MR. JULIAN BOURNE left yesterday for Yale to enter the senior law class, and the prospects are that he is going to make a man of himself.

EDITOR L. E. HUNT, of the Somerset Progressive Home Journal, was here Saturday. He says Goebel and the democratic ticket is all right in Pulaski.

MR. D. F. LOGAN is going to sell out Oct. 5, see advertisement, but would not tell us where he is going. The county doesn't want to lose so good a citizen.

MRS. J. C. NEAL, of Moreland, gave us an interesting letter for publication from her son, Will L. Neal, at Salt Lake City, but it has unfortunately gotten misplaced, which will explain its non appearance.

MISS ANNA GOVER returned to Richmond Saturday with Misses Nell Potts and Mayme Pickles, who have been her guests and in whose honor she entertained Thursday night. Miss Gover will re enter the M. F. I. for a special course.

THOSE handsome sisters, Misses Eleanor, Viola, Louise and Julia Horgan, of Memphis, who have been at Crab Orchard Springs since May, left yesterday for Butte, Montana, to which point their father has moved. They are very elegant young ladies and made many friends while in this section. Mrs. Gus Hofmann accompanied them as far as Louisville.

THE business manager added 31 new subscribers to the list at Mt. Vernon yesterday, making over 600 new ones since the reduction in price to \$1 a year.

J. B. BROWNING, general baggage agent of the L. & N., who used to be a conductor on this division, died at Petosky, Mich., where he had gone for the benefit of the asthma.

THE L. & N. will make a rate of \$1.25 to Cincinnati and return next Sunday and from the 26th to the 28th inclusive will make a rate of one fare for the round-trip to Paris on account of the street fair.

ASSESSING.—C. G. Baker, assessor, has named J. R. Routt, Wade Kennedy, A. A. Crutchfield and A. E. Gooch as his deputies and they went to work this morning to assess the property of the citizens of Lincoln.

"How did you find politics in Simpson county?" was asked of Col. Welch, who is just back from there. He replied: "I was surprised at the smallness of the disaffected element, in the section said to be the hot bed of the bolters. The democratic party is in good shape there and will roll up the usual majority."

THE Stanford team did the Pittsburgs like they do all others they tackle, that is did them up. Two score stood 11 to 7 and the feature of the game was 14 strike outs by Pitcher Geer. Everett caught for the home team, Pugh pitched for the Pittsburgs. Our boys say they were well treated by the club and found Pittsburg a pretty pleasant place.

STRIKE ENDED.—Mr. C. R. Coleman, of East Bernstadt, who spent Sunday with his family here, tells us that the mines around his town were to begin operation yesterday morning, the operators and miners having reached an agreement. The miners are to receive an advance of 10 per cent. and the operators are to recognize the labor organization. The miners around Pittsburg are still out on a strike.

THE mail line from here to McKinney is now a certainty and will begin Nov. 13. Notice for bids has been posted to carry the mail daily except Sunday, leaving here at 10 A. M., and arriving at McKinney at 11:45 returning at 4 o'clock and reaching here at 5:45 P. M. Bids will close September 28th. The line will prove a great blessing to those who wish to communicate with the West End.

SOLDIERS TOOK THEM.—After Jim and Sol Griffin had made an unsuccessful attempt at London for release under habeas corpus proceedings, Gov. Bradley ordered the Barbourville company of State guards to convey the prisoners to Manchester to answer the charge of murdering Deputy Sheriff Thacker. They started on the trip Sunday and the examining trial was to have been held yesterday. After the prisoners had been ordered to Manchester and before the order for the troops was issued, Sheriff McHargue summoned a posse to go with him in which he included all the men who appealed to the governor not to send troops and there was great consternation till the soldiers arrived.

HURRAH FOR THE WOMEN.—The local branch of the C. W. B. M., in celebration of the silver jubilee of the organization, met Saturday at the Christian church and emptied their mite boxes when the gratifying sum of \$75 was counted out. One lady had \$25, but she declined to let her name be used. The money is for mission work and shows what the women can do by a little self denial. Whenever they deny themselves anything they put the cost of the thing desired in the box and it counts up pretty fast if they are honest with the Lord. Mrs. Will Severance is president of the organization here, Miss Anne Shanks recording secretary, Miss Dollie McRoberts treasurer and Miss Fannie Shanks corresponding secretary.

New fall goods by the car load at Severance & Sons'.

HAVE your coal hauled while it is dry. J. H. Baughman & Co.

SPICES of all kinds and tumeric for pickles and catsup. Warren & Shanks'.

We are sorry to learn that that clever young man, Mr. W. J. Brown, of Somerset, is down with small-pox.

A BOLD thief took Robert T. Bruce's horse and buckboard from his father's Saturday night and made away with them. See offer of reward for their return in this issue.

MR. C. C. SINK, Dien. & Wing's traveling salesman, was in Cynthiana Wednesday and expressed to the Democrat his confidence that Goebel would be elected by 20,000 votes. He reports fine effects wherever Goebel and Blackburn have spoken.—Democrat. Mr. Sink is a son-in-law of Mr. A. C. Carman, of this county, who is a rantankerous rad.

THE comcomuters made another attempt to get the town boundary curtailed Friday night, but a quorum failed to appear at the called meeting, asked by them, and the matter went over. It is not so much the desire of those who want to be excluded from the town limits to keep from paying on farm lands as it is to escape taxation on their bank stock, which under the new order, is now charged to individual holders.

