EXTRAORDINARY ANNOUNCEMENT!

GREAT SLAUGHTER OF FINE CLOAKS!

BY

WELSH & WISEMAN, DANVILLE.

Owing to the unfavorable weather for the sale of Cloaks and having an unusual large stock on hand, the undersigned have determined to offer on Monday next, County Court day, and the week following the Entire Stock at **A GREAT SACRIFICE!** Ladies who have not yet bought their Winter wraps will find this a rare opportunity to do so. **WELSH & WISEMAN.**

Returned Prodigal—"Dad! Dad! How little the old farm has changed."
Honest Farmer—"Very few changes have been made my son. You will find things pretty much as you left them twenty years ago. Over there is the apple tree you planted."
"Yes, the same tree, only larger; and there is the dog-house I made for the new pup."
"Yes; poor Carlo! He died of old age ten years ago. That dog you see is his grandson."
And over there is the chicken house I helped to build for old Biddy's first brood."
"Yes; poor old Biddy! I wish I had known you were coming home."
"Why?"
"Because I might have saved her, but I took her to market last week."

CURE FOR PILES.

Piles are frequently preceded by a sense of weight in the back, loins and lower part of the abdomen, causing the patient to suppose he has some affection of the kidneys or neighboring organs. At times, symptoms of indigestion are present, as flatulency, weakness of the stomach, etc. A moderate, like perspiration, producing a very disagreeable itching, after getting warm, is a very common attendant. Blood, bleeding and itching piles yield at once to the application of Dr. Bosanko's Pile Remedy, which acts directly upon the parts affected, absorbing the tumors, allaying the intense itching and affording a permanent cure. Price 50 cents. Address the Dr. Bosanko Medicine Co., Piqua, Ohio. Sold by McRoberts & Stagg.

THOMAS JEFFERSON'S COURTHSHIP.—Jefferson's wife had been a widow four years when she married him, and she was only thirty-seven years old at that time. She was ten years Jefferson's wife, and in that period had six children by him. She died in 1872. It is said that she was much courted, and two of Jefferson's rivals met on her doorstep a day or two before the latter's engagement. They heard sounds of music within, and soon found that Jefferson was singing a love song to the young widow while she played an accompaniment on the harp. They concluded not to press their suits, and left with their love untold.—[Washington Letter.]

The young men of Dakota are organizing clubs and sending agents east to select marriageable young ladies who are willing to go out west and become wives of cowboys. It is said that females are so scarce in the territory and the demand for wives is so great among the young men that Dakota girl immigrants before she can unpack her trunk.—[South Kentucky.]

DR. BOSANKO.

This name has become so familiar with the most of people throughout the United States that it is hardly necessary to state that he is the originator of the great Dr. Bosanko's Cough and Lung Syrup, the people's favorite remedy, wherever known, for Coughs, Colds, Consumption and all affections of the Throat and Lungs. Price 50 cents and \$1.00 sold by McRoberts & Stagg.

"What did you give your husband on his birthday, dear?"
"A hundred cigars?"
"How much did you give for them?"
"Nothing."
"Why, what do you mean?"
"I mean that dear George smokes a great deal, and every now and then I take a few of his cigars, and then, when his birthday comes round, I make him a present of them. It does not cost much and always insures me a new dress."—[London Society.]

A most singular case at law, now in the Supreme Court of Virginia, is that of Cabell and Maguire against the Southern Mutual Insurance Company and others. It is singular from the fact that that word "others" stands for upward of 5,000 persons, whose names as defendants fill nearly five closely printed columns in the Richmond papers.

AFTER this small pluralist Ohio State elections in October, the republicans were keen to figure the majority by the Congressional results. Applying this rule to Texas we find that the democratic majority in that state is 192,451.

FREE DISTRIBUTION.

"What causes the great rash at McRoberts & Stagg's Drug Store?" The free distribution of sample bottles of Dr. Bosanko's Cough and Lung Syrup, the most popular remedy for Coughs, Colds, Consumption and Bronchitis now on the market. Regular size 50 cents and \$1.00.

Never sun feather beds. Air them thoroughly on a windy day in a cool place. The sun draws the oil, and gives the feathers a rancid smell. When I first went to housekeeping I nearly spoiled a bed by letting the hot sun shine on it all day.—[Minneapolis Household.]

Easy to See Through

How can a watch—no matter how costly—be expected to go when the mainspring won't operate? How can any one be well when his stomach, liver or kidneys are out of order? Of course you say, "He can not." Yet thousands of people drag along miserably in that condition; not sick abed, but not able to work with comfort and energy. How foolish, when a bottle or two of Parker's Tonic would set them all right. Try it, and get back your health and spirits.
