Valuable Property For Sale.

Ten acres of land, a two-story front 7-room cottage. The house is new. A splendid garden and orchard. There is a large mill on the place; a good crusher and the dam is in good repair and the natural power is great economy in running the mill. Does a splendid business. Everything is in good repair and has all necessary outbuildings. The owner's only reason for selling is the rush of other business, as he has extensive farming interests to look after.
