Night riders visited the farm of J. W. Barefield, in Trigg county, shot up the house and terrorized the occupants.

FOR SALE.—Southdown lambs as stockers. 14 ewe lambs, 14 male lambs, one yearling male (Fisher, Renick and McKinney cross.) I wish to engage them before July 10 for delivery later in July if desired. Call at place or address Miss Mattie H. Hewes, Moreland, Ky., R. F. D. Box 38.

Never buy eggs of a dealer to fill up an incubator. This foolish practice is the cause of about half the failures among beginners, and it is high time for it to cease. Save the eggs from your own flock, if possible, or else engage them of neighbors or a poultryman who can be depended upon.

PLEASANT POINT.

Our district school began Monday, with E. G. Gilliland teacher. His brother Victor, also began a school near Stanford. R. J. Hogue went to Casey Monday to see his brother, Jim Hogue, who is very sick. We are sorry to hear that Miss Emma Routen is not improving after an operation in a Lexington hospital. Quite a number of the friends and neighbors of Robert Dishon surprised him with a birthday dinner Sunday. He was very much delighted to know they had remembered him on his 56th birthday. The table was bountifully spread and everybody enjoyed the day. Several Pleasant Point people attended Children's Day at Mt. Moriah Sunday and report a nice time. Misses Eva Walls, Della and Ethel Hogue visited J. A. Singleton at Waynesburg. Mr. Neal and grand-daughter, of Danville, were the guests of James VanArsdale and wife, Tom Gooch and wife, of McKinney, visited Geo. Leach and sister, Mrs. Wm. Murphy. James Taylor spent a few days with home-folks.

Long Live The King!

is the popular cry throughout European countries; while in America, the cry of the present day is "Long live Dr. King's New Discovery, King of Throat and Lung Remedies!" of which Mrs. Julia Ryder Paine, Truro, Mass. says: "It never fails to give immediate relief and to quickly cure a cough or cold." Mrs. Paine's opinion is shared by a majority of the inhabitants of this country. New Discovery cures weak lungs and sore throats after all other remedies have failed; and for coughs and colds it's the only sure cure. Guaranteed by Penny's Drug Store. 50c and \$1. Trial bottle free.

Bad Burn Quickly Healed.

"I am so delighted with what Chamberlain's Salve has done for me that I feel bound to write and tell you so," says Mrs. Robert Mytton, 457 John St., Hamilton, Ontario. "My little daughter had a bad burn on her knee. I applied Chamberlain's Salve and it healed beautifully." This salve allays the pain of a burn almost instantly. It is for sale by all druggists.

Some old coins in New York City have been bringing record prices. What is said to be the highest price ever paid for a gold coin was given for a doubloon which was struck in New York in 1787. It is one of five known specimens, its intrinsic value being \$16, yet it brought \$6,200. A dollar of 1804 brought \$3,600.

A Memorable Day.

One of the days we remember with pleasure, as well as with profit to our health, is the one on which we became acquainted with Dr. King's New Life Pills, the painless purifiers that cure headache and biliousness, and keep the bowels right. 25c, at Penny's Drug Store.

It was ascertained that the reason for the delay in the appointment of a new Council was due to the fact that difficulty is being found by Gov. Beckham in finding men both willing to serve and in accord with Mayor Bingham's policies.

G. L. Penny extends a cordial invitation to any one suffering with a cough to call and see Hy-o-mei. The complete outfit costs but \$1 and he will refund the money if Hy-o-mei does not cure.

John R. Wilson, a noted Indianapolis lawyer, is dead.

The Doctor Away from Home when Most Needed.

People are often very much disappointed to find that their family physician is away from home when they most need his services. Diseases like cramp colic and cholera morbus require prompt treatment, and have in many instances proven fatal before medicine could be procured or a physician summoned. The right way is to keep at hand a bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy. No physician can prescribe a better medicine for these diseases. By having in the house you escape much pain and suffering and all risk. Buy it now; it may save life. For sale by all druggists.

The thin, pale man in the large bathing suit, standing knee-deep in the water, sighed.

"Why," we asked, "are you sad?"

"Alas," he answered "the sea is the grave of my first wife."

Our lip curled superciliously.

"But you married again," we murmured.

"Yes," said he, "and my second wife won't go near the water."

Hardin county has experienced the wonderful phenomenon of a shower of frogs. Near Nolin, during a heavy rain storm, frogs fell from the clouds by the millions. They were found over a territory two miles square, as thick as grasshoppers in a harvest field. They were small in size, green upon the back and bore close resemblance to bullfrogs.

Constipation.

For constipation there is nothing quite so nice as Chamberlain's Stomach and Liver Tablets. They always produce a pleasant movement of the bowels without any disagreeable effect. Price, 25 cents. Samples free. All druggists.

It has been discovered at Montgomery, Ala., that because of a mistake of a clerk, who wrote "years" instead of "months," Rhena Rivers, a girl, almost served out 20 years for a 20 months' sentence in the Alabama mines.

During the summer kidney irregularities are often caused by excessive drinking or being overheated. Attend to the kidneys at once by using Foley's Kidney Cure. G. L. Penny.

The Interior Journal
BOTH ONE YEAR FOR
ONLY \$1.50.

Few people in the United States have not heard of the Courier-Journal. Democratic in all things, fair in all things; clean in all things, it is essentially a family paper. By a special arrangement we are enabled to offer the WEEKLY COURIER-JOURNAL one year and this paper for the price named above. Send your subscription for the combination to us—not to the Courier-Journal.

The State College of Kentucky,
Lexington, Kentucky.

The State College of Kentucky offers the following courses, namely, Agricultural, Mechanical Engineering, Civil Engineering, Mining Engineering, Electrical Engineering, Normal School, Classical and seven scientific courses, each of which extends over four years and leads to the Bachelor's degree. Each course is organized under a separate faculty. The general faculty, consisting of professors, assistant professors and instructors, numbers over 50.

County appointees receive free tuition, privilege of residence in dormitories, fuel and lights and traveling expenses if they remain ten consecutive months, or one collegiate year.

The laboratories and museums are large, well equipped, comprehensive and modern. Military Science is fully provided for as required by Congress.

Graduates in the several courses of study readily find employment with liberal remuneration. The total number of matriculates last year was 502. Each department has a specialist at its head, with the necessary number of assistants.

Summer schools are provided for in Pedagogy, Engineering and instruction in Science and the Liberal Arts.

The young women find an excellent home, with board and lodging, in Patterson Hall, which is well equipped with all modern conveniences, bath-rooms, hall for physical culture, at \$300 per week. All the courses of study in the College are open to young women upon identical conditions with those applying to males.

The attendance upon the Normal School in connection with the Department of Education last year more than doubled that of any preceding year.

Three new buildings, namely, one for the department of Education, one for Agricultural Science, and a Library Hall, are in process of erection and will be completed early in the next collegiate year.

For catalogues, methods of obtaining appointments, information regarding courses of study and terms of admission, apply to JAS. K. PATTERSON, Ph. D., L. L. D. Pres. or D. O. Frazer, Bus. Agt., Lexington, Ky. Fall Term Begins Sept. 12, 1907.
