W. P. Walton, of the Kentucky Journal, defends the woman of the South against the Arnold slander, as follows: Dr. Arnold, director of the New Haven, Conn., Normal School of Gymnastics, says that women's skirts are chiefly used to hide ugly legs and that women generally are far less graceful than men. The doctor's anatomical exploration must have been confined to the bandy-shanked women of the East. The Journal man knows little about such matters, but that little convinces him that the contrary of the doctor's observations is true, especially in Kentucky, where women are grown in physical perfections. If the doctor would come hither and could get a glimpse at the graceful curves, the tiny ankles and the swelling calves that adorn the average form divine, and then take a look at his own and other male extremities, he would acknowledge his ignorance and take it all back.

When leading physicians said that W. M. Valuable Property For Sale.

Ten acres of land, a two-story front 7-room cottage. The house is new. A splendid garden and orchard. There is a large mill on the place; a good crusher and the dam is in good repair and the natural power is great economy in running the mill. Does a splendid business. Everything is in good repair and has all necessary out-buildings. The owner's only reason for selling is the rush of other business, as he has extensive farming interests to look after. ELECTRICIAN 5007.

Race Record 224 1-4. Sire of Mid 215, Electrom 221 3-4, Gretchen 224 1-4, Prince 211 1-4, Letz 221 1-4, Owen brother to Greatful 227, 518 list. Electrician is a brown stallion, 15 3-4 hands high, standard registered. He is the champion race horse, 2 1/2 dams sired by Hambleton 10, sire of 20 dams of 19, he by Abdallah 1, sire of 3, dams of 7, Kent mare by Imp. Belvidere. Electrician's 1st dam Rebecca, dam of Bern 217, Redford 224, Atlanta Russette 210, etc. Rebecca by Gen. Benton 1765, sire of 21, dams of 68, he by Jim Scott 216, sire of 2, Lady Benton by Gray's Hambletonian 10, Sec. 1, and Arab. dam of Clifton Bell 224 1-4, Della 210 and Chimes Bell sire of Van Zadt 209 1-4, she by Abdallah Star, Third dam Emma Mills, dam of 3 sires, etc., by American Star 214.

Electrician is a royal-bred horse, fine style and action with great beauty. He is a horse that possesses great speed and gameness, although his record is only 2:22 1/2, he repeatedly showed miles in 2:15. A number of his get has been sold for roadsters, bringing from \$50 to \$1,500. As most of his colts are beautiful with fine action, style and size I can recommend him as a great stock horse.

Will make the season on same conditions and at same place as Clay King, at the fee of \$15.

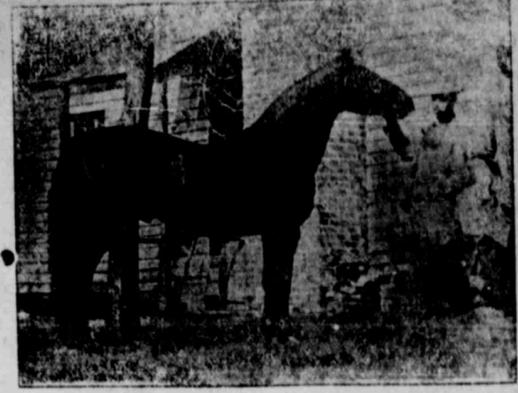

CLAY KING 2964.

Record 227 3-4. Sire of Dick Wilson 208, The King 210 1-2, Majie 212 3-4, Tom Phair 212 3-4, Nellie Bruce 212 3-4, Clay Wilkes 211 1-4, Dobby M 211 1-4, The Guard 212 1-4, The Raven 205, Justin M 206 1-4, Dorado 227 1-4 and eight others with records of better than 30, 45 trotters but Dick Wilson, pacer.

