ROBERTSON & KINNAIRD.

MT. SALEM, LINCOLN COUNTY.

—Three weeks absence among the pleasant and hospitable people of Carpenter's Creek in Casey, county accounts for our non appearance in the columns of the JOURNAL for some time.

—Mr. Jacob C. Gadsby died near Bethel in Casey county a few days since at an advanced age.

—Miss Berrilla McClure, of Mt. Olive, returned home on Sunday after two weeks' visit among relatives near Middletown. Mr. D. E. Humphrey returned home from Louisville a few days since from attending the Federal Court as jurymen.

—Fifty cases were before Squire Thos. Benson's last court and 42 were disposed of. W. T. Humphrey's attachment suit against Louis Collins was decided in favor of plaintiff. Six of Decker Good's road-hands were found guilty of failing to work on the road and were fined.

—One night last week the home of Mr. Thos. Floyd, who lives near Mt. Olive, was entered by burglars and a bureau drawers were ransacked and a trunk was broken open and contents scattered. The family were asleep in another room and failed to awake. Nothing was missing but the trunk key. \$400 were about the premises, but though the very place was rifled, yet it was not found. For fear the second loss will have better luck the next time, we will not tell that it was carelessly wrapped up in an old stocking.

WILLIAMSBURG, WHITLEY COUNTY.

—Witman & Gallagher have commenced removing the old building preparatory to the erection of their new building.

—Jasper Gatlin shot and wounded Jim McPherson five times Wednesday morning. The wounds are not fatal. No arrests have been made. Both parties colored.

—Judge Finley was at home a few days last week. He is now holding court at London. J. W. Sullivan has gone to Cincinnati to buy goods. C. W. Lester is attending the Laurel Circuit Court this week. Judge Tinsley, of Barbourville, is here on legal business.

Phil Thompson has not been appointed Commissioner. He was not appointed Solicitor of the Treasury. He will probably not be appointed to any position unless it be that of Assistant Attorney General. His fool friends have killed all his chances by slobbering about him in speech and by letter, ever since he was announced as a candidate. He is always referred to as the "brilliant young Kentuckian," the "excellent blue grass boy," the "chivalric, dashing young Kentuckian," the "courageous little Phil," "handsome and hopeful little Phil." This sort of stuff would nauseate any President that ever lived. In no other State do the people or the newspapers pile upon their citizens such stinky, ridiculous compliments. Kentucky seems to stand alone in this sort of idiotic self-worship.—(New Argus.)

Says a lady: "More women are won by judicious flattery than by any other means, for every woman is more or less vain, and she is naturally fond of the man who flatters her weakness and handles it with skill. Let a woman once imagine that she has pretty eyes, and if a man will tell her so constantly and artfully, she is certain to have a weakness for him, which may be easily fanned into a flame of love, and ardent love at that."

An experienced seamstress says that if you would only thread your needle in the end opposite to the end broken off from the spool you would never be troubled with cotton knotting.

DR. BOSANCO.

This name has become so familiar to the ears of people throughout the United States that it is hardly necessary to state that he is the originator of the great Dr. Bosanco's Cough and Lung Syrup, the people's favorite remedy, wherever known, for Coughs, Colds, Consumption and all affections of the Throat and Lungs. Price 50 cents and \$1.00 sold by McRoberts & Stagg.

HORSEMEN AND HORSES.

By a Fancier.

Maud S. had a reception Saturday on the occasion of her 11th birth day. Over 500 persons called to see her. The Grand National Steeplechase, at Liverpool, Eng., was won by Roquefort, Frigate 2nd, Black Prince 3d.

Two mares, the property of G. H. Kernaghan, Ga., have arrived (from A. J. Alexander's) at S. H. Baughman's to be bred to St. Martin.

Milt. Young has bought Gold-Bay, 3-years old, by King Ben, dam imp. Gaily Jopson, the dam of Waverly, by Weatherbit, for \$5,000.

P. Lorrillard has sold Kestrel, c. f. 3 years old, by Imp. Mortemer, out of Florence, the dam of Hindoo, for \$2,500, to Hazendon & Son.

