A Warning to Mothers.
 Too much care can not be used with small children during the hot weather of the Summer months to guard against bowel troubles. As a rule it is only necessary to give the child a dose of castor oil to correct any disorder of the bowels. Do not use any substitute, but give the old-fashioned castor oil, and see that it is fresh, as rancid oil nauseates and has a tendency to gripe. If this does not check the bowels give Chamberlain's Colic, Cholera and Diarrhoea Remedy and then a dose of castor oil, and the disease may be checked in its incipency and all danger avoided. The castor oil and this remedy should be procured at once and kept ready for instant use as soon as the first indication of any bowel trouble appears. This is the most successful treatment known and may be relied upon with implicit confidence even in cases of cholera infantum. For sale by all druggists.

Stop Babe's Tears.
 Ninety per cent of babies' troubles are caused by disordered stomach or bowels. They can all be quickly cured by a few doses of that great digestive medicine, Dr. Caldwell's (Laxative) Syrup Pepsin. Adams, Hustonville, at 50c and \$1.00. Money back if it fails.

How to Avoid Appendicitis.

This is one of the most desirable farms in the Blue Grass. It is well watered by the Hanging Fork and by stock water in each field except one besides a fine never-failing cave spring. The land is in a splendid state of cultivation and produces the very best crops of corn, wheat, hemp and tobacco. The taxes on the whole farm are usually paid by the sale of the sand from the sand bars on Hanging Fork. The residence, which with a large portion of the farm, is in the corporate limits of the town of Hustonville, is of a fine stone and contains seven rooms, with cellar the full size of house. The walls are 18 inches thick and the whole house is in good condition. On the farm is a barn 70x120 with 11 box stalls, two mule sheds with water at the door, good cribs, implement houses and all the outbuildings that are wanted on a well ordered farm. Two good orchards on place. The town of Hustonville has a splendid graded school, which is only a few eighth of a mile from the residence house on this farm. Mr. James P. Goode, of Hustonville, will be glad to show the farm to any one desiring to see it. This sale will be made for purposes of division among the heirs of Sallie Goode, deceased.

The sale will be made on a credit of six and 12 months, one-half of the purchase price to become due and payable at the expiration of each of the periods of time aforesaid. The purchaser will be required to give bond for purchase money, with good security, payable to the Commissioner and bearing interest at the rate of 5 per cent, per annum from the date until paid, and having the force and effect of a judgment. A lien will also be retained on the land for the said purchase price. Purchasers must be prepared to comply with these terms immediately.
