thinks the South the only place for the cold winter months.

F. G. Snyder and family left Sunday for Detroit to visit their son Richard, who is working in the Ford factory.

John Koop has just marketed part of his oats crop on his farm east of the lake that averaged 55 bushels per acre. Lots of good oats around Jewell, but this is the first to be sold on the market.

Seidenstucker & Theodorson's small acreage of oats up by their slaughter house caught fire yesterday and burned up. Supposed to have started from a spark from a switch engine. July 28.

MICHIGAN COURT FINES NATIONAL CASH REGISTER CO.

Lansing, Mich., July 27.—The state supreme court Saturday found the National Cash Register company of Dayton, O., guilty of unlawful restraint of trade and imposed a fine of \$10,000. The company is restrained from doing business in Michigan until the fine is paid. The decision was returned in the case of Henry J. James, representing the American Cash Register company, who charged that the National Cash Register company was violating the so-called Michigan anti-trust law, in that it indulged in excessive competition against certain competitors and thereby forced them out of business.

FIRST MONUMENT TO IOWA VALOR

Charles Aldrich Wrote Article Explaining Erection of Tablet in the Court House.

WHOLLY DUE TO HIS EFFORTS.

The Unveiling of the Monument Called Many Notables to Webster City.

The late Hon. Charles Aldrich, for many years a resident of this city and county and founder of the Freeman, who died a few years ago at his home in Boone, was entitled to the credit of the erection in the court house of the memorial in honor of the brave men who composed the Spirit Lake expedition of 1857. The Annals of Iowa for July contains the following write-up from the pen of Mr. Aldrich of the way in which the memorial was secured and the successful carrying out of the unveiling program:

The first effort to do honor to the memories of the hardy pioneers who volunteered in 1857 at Webster City to go to the relief of the settlers at Spirit Lake who had been attacked by the ruthless Sioux Indians, was undertaken by me in the summer of 1887. Having been a typesetter for many years, I came in one day from my farm and asked the proprietor of the Webster City Freeman to make up a stick the width of a sheet of old-fashioned letter paper, and give me a case.

He did so at once, and I then and there set the type for a brief petition to the county board of supervisors, praying for the appropriation of three hundred dollars with which to procure a tablet to the memory of the soldiers as above stated. When I had set the type, Mr. Hunter kindly had three or four copies of the petition printed. This was on a Saturday.

I first went to the banks and secured the signatures of all the bankers, with two exceptions. After those of the bankers I secured the signatures of the leading merchants. Many of the leading farmers of the surrounding country were in town that day, and every one to whom I presented the petition signed it cheerfully. In this way I secured the endorsement of perhaps thirty or forty of the representative taxpayers of the county.

Charles T. Fenton was chairman of the board of supervisors and read the petition. He remarked, "O, yes, we will grant that petition." His associates assented to the proposition. They then proceeded to appoint me as a committee to carry out the prayer of the petitioners. I objected to acting alone, but said I would be willing to do the work provided they would give me four or five associates.

This proposition was accepted and they asked me to name the gentlemen whom I desired to act with me. The following were named by me for this work: Ex-Judge Daniel D. Chase, Kendall Young, W. W. Boak and Augustus Anderson. I prepared the inscription which the Judge and I discussed a half hour or more. He finally gave his endorsement to the lettering as it stands on the tablet today. I entered at once into correspondence with Messrs. J. and R. Lamb, 59 Carmine Street, New York City, who offered to manufacture a tablet for two hundred and fifty dollars, furnishing also a beautiful slab of blue Champlain marble upon which to mount it. I accepted their offer and closed the contract with them.

I decided on August 12th as the date upon which to unveil and dedicate the tablet. My first step was to invite Gov. William Larrabee to be present and preside over the meeting in the courthouse. He was very much occupied but finally promised to come.

In order to make the occasion of the utmost historical importance, I invited six gentlemen who had participated in the Spirit Lake Expedition to be present, and read to the people chapters of their recollections of the expedition and all the attending circumstances. These were Ex-Governor Carpenter, Hon. John F. Duncombe, Commander of Company B in the Expedition, and Charles B. Richards of Fort Dodge, Commander of Company A. Then we had the following privates from our own county: Michael Sweeney, William

BE CONSISTENT

Would you keep a clerk in your employment who worked only in the mornings and sat around the store during the afternoons? No, of course you wouldn't. You would "fire" him at first lapse from duty. Why? because you would loose trade every day that you kept such a clerk in your store. You wouldn't expect to get as good results from such a clerk as you would from the one who was ever hustling and working all day long to sell goods, would you? No, Certainly not. How then, in the name of common sense, can you expect to get the best results if you advertise only occasionally?

- Keep an advertisement working for you every day.
- Don't exaggerate when you are describing your wares.
- Give the buying public daily news from your store.
- Keep in intimate touch with the people all the time.

Start now and keep it up. You can talk to nearly everybody in Webster City and vicinity through the columns of this paper.

HEAT PROSTRATION FATAL TO THREE

Corwith Young Man Meets a Terrible Death in Sand Pit.

TWO OTHERS ARE VICTIMS

Lake City Road Worker and Rebeck Thresher Owner Overcome at Work.

Corwith, Ia., July 27.—The death near here recently of a young Mr. Sutcliffe, aged 26, who was caught in a sand pit and was buried up to his neck and slowly perished with the hot sun pouring down upon him, is one of the most terrible accidents ever occurring in this section.
Young Sutcliffe was seen to drive into the sand pit about 3 o'clock in the afternoon. About 10 o'clock at night an automobile load of people passing saw a driverless team emerge from the pit and out upon the road. The people stopped the horses and investigated, finding Sutcliffe, almost dead, in the position described, where he had evidently been caught immediately after driving into the pit by a slide and was buried to his neck in the heavy sand. He was dug out and taken to town but died the following morning without regaining consciousness.

Lake City, July 27.—Arthur H. Freitley, who was overcome with the heat while working with the country road gang last Thursday, died yesterday morning without having regained consciousness. He was living with his parents, who moved to Lake City from Manning a year ago.

Ask your neighbors about the way "Big Ben" treated them last year. They won't forget. d1f1

Rapp Will Appeal Divorce Case.

Chicago, July 28.—Notice was given yesterday by William Rapp, Jr., of his intention to take an appeal to the appellate court in the recent decree of divorce granted Madame Ernestine Schuman-Heink. Rapp will contend in his appeal that he should have been permitted to prove Mme. Schuman-Heink's legal residence and that the trial judge erred when he refused Rapp permission to cross-examine certain witnesses.