Mr. Berry's famous mare, Florae, the dam of Warfield, Ella Warfield and other good ones, by imp. Mickey Free, died last week at Milt. Young's.

Maxwell & Simmons, Louisville, sold King Mitis, last week to Mr. Schultz, of Brooklyn, N. Y., for \$5,000. It is said he will trot no more in public.

Of the Woodburn yearlings, the get of Falsetto are the largest and most racing-like. Falsetto was a great race horse and if looks are anything, will be as great or greater as a sire.

The get of thorough-bred stallions at Woodburn, A. J. Alexander's, was, from 1875 to 1884, inclusive, \$1,096,185 75. Two sons of Imp. Pheton, King Alfonso and Lisbon are in service there.

Mr. Clay, of Lexington, has refused \$4,000 for Syntax, 2 years old, by St. Martin, dam by Gilly. The get of St. Martin now in training at Lexington, are noted for their size, power, speed and quiet temper.

Morris & Patton's stable now at Memphis, is reported in the best of health, and having wintered South, is in good form for this early. They have 4 Derby aspirants, Favor, Bieran, Tenstone and Freeman.

The writer of this column desires to advise those interested in blood horses, of sales, breeding, success and prospects of various horses and families of horses, results of crosses of blood, and all matters of interest to horse owners generally; but to advertise no horse.

The Lexington and King Tom blood commingled with Lexington's will win everything for years to come. Get you a daughter or granddaughter of Lexington and breed to a son of Pheton or vice versa and before you are aware of it you will have a Bonanza.

The parties ruled off for life at New Orleans, were: J. W. Clay, jockey, pulling Princess Bap. F. Houston, pulling Joe Cooper. F. Robinson, pulling Rowdy Boy. J. T. Shaw, accomplice. Eugene Brodie, accomplice. Aber Gairns, attempting to shoot J. J. Carrole on the grounds.

As yet it is impossible to tell how many and what horses may start in the Derby, Favor, Freeman, Tenstone, Irish Pat, Boot Black, Redstone, Doubt, Jim Gueser, Joe Cotton and Orlando are all highly thought of. Favor is favorite and Freeman second favorite, but we like Doubt and Irish Pat.

A tax that is abominably unwise and severely unjust, is the license on stud-service. Blooded horses bring hundreds of thousands of dollars into Kentucky annually and the State should, as many countries of Europe do, tax handsomely to the Derby and other great stakes, encouraging thereby, instead of levying a tax on sires in addition to tax on their listed valuation.

Imp. Pheton was not appreciated until after his death. He was bred by G. H. Kernaghan, Ten Broeck St. Martin, Lisbon, King Faro and Jack Hardy. All will be successful sires. The get of King Alfonso, only 13 years old, have already won the magnificent sum of \$238,095. Ten Broeck

AND LISBON HAVE PROVEN SUCCESSFUL.

King Faro and Jack Hardy will do so with a chance at the stud, while St. Martin's get sent his star towards its zenith in '84 and are the most promising in training this spring.

The demand for thorough bred horses is rapidly increasing. New stables organizing and new men daily going onto the turf. Prices were never so remunerative, and are still going up. Stakes are richer year after year, which justify the high prices paid; for who wins two or three rich stakes can retire with a snug little fortune if he desires. Horses that sold one year ago for hundreds are now valued at as many thousands.

Wm. Cottrell, of Mobile, Ala., has been so unfortunate recently as to lose by death Marlinton, Nannie E. and Mary R., three valuable brood mares. He sold to S. S. Brown, of Pittsburg, Pa., Alabama, 2 years old, sister to Kimball, by imp. Buckden, and Frank Norris, 2 years old, by Buckden, dam Bonaventure, by Harry of the West. Also to Mr. W. A. Feland, Ala., the b. f. one year old by Leamington, Jr., dam by Bill Cheatham; and b. f. one year old by Ferndick, dam Hazel Ely, by imp. Pheton.

