## Another Good man Gone Wrong.

He neglected to take Foley's Kidney Cure at the first signs of kidney trouble, hoping it would wear away, and he was soon a victim of Bright's disease. There is danger in delay, but if Foley's Kidney Cure is taken at once the symptoms will disappear, the kidneys are strengthened and you are soon sound and well. A. R. Bass, of Morgantown, Ind., had to get up 10 or 12 times in the night, and had a severe backache and pains in the kidneys, and was cured by Foley's Kidney Cure. Penny's Drug Store.

Prof. L. C. Bosley states that next year he expects to have a large attendance at the Centre College Academy notwithstanding the fact that he had 18 graduates last year. All but one or two of these intend to enter college and will form a fine nucleus for the Freshman class. Prof. Bosley will be assisted next year by his brother, Mr. J. L. Bosley, and by Mr. F. P. Cheek. Thomas Connelley was halted by two white highwaymen, while en route from Junction City, and \$4.50 in money was secured. Mr. Connelley's watch was taken, but the robbers returned it to him, saying, "Its not worth carrying."—Advocate.

## They Appeal to Our Sympathies.

The bilious and dyspeptic are constant sufferers and appeal to our sympathies. There is not one of them, however, who may not be brought back to health and happiness by the use of Chamberlain's Stomach and Liver Tablets. These tablets invigorate the Stomach and Liver and strengthen the digestion. They also regulate the bowels. For sale by all druggists.

The sad news came that Mrs. Houpp, of Somerset, but formerly of this place, was dead. Deceased was about 62 years old and died of kidney trouble. The remains were brought here and buried at Pleasant Point. A husband and large family mourn the loss of this good wife and mother.

A number of sewing machine men are stopping at the hotel here. Wm. S. Burch, of Stanford, was here Monday. Elvreda Floyd, of Somerset, is visiting his mother here. Miss Bertha Gooch has gone to Corbin to be with Mrs. J. M. McCarty. Miss Mattie McCowan returned to Lexington to-day. Caldwell, who has been clerk for many years. It has been decided to hold the next meeting with the Pleasant Point church beginning Tuesday before the first Saturday in September, 1906.

## Fell Dead.

A man fell dead in Chicago the other day from heart trouble, and thousands die every day in the same way. But the cause of nine out of 10 of such cases of heart trouble is indigestion. The cure is Dr. Caldwell's (laxative) Syrup Pepsin. The explanation is that the swollen, inflamed, and engorged stomach, presses right up against the heart and prevents it from working; your heart flutters, palpitates, pains and you are short of breath; some lose it forever. Just try for these symptoms, a few doses of Dr. Caldwell's Syrup Pepsin, and see how quickly it will cure you. Sold by G. L. Penny, Stanford, C. W. Adams, Hustonville, at 50c and \$1.00. Money back if it fails.

Judge A. M. J. Cochran, of the United States District Court at Maysville, adjudged the Hume-Cooperage Company, of Richmond, a bankrupt upon petition of the four banks of Richmond. Hon. R. W. Miller and Mr. Walter Bennett, president of the Madison National Bank, were appointed receivers and directed to take charge of the cooperage plant and continue its operation.

## Hints To Houseworkers.

Nothing is more important to the hardworking housekeeper, than to keep her liver properly working otherwise, that pale sallow look, and tired feeling, will make her look as sick as a dog. Nothing will keep you up to the mark, without injurious stimulations, so well as Dr. Caldwell's (laxative) Syrup Pepsin. It is a pure liver tonic—a cure for Constipation, Biliousness, and Indigestion! Sold by G. L. Penny, Stanford, C. W. Adams, Hustonville, at 50c and \$1.00. Money back if it fails.

## Given Up To Die

B. Spiegel, 1204 N. Virginia St., Evansville, Ind., writes: "For over five years I was troubled with kidney and bladder affections which caused me much pain and worry. I lost flesh and was all run down, and a year ago had to abandon work entirely. I had three of the best physicians who did me no good and I was practically given up to die. Foley's Kidney Cure was recommended and the first bottle gave me great relief, and after taking the second bottle I was entirely cured." Penny's Drug Store.

Blair P. St. John, of Brooklyn, a former student of the University of Kentucky, was drowned at Pittsburg by the capsizing of a canoe.

GEORGE B. COOPER.

There are few, if any more popular men in Lincoln county than Mr. Geo. B. Cooper, known by his legion of friends as "Thompy." No man in our knowledge is more obliging or will go further for a friend than the subject of this sketch. Mr. Cooper is the democratic nominee for county clerk, a position which he is filling most acceptably to the thousands of people who have business in the county clerk's office. He had no opposition when last elected and if the republicans know what is good for themselves they will make no nomination for that office when they meet Sept. 23. No truer or more faithful democrat lives than Mr. Cooper, who has given liberally of both his time and means to the furtherance of party interests. He is polite, affable and highly competent. In discharging his duties he is always ready to find a record or give any instructions in reference to the detail work of the office. In fact he realizes that he is a public servant and that his time belongs to the people and he cheerfully gives it to them. Mr. Cooper is a married man with eight children and we hope we do not speak too frankly when we say he needs the office. His wife was a daughter of the late Mr. James M. Cook, of Hustonville, and like her father and husband is a dyed-in-the-wool democrat. Mr. Cooper was born January 4th, 1857, and belongs to a large and influential family. His ancestors came from Virginia and he is the fifth of a family of 11 children. He was educated at Hustonville Academy and is a member of the Masonic fraternity.

While firing an old cannon in celebration of his birthday, Walter Chenault, of Madison, was badly injured by a premature explosion. He may lose the sight of both eyes.

In a detailed statement made to the officers of Franklin county, William Newton fixes the responsibility for the murder of the Smiths at Elmville on his cousin Cal Newton, now in the Frankfort jail. He says Cal Newton related to him and also to his father and mother the story of the double murder, and sought the aid of all in establishing an alibi.

## Cured Hay Fever and Summer Cold.

A. J. Nusbaum, Batesville, Indiana, writes: "Last year I suffered for three months with a summer cold so distressing that it interfered with my business. I had many of the symptoms of hay fever, and a doctor's prescription did not reach my case, and I took several medicines which seemed to only aggravate my case. Fortunately I insisted upon having Foley's Honey and Tar and it quickly cured me. My wife has since used Foley's Honey and Tar with the same success." Penny's Drug Store.
