By this time next year a handsome three-story brick business building may adorn the present site of the unsightly old Commercial Hotel. A committee has been appointed by the Odd Fellows to ascertain the cost of such a building and as the Odd Fellows have plenty of means, we feel almost certain they will build. It is decidedly the best location in town for a store or so, a part of the second story could be devoted to a magnificent lodge room, while the third would afford a number of offices that could be easily rented for good prices. By all means let the building be erected and don't postpone the good work too long.

SKIRTS. - We have an especially fine showing of \$5 skirts. Severance & Son.

A STAMP in the circle under the rooster is all you need do to vote the straight democratic ticket.

J. H. BAUGHMAN & Co. have the biggest pile of coal ever seen in Stanford. It is between 20 and 25 cars and looks like it ought to keep all of Lincoln county warm this winter.

WATCH out for Halloween! No gates to be lifted, no houses to be turned topsy turvy inside or out or anything like that. The witches will be under the control of the Young Ladies Missionary Society of the Presbyterian church for that evening.

YOUNG Mr. Hubble, who aspires to represent this county in the Legislature, is a writer, you bet your boots. His card was as much sought for yesterday afternoon as if had contained gospel truths. While his hand is in he should get out another.

THE printing of the ballots to be used Tuesday, Nov. 7th, is being done by this office and is a pretty big job. For the county races 6,000 ballots are required, each printed on both sides, perforated in two places and numbered in two. Some 3,000 or 4,000 educational ballots are also ordered. Besides this, there will be an election for town councilmen, mayor, etc., in Stanford, Hustonville, Crab Orchard and Rowland, which will require 2,000 or 3,000 more ballots. It is a big job and one that has to be done hurriedly, but with great care.

ADJUDGED INSANE. - John W. Gooch, who shot and killed his father, Mr. Mack Henry Gooch, at his home near Waynesburg Monday, was tried here yesterday and declared insane and ordered to the Lakeland Asylum, to which place his brother, Mr. G. T. Gooch, took him yesterday. A shot gun was used and he bought the weapon on the morning the fearful deed was committed from the Reynolds Co., giving a check for it. The firm threw in a box of cartridges loaded with bird shot, or No. 6, and the salesman thought Mr. Gooch was preparing for the bird season. Mr. Gooch, the father, was shucking corn in his barn when his son entered and without uttering a word shot him through the heart. He died instantly. After the killing Mr. Gooch went to his home and told his wife that he had killed his father. "Oh, I reckon not," she said, but it was too true, for the old gentleman was already getting cold. There had been no trouble between the father and son and that he is insane there can be no doubt. He has been in the asylum three times, having been sent home three or four years ago, supposed to have been cured. Each time during his insane periods he became greatly angered at his father. It is frequently the case that demented beings turn against their very best friends. Young Gooch declined to talk about the killing and has spoken only a few times since he fired the fatal shot. He is a married man with a little son about five weeks old. He bears a good reputation and worked hard during his sane moments. The killing of Mr. Gooch, who was one of the best of the Waynesburg citizens, is deeply deplored and a gloom has been cast over the entire section. He was about 65 years old and had been a widower for several years. He is survived by three daughters, Mesdames R. Y. Ballard and Thos. Hutchison and Miss Sallie Gooch, and two sons, Mr. G. T. Jr., and John W. Gooch.

MATRIMONIAL.

Richard Austin and Miss Lelia Jones were married here Wednesday. The wife of Giuseppe Creatore, the noted bandmaster, has sued for divorce.

Miss Pattie Cundiff, of Casey County, and Frederick Reigel were married in Louisville.

Mr. Madison Engleman and Miss Delia Coffey were made one at the home of Mr. and Mrs. B. P. Shewmaker at Moreland Wednesday. An extended account of the wedding will appear next issue.

Miss Mary Landram Burnside, third daughter of Judge and Mrs. R. A. Burnside, of Lancaster, and William Brent Metcalf, of Nashville, Kansas, were married at the residence of the bride's parents, Elder F. M. Tinder, of the Christian church, officiating.

Mr. Arthur Barnett, a clever and industrious young farmer of this section of the county, was married in Louisville Wednesday to Miss Elizabeth Moores, a charming young woman of that city. She has frequently visited the Misses VanDeever here and is admired by all who have the pleasure of her acquaintance. At present Mr. and Mrs. Barnett are at the St. Asaph Hotel.

Great Closing-Out Sale.

We have rented a business house, now nearing completion, in Corbin, Ky. which we expect to occupy at an early date. Rather than move any stock from this place, we have decided to close our Entire Line of Merchandise at a sacrifice. This stock consists of not only the Cream of Dry Goods, such as Silks, Satins, Fine Woolens, Waistings, Fine Table Damasks, Underwear, Hosiery, Outings, Etc., Etc., but also contains the largest assortment of hand-painted Japanese, China and Bric-a-brac Novelties ever shown in this section. We anticipated a heavy Holiday Trade and bought very largely of this line. These goods have just arrived fresh from Japan, and will go on sale at once. In addition to the above we have a 5c and 10c department that is now loaded with good, useful money savers. This will be our last opportunity to supply the wants of our friends and customers and we deem it necessary to further remind you of the character of merchandise you now have an opportunity to purchase at sacrifice.

Owing to the short stay we have in your midst we are compelled to make this Strictly A Spot Cash Sale to One and All, and we ask those who have already made little tickets to please settle.
