Through a paper I will be able to keep in touch with social, economic and political problems. The paper will at the same time, if successful, provide an income sufficient for my pecuniary needs, and the work will allow me more time with my family than I have been able to enjoy for several years past. I expect to lecture occasionally, especially in college towns, where I can speak to students, but my principal work will be done with the pen, or perhaps I should say, with the pencil. The paper will be called the 'Commoner' and will defend the principles set forth in the Kansas City platform. I shall be publisher and editor, and Lincoln will be the place of publication."

The statement that Mr. Yerkes' law practice amounts to more than his salary as commissioner will be one of those stories that might be told to the marines with some hope that it would be believed, but it can't fool the old sailors. We once heard a Danville lawyer say that if one man got all the fees on both sides of every case, he wouldn't have much more than a good support. Mr. Yerkes may make a good thing as railroad attorney, but his other practice can not, in the very nature of the case, be very large, because the litigation in that section is generally small.—Lex. DEAFNESS CANNOT BE CURED by local application as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional means. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube becomes inflamed, the hearing is lost. King's Ears is the only medicine that cures this condition. It is a mild, non-toxic, and safe remedy, and it restores the hearing to its normal condition, hearing is restored to its normal condition, hearing is restored to its normal condition. We will give one hundred dollars for any case of deafness (caused by catarrh) that can not be cured by Hall's Catarrh Cure. Send for circular free. F. J. CHENEY & CO., Toledo, O. Sold by Druggists, 75c. Hall's Family Pills are the best.