Ohio's eminent elect McCree is at home from Washington. He is delighted with the President and Cabinet, and says things are moving along as smoothly as if the gentlemen had been practicing for the positions they hold. He is of the opinion that no man could have done better than Mr. Cleveland has done thus far, and feels that his administration will be an eminent success; that a democratic President will be elected in 1888, and that Mr. Cleveland will be his own successor. He regards Mr. Cleveland as a man of superior ability, and is certain the office could not have been more ably conducted by Mr. Blaine. One prominent and commendable feature with the President is deliberation. Every man is mercilessly scrutinized before a position is tendered him. The good of the country is not to be forgotten, nor the welfare of the democratic party.—(Richmond Register.)

Ex-Senator Williams, who has just terminated a successful season as candidate for the Mexican Mission, in which the honors were many but the crowns few, indignantly asserts that he has not been offered the position of Commissioner of Agriculture. Well, well, the Senator should not get "huffy" about it. It was a natural mistake, considering the old General's record during his campaign as a granger, and his usual willingness to accept anything in the shape of an office.—(Owensboro Inquirer.)

The Stanford Interior Journal is 13 years old, and has been ten years under the present management. The success of the paper under Mr. Walton's management challenges the admiration of the newspaper fraternity. May the proprietor and his paper live long and prosper.—(Nelson Record.)

MT. VERNON DEPARTMENT.

Managed by Jno. B. Fish.

—Maret, Vowels & Co., have their saw up and will begin to saw lumber in a few days.

—Prof. Beatty was here with his sleight of hand show last night. It was rather a poor affair.

—A party of the boys went to Roundstone yesterday on a fishing expedition, but they didn't have much luck.

—F. L. Thompson is putting down a curbing and making a good walk in front of his store and dwelling house.

—Nice Easter cards are in demand and there are very few for sale. It seems that no one thought enough about Easter to order a supply.

—The local option and the license system are going to be the principal questions in the next legislative race in this and Laurel counties.

—The Kersey Combination, of Crab Orchard, are billed for a show at this place Friday night, April 31. It is expected there will be a great crowd.

—The martins have made their appearance up there. The first one came last Tuesday. The toads have also made their selves heard. I believe they say it is time to plant corn when the toads come.

—Rev. J. C. Tully, of Winchester, will begin a protracted meeting at the Christian Church at this place next Monday night. Elder J. P. Dawson, of the Presbyterian church, will preach here Saturday night and Sunday.

—Mrs. Elizabeth Parcell became violently insane last week, caused by nervous prostration. She was tried and sent to the asylum at Lexington Thursday. It has only been a few days since a Mrs. Renner was sent to the asylum from this place.

—E. J. Lowery, of Lynchburg, Va., was in town yesterday. J. B. Read, of Cleveland, Ohio, stopped over to look at the town last night. He was on his way home from the South. B. G. Gover, of Stanford, is in town to-day. Misses May Adams and Fannie Bragg will be home from Stanford this evening to spend Easter.

—Becky Jones, the woman who has spent ten months in jail in New York rather than tell what she knew in court, has been released.

SLEEPLESS NIGHTS is made miserable by that terrible cough. Shiloh's Cure is the remedy for you. For sale by Penny & McAllister.

Destroy that Sigh. One may feel that he is getting old, but he naturally dislikes that anything about his appearance should advise others of the fact. Yet nothing does this so effectually as thin and falling hair. No woman wants to carry a bun and business firms hesitate to employ a man who shows this fatal sign. Parker's Hair Balsam is worth to you, in this regard, more than its weight in diamonds. Use it and have plentiful and glossy hair. Many have had every trace of grayness removed and bald spots covered by using a single bottle.

THIS IDEA OF GOING WEST

to Colorado or New Mexico, for pure air to relieve Consumption, is all a mistake. Any reasonable man would use Dr. Bosanco's Cough and Lung Syrup for Consumption in all its stages. It never fails to give relief in all cases of Coughs, Colds, Bronchitis, Palms in the Chest and all affections that are considered primary to Consumption. Price, 50 cents and \$1.00. Sold by McRoberts & Stagg.
