CHURCH CHATTER.

Rev. T. Bronson Ray, of Georgetown, who is well known here, has been called to the pastorate of the Immanuel Baptist church of Nashville, Tenn.

Rev. H. A. Northcutt was detained and did not reach here at the time he was expected. He will come tomorrow and begin his meeting at the Christian church Saturday night.

The Central Methodist, which has been edited by Rev. Z. Meek at Catlettsburg, is to be moved to Louisville, and Rev. M. B. Chapman, pastor of the Walnut-street M. E. church, will be the editor-in-chief.

Rev. Ira Boswell, of the Christian church, held a three weeks' revival at Junction City with 31 additions, among them Mr. G. D. McCollum, the well-known hotel keeper, who formerly ran a bar in connection with it. A number of conversions were made on the water's edge.

The little country church of 178 members, at Wilmore, composed wholly of farmers, has undertaken to raise in full the salary of their pastor, Rev. Dr. Guerrant, allowing him six months of the time for evangelistic work, and pledging him near \$4,000 to be expended under his direction in work among the people of the mountain counties.—Advocate.

The W. C. T. U., after a most interesting and enjoyable session at Louisville of several days, adjourned Tuesday evening. Mrs. Frances E. Beauchamp was re-elected president; Miss Nellie Arnsperger, Lexington, was chosen corresponding secretary; Mrs. M. E. Bryan, Millersburg, treasurer; Mrs. Roberta Elkin, Lancaster, recording secretary.

The W. C. T. U. decided to raise \$2,500 to form a social settlement in the mountainous districts of Kentucky, which shall be non-sectarian in character, and which will make a special feature of the industrial school department. The people of the State have begun to more thoroughly realize the importance of the work to be done in these mountainous districts and they will no doubt give their hearty support and encouragement to the present undertaking.

At a Baptist picnic near Muncie Ind., Jeremiah Gray, 93, took a notion to be baptized and called on Rev. Joshua Richards, 89, to perform the ceremony. The plunge was made, but Gray lost his self-control and began to struggle. He is a large man and the minister a small person. The two rolled into deep water and were all but drowned. Several men rescued them just in time, Gray having started down for the third time and Richards coming

up the second time. The aged men are still in a serious condition, owing to their shocking experience and advanced age.

There are 17 white Baptist churches in Louisville, having a membership of 8,470, and their contributions last year amounted to \$6.50 a member.

The Christian church at Richmond has called Rev. W. R. Lloyd as pastor for another year and the local papers express great satisfaction thereat.

An effort was made to have Miss Christine Bradley made Daughter of the N. C. T. U. because of the stand she took when the "Kentucky" was launched, but it was the opinion of the majority of the members that the "daughter business" was being overdone, so the resolution was not adopted.

HOW TO PREVENT CROUP.

We have two children who are subject to attacks of croup. Whenever an attack is coming on my wife gives them Chamberlain's Cough Remedy and it always prevents the attack. It is a household necessity in this county and no matter what else we run out of, it would not do to be without Chamberlain's Cough Remedy. More of it is sold here than of all other cough medicines combined.—J. M. Nickle, of Nickle Bros., merchants, Nickleville, Pa. For sale by Craig & Hocker, Druggists, Stanford, Ky.

The Q. & C. will sell tickets at low rates to Washington, Oct. 18-25 on account of the National Spiritualist convention.

To New Market, Ont., Oct. 10-15, on account of the American Christian convention.

To New York, Oct. 18-29 on account of the Luther League of America.

The meeting of the colored citizens at Louisville to protect their rights and demand more privileges was slimly attended. Rev. G. W. Bolling was chosen chairman.

MIDDLEBURG.

A social was given at Mr. D. G. Elliott's Saturday night. It was a fine night for the occasion and there was a good attendance.

The seven-year-old son of George Davis died Friday of last week, after struggling between life and death for several days. The child was naved by a horse in the stomach and was so badly used up as to be unable to take food, with the exception of a few swallows of milk.

Dr. I. S. Wesley moved his family to Lancaster Monday. "Tod" Spears and Alex Cloyd left for Illinois Sunday. Michael Perkins and Frank Barger, the Cuban heroes, have joined their respective regiments. Rev. Brewer preached at the Christian church Sunday night and Rev. Creech at the M. E. church.

Never before in the writer's knowing was there as much interest shown in a school election as there was at this place Saturday. The Yosemite children are in this district and many of the citizens of that town wished the district divided and then build them a school-house. Lincoln Wells and E. E. Kelsay were Yosemite's candidates and M. W. Jones and J. H. McWhorter our "candidates" for trustees and they were elected by a majority of 18 votes.

HUBBLE.

Underwood Bros. sold some hay to Pineville parties at \$5.50 per ton on cars at Stanford. A large amount of poultry and eggs wanted here at good prices.

Bro. Gowen will fill his pulpit Sunday afternoon at the Christian church at 3 o'clock. Ben Hughes, of Mercer county, has moved to the John Bright farm here, which he rented for two years. We are glad to have him come among us. J. F. Moore, of Junction City, is here with his picture gallery for a few days. It is reported that James David Miller has accepted a position as cook for the soldiers at Lexington, and will move there soon. John Lynn and Logan Wood are visiting George Wood this week.

Old fashions in dress may be revived, but no old fashioned medicine can replace Chamberlain's Colic, Cholera and Diarrhoea Remedy. For sale by Craig & Hocker, Druggists, Stanford.

Life Insurance companies insure husbands for the benefit of their wives, but will not insure wives for the benefit of their husbands. Any woman may insure her life for her estate and then will it to her husband if she wishes.

Grasshoppers are doing great damage to corn, clover and pastures in the Western Kentucky counties.

WAR ECHOES.

The First Kentucky, it is said now, will remain in Port Rico.

There is some prospect that the 2d Ky. will not be mustered out, but the 3d instead.

The war department has issued orders to establish a big commissary and purchasing depot at Lexington.

President McKinley has reinstated the colored chaplain of the Eighth Immune regiment, who resigned because the colonel wouldn't mess with him.

The crew of the battleship Oregon have sent their commander, Capt. Clarke, the maitre d' captured in Cervera's state room on the Cristobal Colon.

Two of Dewey's ships, the Baltimore and the Petrel, have been ordered from Manila to the seat of troubles which threaten American interests in China.

Instead of sending 50,000 or more men to Cuba for the army of occupation, it is now possible that not over 20,000 will be sent, as it is believed that number will be sufficient.

The auxiliary cruiser Scorpion has been ordered from Playa del Este to Havana. No American warship has entered Havana harbor since the Maine was blown up.

Chaplain McIntyre, of the Oregon, confessed before the court-martial at Denver that his head was in a whirl from brandy and quinine before that lecture which got him into trouble.

Rev. Thaddeus F. Freeman, chaplain of the cruiser Baltimore, committed suicide at Nagasaki, Japan, by jumping overboard from the transport Zealandia. He was despondent from ill health.

Gen. Merritt says that the Philippines idea of a protectorate is for the United States to take care of them and allow them to have all the revenue. He thinks they are more capable of self government than the Cubans.

The Fifth cavalry, Sixth volunteer infantry and 47th New York infantry have been ordered to Porto Rico. They will relieve three regiments now there, to be selected by Maj. Gen. Brooke. The three returning regiments will not be mustered out, but will be furloughed.

Gen. Wheeler told the whitewash commission that he had no fault to find with the Santiago campaign except that there was delay in landing men and tents. He criticised the location of Camp Wikoff at Montauk Point. He said that all difficulties regarding supplies and nurses were remedied as rapidly as possible, and that he was not hampered by red tape in getting what he wanted.
