ONLY horse stock will be shown at the Lancaster fair, July 13, 14 and 15. The big premiums offered will bring some fine animals to the Garrard capital. THE Crab Orchard Fair & Racing Association catalogue is in the hands of the public. It is a book of 52 pages and is brimful of liberal premiums, large purses and well-worded advertisements. Write to W. D. Wallin, secretary, for a copy. CIRCUIT COURT has done little or nothing since our last issue. The trial of F. G. Carson and others against the Q. & C. resulted in a hung jury. They sued for damages because they were put off of a train, the conductor alleging that their tickets were "dead." COPY for the catalogue of the Hustonville Fair, July 26, 27, 28, is in our hands and we hope to have them out in about 10 days. The premium list is the most liberal ever offered by that splendid association and stock will be on hand to contest for the money, world without end.

A FOOLISH PLAN "It is a joy to eat—I welcome my dinner hour; Because I rout indigestion with August Flower!" Constipation is the result of indigestion, biliousness, flatulency, loss of appetite, self-poisoning, anemia, emaciation, uric acid, neuralgia in various parts of the system, catarrhal inflammation of the intestinal canal and numerous other ailments that rob life of its pleasures if they do not finally rob you of life itself. "I'm bound in the bowels," is a common expression of people who look miserable and are miserable—yet who persist in "letting nature take its course." What a foolish plan, when nature could be aided by the use of Green's August Flower, which is nature's own remedy for constipation and all stomach ills. August Flower gives new life to the liver and insures healthy stools. Two sizes, 25c and 75c. All druggists. For Sale at Penny's Drug Store.