By King Clay 294. Sire of Miss Lida 210 1-4, Marble 214, Claymore 217 3-4, Eola 210 1-4, Kingbird 210, Doc 215 1-4, Edgar 210 1-4, Queen Clay 210 1-4, etc. 1st dam Amy 210 1-4 by Volunteer 215, dam of Clay King 297 3-4 and grand-dam of Volio Maid 213 1-4. Sire of St. Julian 211 1-4, St. Patrick 214 1-2, 15 others; sons have 212 and 213 and daughters have 214 1-4, etc. 2d dam Belle Brandon by Hambletonian 10, dam of Amy 210 1-4, Gov. Sprague 212 1-2, sire of 38, Wilmar 220 1-2, sire of 2 and Wildair, sire of 2. Sire of George Wilkes, Electioneer, Happy Medium, Harold, etc. 3rd dam Jenny by Young Bacchus. King Clay 294, dam Modesty 210 1-2, by Tom Wodder 147, 2d dam Wells Star, dam of Artillery 212 1-2, by American Star 214, 3 dam by Emmo's 1-Duro.

Clay King, with any kind of stud opportunities, would today be in the first flight of successful sires of bays, and his stud career is practically an extreme speed. His stud career is practically an extreme speed. Every man at the Lexington track has seen his get accomplish what has never been done by the produce of any other horse; they have seen his yearling step quarters in 15 1/4 seconds and then sell for starting prices; they have seen his older representatives show as much speed, gameness and genuine race horse qualities as those of any sire ever quartered in Kentucky.

Clay King will make the season of 1905 at the low price of \$12 50 to insure a living colt. A lien retained on the foal to secure the payment of the season. All care will be taken to prevent accidents, but stock incurs to our care, but should any occur we will not be responsible for the same. W. B. BURTON, Lancaster, Ky.

Galton 12910.

Sired by Gambetta Wilkes, 2:19 1/4, 1st dam Daisy Field, (grand-dam of Alice Wilkes, 2:17, Aletta, 2:15 1/4), by Enfield, sire of six in 2:30 and dams of 60 in 2:30 or better; 2nd dam Quickstep by Kentucky Prince, Jr., sire of J. Q. 2:17 1/4, Lemonade 2:27 1/4, and the dams of 15 in the list; 3rd dam by Old Joe, sire of the dam of J. Q. 2:17 1/4. Galton carries the blood of four leading families—Wilkes, Hambletonian, Mambrino Chief, and Seely's American Star. Galton is a dark bay, 13 1/2, breeds large with fine style and action and a sire of speed. Only three of Galton's colts have been handled for speed, having all worked miles out in 2:28 and better. This is evidence that he will get plenty of speed from the right class of mares and a horse that can't get speed, can't get action or good road horses. I have recently sold four of his colts, three to five-year-olds, at an average of \$300. Sold another four-year-old for \$400; she got crippled before shipping, therefore lost the sale. Have one that I can sell at any time for \$500. Mr. Middleton and myself have one at Danville we have refused \$50 for. He will be handled this season for speed. C. C. Carpenter has a young gelding by Galton and has refused \$500 for him. He holds him at \$1,000. This is just a few instances of recent sales. Galton has made all of his seasons at my stable, 11 in all, and served the last three seasons an average of 75 mares the season. This is another of the best recommendations a stallion can have. He was a great show horse in his young days, having defeated some of the best in harness classes, and labored under a great disadvantage, owing to a very bad cripple in one shoulder at a two-year-old, with the cripple he can work a mile in 2:25, with but little handling. His colts have gone against and defeated the best, one of his colts having won a \$75 premium at the Hustonville Fair over the best. This is a few instances of what he has already done, not what he is going to do, for I think his future will be much better, as the class of mares he is getting of late are much better than his first seasons.

Galton's sire, Gambetta Wilkes, has produced one of the greatest families. He has 13 in the 2:19 list. This is more than any other horse has in 2:19. He has 161 in 2:30 and better. This is more than any other horse of his age has in the 2:30 list. Gambetta's sons and daughters have over 400 in the 2:30 list. This is proof that Galton has a right for what I claim for him. Galton will stand at \$10 to insure a live colt; mares traded off after breeding forfeits insurance. Grass after the 25th of April at \$2 per month. Will stand at my place two miles West of Hustonville on Bradfordville pike, home in residence. W. M. DODD, Hustonville, Ky.
