TEMPLE HILL STOCK FARM,

Magoffin Place, City Limits, Harrodsburg, Kentucky.

Red Leaf, 4-year-old record 2:22 in 9th heat over one-half mile track. Sire of 55 records better than 2:30. Champion show horse of Kentucky and leading sire of high-class road horses and teams. \$25 to insure a living colt, and a good one at that, or \$12.50 the season.

I claim it is to the best interest of the owners of mares of Mercer and adjoining counties to breed to Red Leaf—1st, because he is not for sale; I expect to keep him and breed and handle his produce, and it is very natural that I will work for the sale of all his colts at high prices, no matter to whom they belong. 2nd, because his colts have a reputation and have sold for higher prices undeveloped than those of any stallion in Mercer or adjoining counties. 3rd, because his colts have taken more prizes than those of any stallion in Mercer or adjoining counties. 4th, because he has a better record as a race horse than any other sire of his race, and a better record as a show horse, having won 50 out of 63 shows, than any stallion in Mercer or adjoining counties. 5th, because Red Leaf is the only horse sired by a horse with a record of 2:18 (C. F. Clay), who has sired 8 colts with records better than 2:30, and with 1st dam Lady Hart that ever sired a colt with a standard record and was a winner, and whose granddam (Soprano) was the greatest brood mare in the world, having 11 in the list, and whose sire (C. F. Clay) sold for \$10,000, and whose dam sold for \$2,500, whose dam's sire (Red Wilkes) sold for \$2,000 for a half interest, and who himself sired 11 colts to sell for over \$100—some as high as \$2,000—and teams from \$1,000 to \$1,000, in Mercer or adjoining counties. 6th, but three of Red Leaf's colts were ever trained for speed and they all took records. 7th, but one of Red Leaf's colts was ever raced, and he started in 11 or 12 races, winning first in one and second in all the others, as shown by the Year Book, and showed miles in 2:15, and would have been a sensational horse had he lived. 8th, Red Leaf has sired more high-class, high-priced teams than any stallion in Kentucky in the past two years. 9th, I can show several offers of over \$1,000 for a pair I now have. None of those sold five years old, and most of them under three years old. Now I say if you want a trotter, Red Leaf is bred to get them, as his sire is one of the greatest sires of extreme speed, and his dam a great producer, and she by one of the world's greatest sires of speed (Red Wilkes), and his sire's dam the greatest brood mare in the world. If you want a show horse, he has proven he can get them of the highest quality, a three-year-old mare, his sire's dam through the circuit in regular and sweepstakes and winning 24 out of 26 shows—something equalled only by the world's famous Grey Queen. If you want a business horse, he can get them that will sell for the highest dollars, and his fillies are sure to be great brood mares. If these are not facts, why not? I also have a good Black Jack to stand at \$8 to insure a living colt. R. E. GODDARD.

In this day of extreme specialization in gowns it is not surprising that the fashionable wardrobe includes a particular dress for church wear. One woman the other day, in talking of her different gowns, spoke of "my church dress." A chorus of "What's that?" went up from her listeners. "Why," she explained, "it's a plain, dark, inconspicuous gown I always have made each season for church, except in summer, when I feel at liberty to wear white or some dainty lawn or linen frock." And in that good taste this idea is. We have gowns for ball, theater, home and street; now why not for church, perfectly attuned to the hour of solemn thought? One could in such a costume rend their hearts and not their garments.

Chamberlain's Cough Remedy

The Best and Most Popular. "Mothers by it for croupy children, railroad men buy it for severe coughs and elderly people buy it for a gripper," say Moore Bros., Eldon, Iowa. There is no question but this medicine is the best that can be procured for coughs and colds, whether it be a child or an adult that is afflicted. It always cures and cures quickly. Sold by Lyne Bros., Crab Orchard.

Tilford Bengie, who killed Hon. J. J. C. Howard at Manchester, was held in \$3,000, which he gave.

Sired by Dora Devi 2:25, record 2:09, sire of The Best Ideal 2:15 1/2, sire of Mambrino King 1:59, sire of Lord Derby, Nightingale, Metalias, The Quator, Lord March, Lady of the Manor, Heir-at-Law, King Charles, Mocking Boy, Mercedes, all with records under 2:05 1/2. Bird, 7th dam, Lady Turner, by Mambrino Chief. The Warfield was worked only 90 days last season and showed a 2:24 clip over a bad half mile track. He is sound, good headed, good gaited, good wind, good feet and legs and kind and easy to handle in and out of harness; that will stay and trot all day. He will make the present season at Sam M. Owens', near McKinney at \$15 to insure a living colt. Mares traded off or bred to another horse forfeits insurance and makes season money due. Lien retained on colts until season is paid. ENGLEMAN & OWENS.

GEORGE HUR,

One of the finest English coach horses in the State, will make the present season at my place on Silas Anderson's farm at \$10 to insure a living colt, money due when colts get up or mare is parted with, a lien retained on colt until season money is paid. George Hur is black, four white feet and white face, weighs when in good shape 1,600 pounds, stands full 16 hands, and is six-years-old the coming Spring. George Hur is model, supple and quick, a splendid driver, a quiet and safe horse at any work. He was sired by Ben Hur Major 2:73, 3:15, Grand Sire Scott 2:40, Dam, Jennie Beatrice Clydesdale. George Hur has some of the finest colts in the country, has proved to be a sure foal getter. George Hur is half English coach and half Clydesdale, best draft horses in the State. For further information call on or write Wm. Sprinkles, at Rowland, Ky., and we invite all lovers of horses to call and examine George Hur. Care taken to prevent accidents, but not responsible should any occur. I will also stand my fine Jack, Jim Porter, at the same place at \$5. Wm. SPRINKLES, Rowland, Ky.

Galton 12910.

Sired by Gambetta Wilkes, 2:19 1/2, 1st dam Daisy Field, (grand-dam of Alice Wilkes, 2:17, Alretta, 2:15 1/2), by Enfield, sire of six in 2:30 and dams of 60 in 2:30 or better; 2nd dam Quickstep by Kentucky Prince, Jr., sire of J. Q. 2:17 1/2, Lemonade 2:27 1/2, and the dams of 15 in the list; 3rd dam by Old Joe, sire of the dam of J. Q. 2:17 1/2. Galton carries the blood of four leading families—Wilkes, Hambletonian, Mambrino Chief and Seeley's American Star. Galton is a dark bay, 15 1/2, breeds large with fine style and action and a sire of speed. Only three of Galton's colts have been handled for speed, having all worked miles out in 2:28 and better. This is evidence that he will get plenty of speed from the right class of mares and a horse that can't get speed, can't get action or good road horses. I have recently sold four of his colts, three to five-years-old, at an average of \$300. Sold another four-year-old for \$400; she got crippled before shipping, therefore lost the sale. Have one that I can sell at any time for \$500. Mr. Middleton and myself have one at Danville we have refused \$500. He will be handled this season for speed. O. C. Carpenter has a young gelding by Galton and has refused \$500 for him. He holds him at \$1,000. This is just a few instances of recent sales.
