

### CHILDREN'S SHOES.

The Godman lines are made with a solid leather counter, in sole, outer sole. They cost for sizes 5 to 8's, 50c and 75c. Same in Navy Calf, 75c. Same in Box Calf, 90c. All the above in sizes 8 1/2 to 11 1/2 at 90c to \$1.50. Same in 12 to 2 at \$1 to \$1.75. Nothing is "just as good" as leather. There is not an ounce of shoddy in Godman Shoes.

### Godman School Shoes.

Should have been here a month ago but have just come. Of course we can't make the factories give our order special service as they sell so many goods they can't play any favorites and we have to await our turn. This delay is forgiven and forgotten as we believe they were just making them better, if possible. These goods are acknowledged by the trade to be the best goods made for the money but they have outdone themselves on the new fall shoes. Come in and let us show you.

### Little Folk's Shoes.

Parents should be careful to get the right shape shoes for little folks as the wrong shoe at the beginning often causes feet annoyance for life. The Zeigler's foot trainers are the right shape and the workmanship is the best. Buy your infant's and children's shoes of us and get the best looking, best wearing, most comfortable shoe made.

DEMOCRATS, if a democrat has done something you think he ought not to have done; if he has condoned something you think he should not have condoned; the time to fight him is at the primary convention, not at the regular election.

WE would feel extremely grateful to you, if you would, in the columns of your paper, express our heartfelt gratitude to the friends of the family who were so kind to us during our recent sad visit to Stanford; and especially do we wish to thank the following gentlemen who acted as our dear mother's pall bearers, Messrs. John Menefee, Jesse Walter, Uriah Bright, William Carson, Joe McClary, Warren Hoeker. We thank you in advance for this courtesy, write Edward M. and Daisy Veatch, Louisville.

RIP VAN WINKLE is a drama, free from offensive comedy and vulgarity, yet full of wholesome fun and delicate touches of pathos, the whole pointing a healthy moral that makes one feel better for having seen it. To both old and new patrons the management announce this season a production superior in every way, acting, scenic and musical, to the noted high standard of previous years. Expense no consideration in making this production one of the best that will be here this season. At Walton's Opera House, Saturday, Oct. 21st.

MENEFEE NOMINATED FOR SHERIFF.—The second installment of republican nominees for county offices was handed out Saturday afternoon by the committee, which held a secret session in Dr. R. L. Davison's office. The public had expected a candidate for county judge and sheriff but only the latter office received attention at the hands of the committee of 12. Mr. John N. Menefee, who was ingloriously defeated by Mr. M. S. Baughman for sheriff four years ago, was given the nomination over Mr. James H. Swope, who had been petitioned to make the race. It had been predicted by the knowing ones that Mr. Swope would never be nominated but would force the republicans to put out a man, and in this they were correct. In short Mr. Swope doesn't seem to belong to the ring and the plums that are handed out are not likely to come his way. We don't suppose even the most sanguine republican hopes to elect a republican officer three weeks from to-day, but it is an honor sometimes to have the party nomination and we sympathize with Mr. Swope in his failure to secure the empty honor he craved. Mr. Menefee, the nominee, needs no introduction to the voters of this county, democrats having voted for him repeatedly and the republicans once. He made a good sheriff as a democrat, but having implicit faith in the democracy of this good county we believe he will never have the opportunity of showing the people what kind of a sheriff he can make as a republican.

## Great Closing-Out Sale.

We have rented a business house, now nearing completion, in Corbin, Ky. which we expect to occupy at an early date. Rather than move any stock from this place, we have decided to close our Entire Line of Merchandise at a sacrifice. This stock consists of not only the Cream of Dry Goods, such as Silks, Satins, Fine Woolens, Waistings, Fine Table Damasks, Underwear, Hosiery, Outings, Etc., Etc., but also contains the largest assortment of hand-painted Japanese, China and Bric-a-brac Novelties ever shown in this section. We anticipated a heavy Holiday Trade and bought very largely of this line. These goods have just arrived fresh from Japan, and will go on sale at once. In addition to the above we have a 5c and 10c department that is now loaded with good, useful money savers. This will be our last opportunity to supply the wants of our friends and customers and we deem it necessary to further remind you of the character of merchandise you now have an opportunity to purchase at sacrifice.

Owing to the short stay we have in your midst we are compelled to make this Strictly A Spot Cash Sale to One and All, and we ask those who have already made little tickets to please settle. Stanford, Ky., Oct. 3, 1905.