THE Central Record says that the Lincoln county democrats nominated P. M. McRoberts for representative, thereby proving that the best of us sometimes make mistakes. Hon. M. F. North is the man the democrats nominated for that office, Breer Landram, and he is the one who will help "to make the Legislature so clean it will be a God-send to the State," as you say. The rads nominated Mr. McRoberts.

SOME two months ago, says the Mt. Vernon Signal, A. W. Dillon, of Crab Orchard, had a buggy stolen. He searched the country for it, but not until a fortune teller told him that it had been stolen and taken to Deep Well Woods, did he know of its whereabouts. He followed the fortune teller's directions and found the vehicle. The top had been removed to change the appearance of it and the thief has been spotted and will be swooped down upon soon.

THE Hon. James D. Black, of Harrodsburg, spoke at Danville yesterday to a court-house full of people and among other things presented affidavits that Hon. D. G. Colson did act as officer of election as Senator Goebel charged. He also said that the sheriff of Chalmers county, Tenn., and many other floaters from that State voted at Middlesboro in 1896 and that the frauds committed were even greater than has been charged. Mr. Black was accorded a most respectful hearing and won votes for the ticket.

MORGAN.—W. H. Morgan, whose recent stroke of paralysis was noticed in this paper, died Friday morning at his home near Waynesburg, aged 76. He was a member of the Baptist church for years and a fine old man. Rev. Ira Partin preached the funeral sermon Saturday to a large audience. Mr. Morgan was twice married, first to Miss Padgett, who bore him five children and then to a sister of Lewis D. Gooch, who had seven children, and who survives her husband.

MR. W. P. GRIMES came near suffering a fatal accident Friday. His horse scared at a wagon load of barrels while he was on his way to the ice factory and began to run and kick. He tore across the covering on one of the reservoirs and on behind the factory till he was stopped. Mr. Grimes retained his seat but caught three kicks, one in the breast, another in the stomach and the third on his leg. He was brought to town and examined by surgeons, who said he was not seriously hurt. Afterwards Mr. Bedell Chancellor took him home and he was getting on all right at last accounts.

THE death of John Avery Haldeman, which had been expected for some time, came at an early hour Sunday morning at his home on 4th Street, Louisville. His disease was cerebritis and for two months he has been very ill. He was the second son of Mr. W. N. Haldeman, owner of the Courier-Journal and Times, and after being educated at Washington and Lee University, naturally took to newspaper work. Since 1885 he has been the business manager of the Times and for several years also treasurer of the Courier-Journal Job Printing Co. He was a large hearted, clever man, who counted his friends by the legion and his death brings sadness to them all. May those upon whom it most heavily falls, the aged parents, brothers, sisters and loving wife and children, find that consolation which alone cometh to those who can truly say, not my will but Thine, O Lord, be done. Mr. Haldeman was twice married, first to Miss Lolla Ryan, who lived but a few years, and in 1887 to Miss Annie Buchanan, of this county, and she with three children survive to suffer his loss. The burial occurred at Cave Hill yesterday. Mrs. Jane Buchanan, of Crab Orchard, who had been at the bedside several days and the rest of her family attending.

AFTER a very long hot and dry spell rain came last night and is gently falling this morning to the delight of the farmers who want to plow for wheat.

THE L. & N. will sell round-trip tickets to Louisville at one fare, \$3.05, Sept. 25 till morning train of 30th, limited to Oct. 2 on account of the trotting races.

NOBODY has been reckless enough yet to take Free Silver Johnson's offer to bet that there will not be cast 75 votes for the Brown ticket in Lincoln and that it will not receive 10,000 in the State.

HORSE STOLEN.—Robert Fish, one of Crab Orchard's barbers, had a black horse stolen from his stable Saturday night. A colored boy was seen on the animal near Conway but neither the horse nor the boy has been heard of since.

FIRE.—Elbert Ball's house and out-houses near Highland burned near noon yesterday and everything was destroyed. Prof. M. J. Brough, who was there, tells us that the loss is \$1,200. The fire caught from a defective flue. Mr. Ball was absent or might have saved some of the furniture. He will rebuild as soon as possible.

MR. VERNON—Circuit Court, began yesterday with a big docket and a pretty fair crowd. The morning was spent in charging the grand jury but the afternoon was given up to speaking, W. A. Morrow, E. T. Franks and K. J. Hampton, all republicans, being the orators of the day. It was republican day with vengeance and the above gentlemen hardly left a grease spot of Senator Goebel in particular and the democratic party in general, so to speak. Hon. F. F. Bobbitt was down for a talk but failed to arrive in time to make it. It is unfortunate that there was no democratic speaker present to refute some of the charges made by the above trio, but it is hoped that the truth will be told from many stumps in Rockcastle ere the November election. The handsome home of Mr. J. J. Williams very materially helps the appearance of Mr. Vernon and other decided improvements have been made in the quaint little city since the writer's last visit. The democratic party seems to be in good shape and a number of those who bolted Bryan are wearing Goebel buttons. The rads say there are lots of democrats in the county who will not support Senator Goebel but the democrats say there are none, so you pay your money and believe the side you wish.

HORSE STOLEN!

Stolen from my home Saturday night, a little bay mare and buckboard. Mare is 15 hands high, four white feet and star in forehead and carries crooked tail. She was hitched to a heavy buckboard, cross spring and step-off on right side. Reward for return. R. T. BRUCE.
